LAWS AND REGULATIONS

OF THE

UPPER CANADA BIBLE SOCIETY

As adopted at a General Meeting of the Society, held in the City of Toronto on the 3rd day of August, 1855, and amended at General Meetings held on the 13th day of April, 1880, 18th day of November, 1887, 30th day of May, 1895, 6th day of May, 1902 and 17th day of Dec., 1907.

[UNDER THE ACT OF INCORPORATION]

ARTICLE I. This Society shall be denominated the "UPPER CANADA BIBLE SOCIETY," having the same object in view as the British and Foreign Bible Society—that is, the circulation of the Bible without note or comment.

II. This Society shall endeavor to unite all Bible Societies in the Province, and to concentrate their operations, in order to give more efficiency to the whole.

III. The Society shall maintain, in the City of Toronto, a general depot of Bibles and Testaments, from which all Societies in connection with it shall be supplied with the Scriptures at the lowest price at which they can be afforded.

IV. The business of the Society shall be carried on by a Board of Directors, to consist of a President, Vice-Presidents, Treasurer and Secretaries, and a representative from each Branch, as provided in Article V., together with twenty clerical and twenty lay members, so selected as to give the Board always, as before, a representative character as regards the principal religious bodies interested in the work of the Society, five of whom shall form a quorum. The three clerical and the three lay members who shall have attended the least number of meetings of the Board, shall not be eligible for re-election, except in cases where the non-attendance has arisen from illness, or absence from the city, or where the member has been present at not less than five (5) of the regular monthly meetings of the Board,

etc., in which case the Board may nominate such member or members for re-election.

V. Each Branch Society shall be entitled to a representative on the General Board. The President of the Branch shall be *ex officio* such representative, or any other resident member whom the Committee may appoint as substitute, who shall be a member of such Branch.

VI. At any meeting of the Directors the President, or in his absence the Vice-President, first upon the list then present, and in absence of such Vice-President, the Treasurer, and in his absence such member as shall be chosen for that purpose shall preside.

VII. Each person paying annually one dollar shall be a member of this Society; and persons paying fifty dollars at any one time, either to this Society or to any of the Branch Societies in connection therewith, or through them to the British and Foreign Bible Society, or who may have rendered important services, shall, at the discretion of the Directors, be declared life Members.

VIII. Each Life Member of this Society shall be furnished with a certificate of membership upon the corporate seal of the Society, duly signed by the President and Secretary.

IX. The Board of Directors for the time being shall have the appointment of the Permanent Secretary, Agents, Depositary, Colporteurs, Bookkeeper and assistants of the Society, and the fixing of all salaries and allowances, and shall have the superintendence and management of all the property, real and personal of the corporation, as well as the management and control of its general affairs and the appropriation of its funds with full power to enact such rules as may be requisite to effect the objects contemplated by the Act of Incorporation.

X. The Board of Directors shall meet for the transaction of business on the third Tuesday of each month, at the hour of 7.30 p.m. Special meetings may be called by the Secretaries at any time, at the request of the President or any three Directors.

XI. The financial year of the Society shall end on the 31st day of December, and the annual general meeting shall be held on the last Tuesday of January, or at such other time as the Directors for the time being may deem best in the interests of the Society; when the officers and Directors for the ensuing year shall be chosen, a report of the operations of the Society during the foregoing year shall be presented, together with the Treasurer's and Depositary's accounts duly audited. Special general meetings may be called at any time by the Board.

XII. In case of death or removal of any Director or officer during the year, the Board shall at the next ensuing meeting thereof fill each vacancy.

XIII. The Permanent Secretary shall have the custody of the Corporate Seal of the Society; and all instruments requiring to be executed under such seal, shall be signed by the President and the Permanent Secretary, and any instrument which operates as a release of a money claim shall also be signed by the Treasurer. In case, on account of the absence from the city, or the illness of the officers whose signature to any instrument is required under this rule, such signature cannot be conveniently obtained, such instrument may be signed in his or their stead, by such other persons as the Board may from time to time direct. The President, Treasurer and Permanent Secretary, shall upon the receipt of any legacy, or other moneys payable to the Society, have authority, without a special direction of the Board, to execute under the Corporate Seal, any release or acknowledgement in respect thereto, which they deem necessary or expedient.

XIV. No alterations on these By-laws shall be made except at a General Meeting of the Society, and after one month's notice of the proposed alterations has been given to the Board.

RULES RECOMMENDED TO BRANCH SOCIETIES.

(Revised May 17th, 1877)

I. That a Society be formed in connection with the Upper Canada Bible Society, and through it with the British and Foreign Bible Society, for the purpose of contributing to the circulation of the Holy Scriptures without note or comment.

II. That the Society be denominated "THE _____
BRANCH BIBLE SOCIETY."

III. That all persons subscribing one dollar annually shall be members of the Branch Society, and those subscribing twenty dollars at one time shall be life members of the same.

IV. That the business of the Society shall be conducted by the President, Vice-President, Treasurer, Secretary and a committee consisting of not less than ————— other members; five to constitute a quorum.

V. That all Ministers of the Gospel who are subscribers to the Society shall be members of the Committee.

VI. That the Committee shall meet quarterly or oftener; time and place of meeting to be fixed by themselves.

VII. That the Committee divide their sphere of operation into districts, and appoint visitors for each district to solicit subscriptions and donations, and also to ascertain the wants of the people regarding the Word of God.

VIII. That the whole of the subscriptions and donations received by this Branch Society, shall, after deducting incidental expenses, be remitted yearly to the Upper Canada Bible Society, or through it to the British and Foreign Bible Society, for the purpose of translating the Word of God into the various languages, and for supplying the whole world, through the Parent Institution, with the pure Word of God.

IX. That a depository for the sale of the Holy Scriptures be opened in a suitable central locality, and that the books be placed in a conspicuous position, the necessary supply being obtained from the Upper Canada Bible Society ON SALE. Remittances on purchase account to be made from PROCEEDS OF SALES ONLY.

X. That a general meeting of subscribers be held on the ————— day of —————, in each year, at —————, when the accounts shall be presented; the proceedings of the past year stated; moneys voted, a new committee appointed, and a report agreed upon; the report to be published under the direction of the Committee if required, and a copy forwarded to the Secretary at Toronto.

XI. That on a formation of a new Committee, the President Vice-President, Treasurer, Secretary, and such three-fourths of the other members of the Committee as have most frequently attended, shall be eligible for re-election for the ensuing year.

GRANTS TO SUNDAY SCHOOLS AND MISSIONS.

1.—Mission Churches and Schools under denominational auspices are not in general to be considered fit objects for the gratuities of this Society; but Missions among Indians, Jews, French Canadians, Chinese, Italians, etc., though under denominational auspices, are not to be taken as coming under this general rule.

2.—All applications for grants of Bibles to Sunday Schools or Missions should be made upon the forms heretofore prescribed, which will be furnished by the Secretaries. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or of the attendants, as the case may be; the amount of funds at the disposal of the managers; who are its officers; and why it is necessary to make such application. These applications should in every case be certified by a minister of the Gospel, or some person of known respectability.

3.—Grants shall be made by the Secretaries only to destitute settlements, and shall be reported at the next regular Board meeting.

Jesse Ketchum not only did good with his money in his life time, but left large sums invested for the purpose of putting Bibles and good books in the hands of the Public and Sunday School children of Toronto and Buffalo. The good which he did was not interred with his bones, but "he, being dead, yet speaketh." Are there not others who will follow his example?

FORM OF BEQUEST

TO THE

UPPER CANADA BIBLE SOCIETY.

I bequeath the sum of.....
..... Dollars to the
 UPPER CANADA BIBLE SOCIETY, *to be paid for the purposes*
of said Society, to the TREASURER thereof for the time being, whose
receipt shall be a good discharge for the same.

SIXTY-EIGHTH ANNUAL REPORT

OF

THE UPPER CANADA BIBLE SOCIETY

FOR THE YEAR ENDING DECEMBER 31, 1907

It is very inspiring to look at the beginning of things—to trace a great river to its source. Many of us have read with interest the story of the little spring among the Alleghanies, so small that a single ox could drain it dry on a summer's day. It steals its unobtrusive way among the hills, deepening and widening as it goes, till it spreads out into the beautiful Ohio. Thence it stretches away a thousand miles, leaving on its banks more than a hundred cities, towns and villages, and many cultivated farms, and bearing on its bosom more than half a thousand steamboats; then, joining the Mississippi, it rolls onward some 1200 miles or more until it falls into the ocean. Between the "Father of Waters," as it empties itself into the Gulf of Mexico, and the little spring away in the Alleghanies, there is but little resemblance; so between the starting point of Bible Society work, a little over a century ago, and the river of blessing that is flowing at this, the dawn of the second century's work, there is but little resemblance. Let us in imagination visit the fountain-head.

A little over a hundred years ago in an upper room in old London, half a dozen earnest Christian men met together. One of their number, Rev. Thomas Charles, of Bala, is telling the story of an awful famine that exists in the principality of Wales—a famine, not of bread, but of the Word of God—and is telling, what is now an old story, of Mary Jones and her long walk over the Welsh Hills to secure a Bible; and he is asking the question if something cannot be done to provide the Bible for the people of Wales. One of their number, Rev. Joseph Hughes, said, "Surely we can do something for Wales: and if for Wales, why not for England? why not for the kingdom? why not for the world?" and he suggested that they might form a society that should have for its aim the translation, printing and dissemination of the Word of God, without note or comment, among all nations of the earth. He was asked to write a little tract to appeal to the Christians of England to

form such a society. His appeal had for its prophetic motto these noble words; "Let us be the first institution that ever emanated from one of the nations of Europe for the express purpose of doing good to all the rest." The result of this appeal was that on March 7, 1804, the representative Christian men came together and formed the British and Foreign Bible Society. There were in all the world at that time about four million copies of the Scriptures. These were printed in about thirty-five living languages. As a result of the work of the Society then organized, some two hundred and four million copies of the Scriptures have been issued, in whole or in part, in four hundred and nine different languages and dialects. Nor is this all, for out of the original Society has grown sister societies,—like the American Bible Society, the Scottish Bible Society and others—and the total combined issue during the century has been about four hundred million copies, and the Bible is published to-day in about five hundred different languages. If Thomas Charles, Joseph Hughes, Granville Sharpe, Charles Grant, William Wilberforce and John Owen could rise from their graves and see whereunto the little Society, which was founded in obscurity, has grown, how surprised and delighted they would be.

Our own Upper Canada Bible Society, under one name and another, has been identified with this great work for some sixty-eight years, and we are pleased to record that the past year has been one of great blessing.

The Work in Canada.

Our Departed Friends.

During the year we have once more been reminded of the words on Wesley's tablet in Westminster Abbey—"God buries His workmen, but carries on His work." Since our last Annual Meeting the Society has lost two of its most honored members—Rev. John Potts, D.D., LL.D., Vice-President, and John Aitken, Esq., Director. They were both our representatives on the Canadian Bible Society Board. The Board of Directors with sympathetic unanimity passed the following resolutions, which were sent to the families of our deceased brethren :

"The Board of Directors of the Upper Canada Bible Society have heard with deep regret of the death, since their last meeting, of one of the oldest and most valued of its Vice-Presidents, the Rev. John Potts, D.D., LL.D. A devout believer in God's Word and an enthusiastic supporter of the Bible Society, his voice was often heard in powerful and strenuous support of its principles on public platforms, where he was always a most welcome and effective speaker.

"In the meetings of the Board his wise counsels, his genial, cheery manner, and his courtesy to any who differed from him, were very marked and greatly appreciated. The Board joins with the whole community in lamenting the loss of one who was so great and respected a citizen, and who was also so beloved by all who came within the sphere of his influence. They respectfully tender to his surviving family their deepest sympathy in their sorrow."

"The Board of the Upper Canada Bible Society have heard with deep regret of the death of one of its old and much respected members, Mr. John Aitken, and wishes to place on record its high appreciation of the sterling worth of our departed brother as a Christian business man, faithful in the discharge of his duties, an honored member and elder of the Presbyterian Church, zealous and untiring in his service of the Lord's Day Alliance, The House of Industry, the Prisoners' Aid Society, and especially to the Bible Society. He was always found in his place at our Board meetings ever since his election to the Board in 1895; as Chairman of the Committee on the Distribution of Scriptures, he rendered very efficient service in visiting the jails, hospitals, etc. The members of the Board will always remember him for his cheerful and unostentatious piety, his gentleness and kindness, and his readiness to undertake any duty by which he could aid the work of the Bible Society. The Board respectfully tender to his widow its deepest sympathy in this hour of sorrow, and pray that God may sustain and comfort her."

Retirement of John Harvie, Secretary.

At the Board Meeting on November 19th. Mr. John Harvie, who, for twenty-two and a half years, has filled the position of Permanent Secretary for the Society, owing to the infirmities of age, presented his resignation. After many kind words of appreciation had been spoken by the various members of the Board the resignation was duly accepted, and a committee appointed to draw up a suitable resolution, and have it engrossed to present to Mr. Harvie, to show the esteem in which he was held for his long and faithful service to the Society. The following is the resolution :—

Toronto, December 17, 1907.

In view of the action by this Board at its last meeting on November 19th, in accepting the resignation of Mr. John Harvie, who for more than two decades has sustained an important official relation to the Upper Canada Bible Society, resolved that we hereby place on record :—

Our gratitude to Almighty God for having granted unto His servant, our brother, a long, useful and honorable life.

Our grateful acknowledgment of the fidelity and efficiency with which Mr. Harvie has discharged the duties of Permanent Secretary of this Society for more than twenty years.

MR. JOHN HARVIE.

Our appreciation of the wisdom and unfailing courtesy, both in correspondence and address, with which he has treated the members of this Board and the officers and friends of this Society throughout our entire field.

Our sincere regret that the infirmities incident to more than three score years and ten, in any measure, warrant our esteemed fellow-worker in seeking relief from the pressure of official duty.

Our fraternal and prayerful desire that, in the continued loving favor of our God, he may be permitted to enjoy a goodly number of years, rich in social, domestic and spiritual benediction.

Appointment of Rev. Jesse Gibson.

Owing to Mr. Harvie's retirement the Board appointed the Rev. Jesse Gibson to fill his place as Secretary. Since his appointment he has attended to the work of the office, and visited the following branches :—

Vittoria, Port Rowan, St. Williams, Jarvis, Erie, Nanticoke, Cheapside, Selkirk, Lynedoch, Delhi, Windham Centre (New Branch), Tillsonburg (two visits), Dereham, Otterville, New Durham and Beaconsfield, Burgessville and Oxford, Norwich (two visits), Bookton (two visits), Waterford (two visits), Scotland and Oakland, Burford and Cathcart, Powassan, North Bay, Cobalt, Haileybury, New Liskeard, Milberta, Sturgeon Falls, Sudbury, Copper Cliff, Webbwood, Fort William, Port Arthur, Kenora, Keewatin, Rainy River, Edmonton, Calgary, Brougham, Greenwood and Kinsale, Claremont, Caledon East, Beamsville, Aurora, Toronto Junction, Dunbarton, Coburg, Chatsworth, Stouffville, Harrington, Dereham Centre, Mount Elgin, Vershoyle and Salford, Port Dover, Mono Mills, Goodwood, Markham, Acton, Brooklin and Desboro.

District Secretaries.

At the Annual Meeting of the Canadian Bible Society, held in Ottawa, on March 13, 1907, Rev. W. E. Hassard, B.A., B.D., Toronto, formerly Field Secretary of the Upper Canada Bible Society, and Rev. R. J. Bowen, Ladysmith, B.C., were appointed District Secretaries for the Canadian Bible Society for Districts III. (Upper Canada and Western Ontario Auxiliaries) and V. (Alberta and British Columbia)—Mr. Hassard primarily in Upper Canada, between London and Kingston, and Mr. Bowen, the branches of the Upper Canada west of London, Western Ontario Auxiliary, British Columbia Auxiliary and Alberta. Both of these brethren have been busy visiting the branches, preaching in the churches in their districts, and doing all in their power to advance the interests of the Society. They have been very favourably received by the branches and churches wherever they have gone. The demands upon our Board for the services of specialists in Bible Society work to address the Annual Meetings have rendered it necessary to appoint these brethren to this work, and the increased interest in Bible Society work has amply justified the action of the Canadian Bible Society Board. We believe that the future will show a still larger increase.

Branches of the Upper Canada Bible Society in Alberta visited by the Rev. R. J. Bowen :—

Calgary, Didsbury, Olds, Innisfail, Edmonton, Strathcona, Wetaskiwin, Leduc, Ponoka, Lacombe, Red Deer, Okotoks, High River, Nanton, Claresholm, Lethbridge, McLeod.

Medicine Hat, Gleichen and Banff are the only branches that were not visited this year, owing to my having to be in London by September 23, 1907, for the General Meeting of Western Ontario Board.

Mr. Bowen says :—" Viewing the work in Alberta after

this visitation there are three factors making the work difficult as far as the Bible Society is concerned:—1. The distances to travel between each branch and the newness of the settlements, thus compelling each settler to attend to the erection of a house. 2. The everchanging of the people of the West from one place to another wrecked much of the organization work previously done. 3. The newness of church life in Alberta is taxing to the utmost the capacity of various clergymen, and in their effort to push forward local work, things outside of necessity suffer. May I call attention to the fact that the Colportage work being done in this province, though expensive, cannot fail, under God's providence, to do much for the furtherance of the Kingdom of God among the people speaking so many different languages."

The following Upper Canada Branches were visited in the Western Ontario District by the Rev. R. J. Bowen:—

St. Thomas, Zurich, Dashwood, Crediton, Parkhill, Ravenswood, Forest, Arkona, Camlachie, Sarnia, Watford, Fingal, West Lorne, Aldboro, Rodney, Kintyre, Duart and Orford.

He says:—"In the above branches there is much need for definite revival work, but I am confident next year of much improvement in the branches in this district. Educational work is needed all along the line, and the people are asking for definite facts regarding the work the Society is doing, especially in Canada. I am personally grateful for the kindness shown me by the officers of the various branches."

Branches of the Upper Canada Bible Society visited by the Rev W. E. Hassard.

Ailsa Craig, Ancaster, Ashburn and Myrtle, Attercliffe, Atwood, Avening, Glencairn and Banda, Ayton, Belgrave, Binbrook, Bluevale, Blyth, Bolton, Bracebridge, Brantford, Bridgeburg, Brooklin, Brussels, Burk's Falls, Caistor, Caistorville, Caledon East and Mono Road, Caledonia, Canfield, Cartwright, Catarauqui, Cayuga, Coldwater, Collingwood, Columbus, Combermere, Cotswold, Copetown, Creemore, Depot Harbor, Deseronto, Drayton, Dunville, Dunedin, Duntroon, East Zorra, Eglinton and Davisville, Enniskillen, Enterprise, East Oxford, Etobicoke North, Falkirk and Denfield, Fonthill, Glen Huron and Madil, Glanford, Gravenhurst, Hagersville, Hamilton, Hampton, Heathcote, Homer, Huntsville, Janetville, Kingston, Listowel, Lonsdale, Lynden, Magnetawan, Maple Valley and Badjeros, Mansfield, Meaford, Merriton, Midland, Molesworth, Moorfield, Napanee, Newburgh, Newcastle, Newtonville, Niagara, North Pelham, Odessa, Oncida, Orillia, Orono, Palmers-ton, Parkdale, Parry Sound, Penetanguishene, Pontypool, Port Colborne, Ravenna, Rosemont and Violet Hill, Rothsay, St. David's, Scarborough, Simcoe, Singhampton, Smithville, South

Cayuga, South Darlington, South Saltfleet, Stayner, Streetsville, Sundridge, Tamworth, Thornbury and Clarksburg. Thorold, Toronto Junction, Trowbridge, Tyrone, Victoria Harbour, Wainfleet, Walkerton, Walton, Waubaushene, Welland, Whitney, Wilton, Wolfe Island, Yarker, York, Wingham, Stromness, Selby.

Mr. Hassard has done splendid work for the Society, and has been well received wherever he has gone.

New Branches Formed During 1907.

Victoria Harbour, Bowling Green, Monticello, Dobbington, Hopeville, Carlisle, Gravenhurst, Windham Centre, Lakeport, Tupperville.

Retirement of R. E. Welsh, M.A., D.D.

We note with regret the retirement of the Rev. R. E. Welsh, M.A., D.D., the General Secretary of the Canadian Bible Society, after filling this position between two and three years, to accept the Chair of Apologetics and Church History in the Presbyterian College at Montreal. During the time that Dr. Welsh held the position of General Secretary he did splendid service in perfecting the work of gathering the scattered Bible Society's Auxiliaries of Canada and Newfoundland into one great federation. His kindness of manner, his patience, his tactfulness did much to remove all cause of friction between the different Auxiliaries. His ability as a preacher and writer gave him ready access to the pulpits of Canada, and enabled him to edit the "Bible and the World" with signal success. We deeply regret his retirement at this juncture in our history, and trust that he may be long spared to fill his present position.

Grants.

Grants of Scripture were made to the following :—Indian Schools, Hospitals, Jails, Sunday Schools, Mission Schools, British Welcome League, Bulgarian School, Greek School, Hotels, Lumber Camps, Steamboats, Aberdeen Association, Jewish Mission, City Mission, Houses of Refuge, Evangelistic Mission, Infants' Home, Deaconess' Homes, To the Blind, King Street Mission, Yonge Street Mission, East End Day Nursery. Women's Christian Temperance Union, Huntsville, Working Boys' Home, Christie-Brown's Factory, Cobalt Mining Camp, Reading Room, C.P.R. Vans and Reading Room Calgary, Central Prison, Colporteurs and individuals.

The following extract is one of the many that we have received from those to whom we have made free grants, and will show with what deep gratitude these Scriptures were received :—

Muncey Indian Reserve.

"Those Bibles were the most welcome thing imaginable.

We were offering a prize to those who came every Sunday to Sunday School through the year, and we were in a quandary to know what to do, for so many came. We wanted to get Bibles or Testaments, but where was the money to come from? and then the Bible is the text book from which they learn the English. Now, imagine our delight when those good, good books came in sight."

The Man with The Book.

Speaking of the advancement of the British Empire, one has said :—" Ever in the forefront of the fight has been, not the man with the gun—the soldier—nor the man with goods—the merchant—but " the man with the Book—the missionary." He has been the true pioneer, the pathfinder of Christian civilization, and no man has seen more service on the firing line than " the man with the Book," or, as the Germans call him the " Bible Messenger." He has been the John the Baptist that has prepared, by the circulation of the Bible, the way for the Missionary—the needle that has gone before the thread of organized effort. All through New Ontario, Alberta and British Columbia our colporteurs have gone, a band of humble, zealous and valiant soldiers of the Cross. They have carried with them the Sword of the Spirit, and their weapon was " not carnal, but mighty through God to the pulling down of the strongholds of Satan." All through the Cobalt silver camp, the Sudbury nickel camp, Atikokan iron camp, the Crow's Nest coal camp, railway construction camps, the lumber camps of Ontario and British Columbia, among the sailors, cattlemen, miners, lumbermen and farmers, they have unfurled the gospel banner, and wondrous are the tales they tell of its acceptance by those who would not have heard of it but through their means. We want to introduce to you " The man with the Book." He visits these isolated homes where seldom any minister comes ; he reads and prays where he has an opportunity, and offers his Bibles for sale. It is not by *once* offering them that he sells them, but he is often obliged to wait the result of repeated visits and conversations. He literally " casts bread upon the waters," hoping that according to God's promise it " may return after many days."

Thomas R. Turnbull has labored faithfully and well in the Provinces of Alberta and British Columbia, visiting the railway shops, lumber and mining camps, as well as the lonely shacks of the farmers and cattlemen scattered over the prairie and among the foothills of the Rockies. He has had a most trying field; but with wonderful persistency, tactfulness and geniality has won his way into the hearts of the people among whom he has labored. The following from his reports will give a pen picture of the kind of work our brother is doing :—

"On the arrival of the Italian Scriptures I arranged to visit the Italians at meal-hours and at night. I found most of them unable to read. One of them said how glad he would be if he could only read, telling me in his broken English—'No schools in Italy like Canada.' There is a good deal of infidelity amongst them. Some of the men show unfeigned dislike to anything religious, as illustrated by one case. A man spoke up with others in the room, saying he did not believe in these things; everyone could enjoy his own opinion. Would not accept a New Testament; once had these kind of books, but now had no interest in them. The sunny disposition peculiar to Italy was here and there seen, which to me was interesting. An Italian with a wheelbarrow of stones, whom I stopped, became quite interested in the New Testament, especially as it had the English—"Anglaise"—in parallel columns. His knowledge of English was very limited. His interrogation, "Catolic?" was met by "It is God's Book, all about "Gesu Christo"; was for everyone. He considered "Trenta Cinque" too much, but we struck a bargain for twenty-five cents, and I was able to dispose of seven Testaments among them; also disposed of eight Chinese Testaments among the Chinese. Foreign Scriptures scattered this month comprise:—Icelandic, Chinese, German, Ruthenian, and Arabic; also the Gospel of Mark in the Moon System for the blind was given away free. A man was very grateful for the latter, and our prayer is that he may be lead into the freedom of truth, and be enlightened with God's testimony in the power of the Spirit."

Rev. Martin Berg has labored in Alberta especially among the Danish, Norwegian, Swedish, German and French people. As he speaks the language of these people he has been well received by them, and has disposed of a large number of Bibles among them. He is selling many "Diglots"—Scriptures with the English and a foreign language in parallel columns—as these people are anxious to learn English, ministers and business men all over the country say that this is the strategic point of attack; to place their own tongue and the English side by side, and while they are learning the English at the same time they are acquiring a knowledge of the life, teaching and death of Jesus Christ. In this way they are fitted to make the best of citizens.

C. G. Stone has worked at Port Arthur, Fort William, along the line of the Canadian Pacific and the Canadian Northern Railways to the western boundary of the Province of Ontario, and in the construction camps of the Grand Trunk Pacific, among sailors, railroad men, miners, lumbermen and farmers. He has brought to this work an intense zeal, a ready wit, a willingness to endure hardship and great tactfulness in reach-

ing the cosmopolitan crowd among whom he has to labor. In many ways he reminds one of Uncle John Vassar or Thomas Bone, and no colporteur could be given more praise than to say that truthfully of him. I wish we had a score of such men to send to the newer portions of our country. The following extracts from his reports will show the character of his work :—

“The last month has been a very precious month to me. It has been real joy to be able to put the Word of God in the hands of a number of foreigners, and to see them greedily reading it. Nearly every day I go to meet the trains, and dispose of quite a number of Scriptures to foreign immigrants coming into the country. One morning I offered a big Frenchman a Book, but he said he could not read French, and asked me if I had one in English. So he bought a Bible for himself ; but as he shoved it into his pocket and went away he said there were more lies in it than there were in the newspaper, but he thought he would read it, and see if he could get any good out of it. May the entrance of God’s Word bring light to his dark heart. I have made several good sales to the Italians. I visit them at the noon hour as they are eating their lunches by the roadside, and I sold one day three Bibles and a Testament and some Gospels. Another night I went to the station and sold Testaments to two Italians, and next morning there were three others wanted to buy ; one of them came back next day and wanted another. The next day I went to a house and sold one, and three men came running down the street and wanted to buy two more.

“But it is not always so bright. Many of them get very angry with me, and I have some very warm arguments. One old lady closed the door in my face ; and was not satisfied with that, but when I went next door she came out and gave me a good tongue thrashing ; but of course it was in Italian, so it did not hurt. Another old lady hurried into the house, saying all kind of things against the Protestants, and shaking her fist in her little boy’s face, she dared him to have anything to do with the Protestants. One day at the train I saw some Finlanders, and going up to one I showed him my Finnish Bible. He bought one and showed it to a friend, and he bought another. The two left for the West on the train with New Testaments in their bags. I find in some respects the Polish people about the hardest to get to buy Bibles. However, one day I sold two of them copies of the Word of God, but the most of them refuse to buy because there are no pictures of the Virgin in our Bibles. I find scores of homes among these foreign people that are utterly destitute of the Word of God. It is a great joy to be able to leave a New Testament or a portion with them—better still where I can persuade them to buy.”

George A. Steele, one of the students of Victoria College, for the second time spent the five months of his vacation in colportage work in New Ontario. His field was Sault Ste. Marie and the vicinity. He sold a large number of Scriptures among the sailors, millmen and others. These are some extracts from his reports :—

“The most of my work has been in Sault Ste. Marie, Steelton and the immediate vicinity. Nearly all the time has been spent in house to house canvassing. My sales have been fairly good. I met one rather pathetic case—that of a woman whose husband left her last fall with six little girls to look after. There has been sickness in the family, one little girl dying not long ago ; another is sick with St. Vitus’ Dance, and is now under the treatment of the third doctor. The mother goes out washing and takes in washing for a living ; yet, she said she was not too poor to buy a Bible.

“Nearly all the French are Roman Catholics, and so are the Italians. As a rule, I call in every house, and the Catholics want to know whether I am selling the Protestant or Catholic Bibles. Some of them told me they are forbidden to read the Bible, but others say they are not. Yesterday I was in a house, and the young lady said she had bought a Testament, and one day the priest, when calling, saw it lying on the table. He took the lid off the stove, and told her to throw it in. Another young lady told me she could not understand why they were not wanted to read the Bible. She had read the greater part of our Bible, and said she enjoyed it and had found it very helpful.”

R. E. Jones, one of the students of the Toronto Bible Training School, did splendid work in the Cobalt District. The following will give an idea of what he had to contend with, and his success :—

“My work this month has been mostly around the town of Cobalt ; but even here there are some difficulties. The buildings being scattered, I have sometimes to climb over hills, logs and brush and leap creeks to get from house to house. There are few sidewalks. The people in general are friendly, especially the church people and Christians. During three weeks I have only met two or three people who were uncivil, and only once told to get away, and that after a sale. (The wife bought a Testament ; the husband swore, and told me to get). I have met people of nearly every nationality,—English, Scotch, Irish, Welsh, French, Chinese, German, Swiss, Swedish, Norwegian, Danish, Greek, Syrian, Austrians, Armenians, Dutch and Jews, and those of many peculiar religious beliefs *e.g.* Mormons, Hindus, disbelievers and infidels ; and also people in every occupation from newsboys to mayor. One who enjoyed

the sacred writings of India because they are profounder than the Bible ; another who is so taken up with Mormonism and business that he has no time for the Bible. But these experiences are counter-balanced when one walks into a lawyer's office, and finds a welcome and interest. When one finds a train crew, who, although hungry for bread, make time to appreciate the Scripture. When a Syrian peddler sees John 3: 16 in his own language, and says 'Those are nice words, lovely words,' his face all smiles ; and he is delighted to know that he can have a Bible here in Canada in his own language."

Again he writes :—"Looking over the work as a whole, including the encouraging and discouraging, the pleasant and unpleasant, I ought to thank God, and go on. The policeman, who mistook me for a peddler, and followed for about one and a half miles, when told the nature the of work, said 'Go ahead, and sell all you like.' Many Christian and unchristian people have also spoken kind and encouraging words, and also expressed their respect for the Society. But above all God's promise stands out in Isa. 55: 11. The Scriptures have been received by some (1) gladly, (2) some with much persuasion, and others (3) who wanted them, but did not wish to show any desire for them. In the first class I would mention the Syrian of last month, who (I have learned since), although he has only had his Bible about a month, has read it nearly all through ; staying home from pool-rooms and so on, and spending hours reading God's Word. Also two boys who have read their New Testaments half way through. These put many of us to shame by their love for the Bible. In the second class I mention a wealthy Roman Catholic, who made fun of me, and would not read the Bible—no time—when on another occasion challenged by an onlooker to be a sport, he bought a three cent New Testament, but in two weeks had read it nearly through, I have also learned that when Roman Catholics will not buy New Testaments or Bibles they will buy the Gospel of one of their *Saints*, namely, Mathew, Mark, Luke or John. In the third class I mention one who is an Armenian—a well learned man, a University graduate, speaks six or seven languages, was much taken up with the little book, 'Gospel in Many Tongues.' I got one for him, and succeeded also in selling him an Armenian Bible. He had never read the New Testament, and did not believe in Jesus. Now he reads the New Testament studiously, and has come to acknowledge Jesus as a great teacher or prophet. Glory !"

Daniel McKay is one of our oldest and most faithful col-porteurs. He has spent the summer on Manitoulin Island—Owing to it being a season of drought on the island this summer Mr. McKay went through a great deal of hardship and

suffering, but in spite of his own illness, the loss of his horse, and the bad times he succeeded in selling a goodly number of Bibles and New Testaments.

Early in the spring we received a request from Brantford to send them a colporteur to work among the foreigners in that city. We sent them Rev. R. Fairbairn, B.A., who works for us among the foreigners in Toronto. He reported a good meeting during his visit, and the request to send a permanent worker there ; so we sent Jacob M. Sampson, a young Jew, a graduate of the Toronto Bible Training School. He visited from house to house among the foreigners, conducted meetings in some half dozen languages, and sold Bibles where possible. He met with a great deal of opposition from the Roman Catholic priests and sisters, but the people on the whole received him very gladly. As a large portion of his work was teaching and preaching, we thought it would be better if this were carried on under the auspices of another organization, so when there was organized the Brantford Evangelistic Association to look after the work among the foreigners, we released Mr. Sampson from our service, and he is now laboring for them, and, according to reports, doing well.

George M. Atlas is an Egyptian brother, speaking some six languages or more, who worked for us for some four months among the foreigners in our city, and who also assisted in the Bible stand at the Exhibition. He did good work, and left our services to begin mission work among the Bulgarians and Macedonians, under the Presbyterian Church. He writes:—
“Two obstacles have I found in the way of inducing the Italians and Greeks to purchase Bibles : (1) The poison injected into their heads by the crafty priests, that all Bibles sold by protestants are corrupted and falsified. (2) The recent riot caused by an Italian Protestant Missionary, who, lacking both wisdom and tact, while preaching to a large audience of these fiery and emotional Italians, assailed the name of the Virgin Mary in a most shameful manner, and would have lost his life, but for the promptness of the police force. I sold an Italian and English Testament to a woman who begged me to send her an English lady to teach her the Bible in the English language.

“One of the most interesting instances was my arrival into an Italian boarding-house, where several young men were gathered around a table, and each ready to pay his share of the price of the-would-have-been-bought-beer for Sunday. I was met by them courteously, and having been informed by one of them of their preparations for a Sunday jubilee, I suggested a better plan, viz., to buy instead of the beer, a Holy Book, which would most fittingly suit the Holy Day. One of them protested by saying ‘We came to America to make money ; we

have enough religion at home.' I said 'You have enough beer and cognac in Italy, why do you buy it here, and spend the money you came to make on such foolish things?' He replied 'To busy my mind on Sunday.' Then I said, 'It will cost you \$1.00 to busy your mind for one day, while here I offer you a book for forty-five cents that will busy and ease your mind until you die, and save your soul for ever.' The result was the selling of four Bibles."

Rev. R. Fairbain, B.A., has done faithful work among the foreigners of our city in visiting from house to house and reading the Word of God. It is hard to tabulate his work; only the Great Day will reveal its full import, but we know that God has said, 'My Word shall not return unto me void,' and we leave the result in His hands.

Rev. Daniel C. Protich, a Russian brother, who for many years served as colporteur for the British and Foreign Bible Society in Egypt, while not on our staff, has sold Bibles for us among the foreigners, both in this city, Hamilton and other portions of Canada. He has been a most successful worker, and is slowly winning his way into the confidence and esteem of the ministers and the churches. Concerning his work in Hamilton recently he writes:—

"I know you will be interested in the work which has been done in this city among foreigners, sowing the good seed among all nations. My first visit to Hamilton was last May, when I sold Bibles in five different languages, but, at the same time there was a great demand for other Bibles which we did not have; therefore, I had to send an order to Europe to get them, and after three months we received them. Then I came to Hamilton for a week, but found out there was work which I could not do in that time. The preachers of this city were very glad to have me, and they also gave me the privilege of a pulpit in the Presbyterian, Congregational and Methodist Churches. Rev. John Young, who has been so much interested in my work, was very kind to me, and willing to help me in any way he could. During the two weeks I was able, by God's help, to sell over six hundred copies, worth over \$200, in twelve different languages; but what is that among six thousand foreigners? There is work for a man for a whole year; also a little place near to Hamilton, Blast Furnace, where there are over 500 Poles, Russians and Ruthenians. Till now, I was not able to do anything for them; there are also over one hundred and fifty families of Jews, but I have not yet had time to work among them, but the Hebrew books for Hamilton are at Toronto, worth over \$160, and as soon as I finish the work among the Slavic races, I hope to begin the work among the Jews.

"Why the foreigners do not buy the Bibles in the Bible

Depot is because they have a wrong idea about the Bible. They have been told in the Old Country the Protestant New Testament has no Lord's Prayer in it, and the words of mercy, (Beatitudes). My own experience :—A Hungarian woman said to me that she would like to have a Bible, but the Protestant Bible has not got the Ten Commandments. I asked her who told her that, and she said the Roman Catholic priest. Then I opened the Bible, and read to her the Ten Commandments, and she was surprised and bought a Bible. Many other little things I had to prove to them that the evils they hear about the Bible are not true. Especially in this city where there are no evening schools, and they have nothing to read. They like to have anything they can read in their own language. Well, the strangers are within our gates, and we have to treat them well. Pray for me that I may abound in the work of the Lord, and bring many souls to Christ."

Bible Woman.

During the year the Board has made an earnest effort to secure the services of an Italian Bible Woman to visit, sell Bibles and read the Scriptures in the homes of the Italians of this city ; but so far we have been unsuccessful in obtaining one. We are at present corresponding with Missionaries in Rome, and hope before long to be able to report such a woman at work.

Toronto Exhibition.

At the Annual Exhibition in this city we had a stand for our usual exhibit of Bibles and selling of Scriptures. Thousands of leaflets, telling of the work of the Society, were distributed, and some eight hundred and eleven Bibles, Testaments and portions in English and foreign languages were sold. A number of sales were made to Roman Catholics, who purchased the same with a joy and earnestness that manifested a deep pleasure in securing copies of the Word of God.

Free Grant to New British Columbia Auxiliary.

During the year we were asked to give over our branches in British Columbia to form a new B.C. Auxiliary. This we did, and at the same time, we made a free grant of all the Scriptures in the hands of the Depositories and colporteurs in British Columbia to the new auxiliary, with the exception of the stock in the hands of the Victoria Branch ; this stock to be included in the gift, if the branch in Victoria unites with the British Columbia Auxiliary ; if not, the stock there to be given to Victoria, when they form a new auxiliary for Vancouver Island. The whole gift amounts to \$1869.54.

Versions for Canada.

Seventy different versions of Scripture are required for Canada and are entered in the new "Canadian Price List." In addition to these, there are twenty-three Diglots or Parallel Versions (mainly portions). In sixteen of these English appears alongside Arabic, Chinese (Canton), Chinese (Mandarin), Danish, Dutch, French, German, Greek (Ancient), Hebrew, Italian, Norwegian, Persian, Ruthenian, Spanish, Swedish, and Welsh; and in the remaining seven Diglots the following appear in parallel pages—Arabic and French, Finn and Swedish, German and Bohemian, German and Ancient Greek, Hebrew and German, Slavonic and Bulgarian, Turkish and Italian. There are also versions for the Blind in the Braille and the Moon Systems.

It will be a matter of interest to know that, as the result of representations made by our Society, the Parent Society has agreed to produce certain other Parallel Versions which are very desirable for the foreigners in Canada. Portions in Ruthenian and English in parallel pages will be exceedingly useful. Such Diglots serve a double purpose; they help foreign settlers to learn the English language, while in the act he is learning more than he ever knew of the words of eternal life.

Branch Societies.

We are pleased to find that so many of our branches have made their returns promptly. We would impress upon every branch the fact that our financial year closes on the 31st of December, and we trust that an earnest effort will be made by our branches to have all returns in by that date in the future.

We gratefully acknowledge and sincerely thank the resident clergymen, faithful branch officers and collectors for kind services, and also our numerous contributors for continual liberal support.

A number of the branches held their Annual Meetings last year without the assistance of one of the Secretaries or an Agent. In this connection, the Directors of this Society would repeat the recommendation that the resident pastors and officials of many more of the branch societies should unite on a Sabbath afternoon or evening, once a year, with their congregations and choirs, and hold Union Meetings in the different churches, alternately, in advocacy of the circulation of the Scriptures in all languages, in every land, and the claims of the Bible Society for help in the prosecution of this great world-wide work. This plan has been adopted in several places with most satisfactory results, and is earnestly recommended by the Directors of this Society. It is not possible for the Secretaries to visit annually all the branches, and we sincerely hope that as

many as can will arrange to provide for their own Annual Meeting. A card to the Rev. Jesse Gibson, Secretary, 102 Yonge Street, Toronto, before the 1st. of August, stating such intentions on the part of the officers of any branch, will be thankfully received, and attended to, and no Secretary or Agent will then be sent. In the past several of the Annual Meetings have been held and the collections made in the last three months of the year. The Board are very desirous that the Annual Meetings of the branches should be spread over the whole year, so that the services of the Secretaries may be available for as many of these meetings as possible. If some of our branches are asked to change the time of their Annual Meeting, they will understand from this the reason.

We have had great difficulty in getting answers from the officers of the branches to communications sent from this office. An early answer, if only a post card, to any communication sent, will greatly aid the Secretaries in arranging their work.

Bible Sunday.

We wish to express our thanks to the ministers of all denominations who have observed a Bible Sunday during the year, on which they have presented to their people the world-wide work of the Society, and to urge upon all ministers the observance of such a day in the future. We feel that we have a right to ask this, as all the churches get their Scriptures for their missionary work from our Society. We will be glad to furnish information to any minister wishing to prepare such a sermon.

Havergal College.

The following from "The Bible in the World" will give an account of the splendid work done by the students of Havergal College. Are there not other Colleges in Canada, who, for the sake of the millions for whom there is not a single copy of God's Word in existence, would like to follow the example of Havergal College? If so, if they will drop a card to the Secretary, Rev. Jesse Gibson, 102 Yonge St., full information will be sent regarding collecting cards and boxes.

Havergal Ladies' College, Toronto, under the inspiring influence of Miss Knox, as Principal, has done nobly for the Bible Society. A Garden Meeting was held on June 3rd, on the College lawn, when there were about 150 of the scholars present, and only those who had acted among their acquaintances as collectors for the Society, were invited and permitted to attend. They had collected \$250, and the cheque was handed to the chairman of the meeting, Canon Cody, and by him handed to the General Secretary of the Canadian Bible Society, Rev. Dr.

Welsh. Both of these gentlemen in their addresses spoke of the splendid results of the efforts made by the Havergal girls, and of the warm interest Miss Knox had always taken in the Bible Society. The Rev. A. Logan Geggie, and Rev. F. Wilkinson, also spoke, and afterwards light refreshments were dispensed. A Birthday Party is given annually to the young friends of the Society in Mansion House, London, England, when a cake is divided among those present. A portion of that birthday cake had been sent out to Havergal College, and all the scholars and friends present had a share of it. This thoughtful act of the Parent Society was much appreciated.

Work of the British and Foreign Bible Society.

During the past year the Society's total issue of Bibles, New Testaments, and portions was 5,416,569.

The total issues by the Society since its foundation have been 203,931,768 copies of the Holy Scriptures, complete or in parts. Of these more than eighty millions have been in English.

When we consider the bewildering confusion of tongues, it appears wonderful that the Bible Society's list of versions now includes the names of 409 distinct forms of speech. The Society has helped to provide the complete Bible in 103 different languages; the complete New Testament in 98 more languages; and at least one book of Scripture in 208 languages besides.

During the past year eight new names have been added to this catalogue of tongues which are thus subdued to the service of the Gospel.

Distribution.

Looking out accross the wide spaces of the Mission field, where three-fourths of the Society's books find readers, our eyes first travel Eastwards towards the sunrise.

In China.

It is just a century since Robert Morrison, the pioneer Protestant missionary in China, landed at Canton. Seventeen years later, in 1824, Morrison was one of the speakers at the Society's Anniversary in Freemason's Hall, when he presented to the Chairman, Lord Teignmouth, a copy of the Chinese Bible, translated by himself and Dr. Milne—towards producing which our Society contributed in all the sum of £10,000. During the year Morrison's successors in China, who are counted

by thousands, sent their delegates to meet in Conference at Shanghai, where our Society was worthily represented by one of its Secretaries, and where questions of the highest moment were discussed as to the revision and distribution of the Bible in China. No statesman, no philanthropist, can watch without emotion the changes which are transforming the vast fabric of tradition and custom in that most ancient, most populous, of empires. Concerning Christian progress, two facts may stand side by side. In China, since 1860, nearly three hundred foreign missionaries have suffered martyrdom. In China last year, for the third year in succession, our Society has sold more than a million copies of Scripture.

In India.

We rejoice to register the steady growth which has resulted in another record total of 693,000 books, distributed last year by our great Indian Auxiliaries.

In the Russian Empire

Amid so much disturbance and distress in Russia, our circulation was 10,000 above the half million books distributed in the previous year. And in Siberia the sales have reached a record figure ; thousands of Testaments were bought at railway stations by soldiers on their way home from the Far East, many of whom were proud to exhibit the Russian Gospels which had been presented to them on their journey out to the seat of war or while prisoners in Japan.

In Japan itself, our sales by colportage last year more than doubled. From all the great divisions of South America—from Brazil and Argentina and the Republics of the Andes—our Agents report a cheering growth in circulation.

Colportage.

Up and down the world nearly 900 of the Society's way-faring Bible-sellers are busy all the year round. Wherever men make their homes the colporteur carries his wallet of cheap little Gospels and Testaments—to cottage and chalet and cabin and bungalow, the settlers' log-huts in the back-woods and the fo'c's'les of ships in harbour and the tents of nomads on the steppe. By this means he places the message of God's redeeming Love in the hands of scattered multitudes living destitute of any means of grace and ungladdened by any hope of glory. Last year our staff of colporteurs sold 2,200,000 copies of Scripture, and cost the Society about £42,000.

The Price of the Book.

' People seldom will read a book which is given them,' said Dr. Samuel Johnson ; ' the way to spread a work is to sell

it at a low price. No man will send and buy a thing which costs even sixpence without an intention to read it.' The Bible Society acts on this policy of common-sense. As a rule, it sells the Scriptures. The bulk of its books are cheap editions, and their prices are fixed in each country, not by what the edition costs to produce, but by what the poorest class of laborers in that country can afford to pay. Thus, for example, a New Testament in any Indian language is sold for 4d., though it costs on an average 8d. to produce. In China a Bible which costs about 2s. is sold for 6d. Out of what the Society expends in preparing and distributing the Scriptures only about 40 per cent. comes back to it as returns from sales.

For those in Need.

In cases of special need or calamity the Scriptures are freely given away. Last year thousands of Gospels were thus distributed among the sufferers after the earthquake at Valparaiso and after the eruption of Vesuvius. The earthquake at Kingston left nearly every Sunday school in that city destitute of the Scriptures; to replace the books thus destroyed, the Committee provided Bibles and Testaments *gratis* for all local Sunday schools needing such help.

The Biblewomen.

Last year the Society supported 640 native Christian Biblewomen, employed in connection with about forty different missionary organizations in the East. It also helped to maintain nearly 100 European Biblewomen in the West, most of them working in the back streets of London.

Hindrances.

The Bible Society's work has hindrances and perils of its own.

It is difficult to realize that no copy of the New Testament in modern Greek has been allowed to enter Greece for the last five years, and that in some of the central provinces of Austria it is still a penal offence to sell Bibles in the open streets. It is less surprising that the Shah's Government strictly prohibits the importation of any Persian copies of the Scriptures into Persia. In the last consignment of Bibles received at Bagdad all the maps had been torn out in which the name Armenia occurred; the dragoman of the British Consulate explained that the name of Armenia on a map is forbidden in Turkey.

During a night march in Annam, coolies carried flaring torches before and behind our Sub-agent "to keep off the tigers." But wild beasts are not the only danger the colporteur may encounter. In many countries the forces of superstition and irreligion are alike hostile to the Scriptures. Fanatical

priests and scornful atheists both violently oppose the reading of the New Testament. One Bible-seller is driven out of a Syrian village with pitchforks as a "Lutheran devil"; another, in Russian Poland, is beaten and all his books torn to pieces; another is pelted in the Island of Mitylene; another is assaulted in Portugal; another is arrested in Peru; another is beaten by Moslems in Egypt; another, in Persia, is robbed of everything he possesses:

The Centenary Fund.

With the deepest thankfulness we record the success of the Centenary Fund. The total sum aimed at, 250,000 guineas, has now been paid in, while the interest on earlier instalments more than covered the whole cost of the Centenary celebrations.

The TOTAL NET RECEIPTS of the Society during the year 1906-1907 amounted to £234,725, and the total expenditure £222,085 leaving a net surplus of £12,640.

With devout thanksgiving we report this welcome break in the dreary deficits (amounting altogether to £119,000) which for eight years in succession have hampered the Society. Yet the present surplus of £12,640 is simply due to two items impossible to predict—nearly £9,000 extra in legacies, and £3,000 extra in Colonial contributions. The Committee therefore, plead most earnestly for a steady permanent rise in the normal income from Auxiliaries. Apart from this, deficits will infallibly recur, and vitally essential work must inevitably be crippled.

Fairy Gold.

In closing, let me retell an Irish fairy tale :

"In the old times, there was a half-witted piper living at Dunmore, in the County Galway. One midsummer night as he was on his way home from a wedding, the fairies met him, and carried him off to the house of the Banshee, on top of Croagh Patrie, where they had made a great feast. So the piper played for them to dance until they were all weary; and then each fairy gave him a gold piece, and sent him home to his mother. But in the morning, when his mother went to look at the gold coins, there was nothing left except a handful of leaves."

According to the Celtic legend, a man who brings home gold from fairy-land will be sure to find his gold turned into leaves. It is the function of the Bible Society to take the gifts entrusted to its keeping—gold, silver, or copper—and to transmute these coins into Leaves of the Tree for the healing of the nations.

Jesus said, "Make to yourselves friends by means of the

mammon of unrighteousness, that when it shall fail they may receive you into the eternal tabernacles." (Luke 16: 9. Revised Version). That is to say, exchange your money into the kind of coin that is current in the Kingdom of God. Exchange your gold into good deeds. That is the sort of coin current in Heaven. There is an old story of a wealthy man who died, and one of his old servants was asked, "How much money did he leave?" And he simply, but wisely, said, "He left it all; he did not take a copper along." In other words, the savings of a life time were simply "fairly gold." How much wiser Jesse Ketchum, who not only did good with his money in his life time, but left large sums invested for the purpose of putting Bibles and good books in the hands of the Public and Sunday School children of Toronto and Buffalo. The good which he did was not interred with his bones, but "he, being dead, yet speaketh." Are there not others who will follow his example?

In this day of the "Laymen's Movement," which means a call from God to "Go forward" and take possession of the earth for Christ, when every advance in Christian Missions is creating a new and imperious claim upon this Society, which has to provide Bibles for the Missions of every Church, are there not others, who living and dying, will so exercise their stewardship that they may aid in ushering in that gladsome day so long foretold by the prophet, when "the knowledge of the Lord shall cover the earth as the waters cover the deep," and

"Jesus shall reign where'er the sun
Doth his successive journeys run.
His Kingdom stretch from shore to shore,
Till moons shall wax and wane no more?"

During 1907 the Society issued 15,281 Bibles, 9,870 Testaments, and 8,181 portions, total issues, 33,332. Included in above were foreign languages as follows, viz:—Arabic 67, Armenian 30, Bohemian 227, Bulgarian 103, Chinese 457, Cree 16, Croatia-Servian 428, Danish 29, Dutch 12, Estonian 1, Finnish 69, French 745, Gaelic 14, German 887, Greek 180, Hebrew 432, Hungarian 260, Icelandic 10, Irish 3, Italian 1,177, Japanese 80, Latin 9, Lettish 2, Norwegian 141, Ojibway 29, Polish 334, Roumanian 58, Russian 250, Ruthenian 413, Slovak 4, Slavonic 16, Sloven 81, Spanish 31, Swedish 205, Syriac 13, Turki 6, Welsh 27, Yiddish 112. Total issues since Society started, 2,033,804.

SIXTY-EIGHTH ANNUAL MEETING

OF THE

UPPER CANADA BIBLE SOCIETY

The Sixty-Eighth Annual Meeting of the Upper Canada Bible Society was held in the Association Hall, Toronto, on the evening of January 21st, 1908. The President, Dr. Hoyles, occupied the chair. He was supported on the platform by the following Officers and Directors of the Society: Vice-Presidents, His Honor Sir Wm. Mortimer Clark, K.C., LL.D., Lieutenant-Governor of Ontario; Rev. Wm. MacLaren, D.D., LL.D., Principal Knox College; Most Rev. A. Sweatman, D.D., Archbishop of Toronto; Walter B. Geikie, Esq., M.D., D.C.L.; Rev. A. Carman, D.D., General Superintendent Methodist Church of Canada; Rev. T. R. O'Meara, LL.D., Principal Wycliffe College; Rev. Bernard Bryan; Rev. A. B. Chambers, D.D.; J. G. Scott, Esq., K.C.; Rev. H. M. Parsons, D.D.; R. A. Falconer, B.A., LL.D., President Toronto University; John Harvie, Esq.; George Keith, Esq.; C. R. Cooper, Esq., R. W. Doan, Esq.; treasurer, Elias Rogers, Esq.; honorary Secretary, W. J. Robertson, Esq.; Secretary, Rev. Jesse Gibson, 102 Yonge Street; directors, Revs. A. Macgillivray, L. W. Hill, B.A., F. J. Lynch, James Murray, B.D., R. C. Tibb, B.A., E. N. Baker, D.D., R. A. Sims, R. M. Millman, Fred. Wilkinson, E. D. Silcox, J. J. Mills, LL.D., E. Cockburn, M.A., R. J. Fallis, W. J. Scott, J. D. Fitzpatrick, S. W. Fallis, T. B. Hyde; and Messrs. A. T. Crombie, Allen M. Denovan, W. D. Thomas, John Adams, Herbert Robins, A. Nelson Burns, Charles G. Fraser, John A. Kent, Clarkson W. James, W. F. Chapman, James M. Sinclair and Sir John Boyd, K.C.M.G., the Hon. Thomas Crawford, and many leading ministers and business men of the city.

In spite of the stormy night, the hall was well filled by representative citizens and church people. It was one of the largest and most enthusiastic meetings that the society has held in years. Some two hundred and fifty students and teachers from Havergal College were present.

The singing of the grand old hymns was most hearty and wor-

shipful. The Archbishop of Toronto read the Scripture lesson, and the Rev. Dr. Carman, led in prayer.

The following resolution was moved by Dr. Chambers, and seconded by Dr. Geikie.

"Resolved that the Society's Report, just presented, with that of the Treasurer, be adopted and published with that of the Canadian Bible Society, and an Abstract of the Parent Society's Report, and that the following constitute the Officers and Directors for the ensuing year."

Dr. Chambers, making the motion, said:

"I have very great pleasure in rising to move the resolution which has been made, and expressing the great honor I feel conferred upon myself, in having any place in such a meeting as this, and in connection with so good a cause.

"I desire first to congratulate you on the large attendance we have with us to-night, notwithstanding the unfavorable condition prevailing outside. I may tell you, dear friends, that it has been in the heart of the President for years to increase the interest, and augment the numbers, in connection with our annual meeting. I am sure he is succeeding. It may be partly due to his influence that for several years past we have been honored by the presence of numbers of the staff and students from the Havergal College."

Dr. Chambers then alluded to the bereavements during the year, and how we missed Rev. Dr. Potts, and Jno. Aitken.

Referring to finances, he said:

"Notwithstanding the stringency of the past months, and notwithstanding the fact that the bequests have been about \$1,000, less during the year than the previous year, you will be glad to know that our finances show an advance of over \$1,000 beyond the preceding year. I think this shows an increasing interest in our work."

Dr. Chambers then spoke of the splendid work which Havergal College teachers and students had done, under the able leadership of Miss Knox, having contributed some \$250 towards the work of the Society, during the year.

He also alluded to the work accomplished by the Colporteurs, and the gratuities made by the Society to goals, hospitals, etc., and closed with moving the adoption of the report.

Dr. Geikie, in rising to second the motion, said:

"I have no intention, as there are so many speakers, to inflict any speech on you whatever. I have been deeply in love with this Society for fifty-five years, and if, as cannot happen, I should be spared other fifty-five years, I should continue to be deeper and deeper in love with it, when the last of those years had come to a close.

"I consider this the Queen of Societies, because it is her business

to send the God-sent Word of God everywhere, without which no Christian Society could fight for God in this world.

"I have great pleasure in seconding this motion."

President Falconer, LL.D., was then called upon to address the meeting, his subject being "The Bible and the British and Foreign Bible Society."

"It is an honor for anyone to be asked to speak at the annual meeting of the Upper Canada Bible Society, because, although the British nation has many things in which to glory, there are few, I think, in which its right will be less challenged than in the possession of this Society, now more than a century old.

"You know that there has often been brought against the British nation the charge of perfidy, that under the mask of benefaction to subject races, it is only seeking to aggrandize itself, by pushing out further and further into the recently discovered lands, of the world. We who are Britons, naturally discount these criticisms, which are levelled against our nation, although possibly at times it may be difficult for us to carry our conviction to the hearts of those who maintain the opposite. But such a Society as this, I think must be almost of itself a proof that the British nation, in its support, has at least furnished an ideal which must have in it very little selfish aim or purpose. Surely it is the hall-mark of a nation's nobility, to give service to the weak, to bring illumination to those who are in darkness, and to send healing to those who are in distress; and the sending of this Word, bringing light, as it does, to darkened minds, bringing healing to the hearts which have been broken, and sending far and wide the joy which came into the world from the dawn of God's Word;—surely a Society which has that as its aim, must be regarded as a benefactor to the world, absolutely. It is with no commercial intent that it was organized, and it has constantly been substantially supported by the good will of the Colonies who desire to spread abroad the moral strength in which they glory.

"The purpose of this Society is to make known to the ends of the world,—to every man—the Bible, without note or comment, at the cheapest possible cost; and this great aim constantly held up before the Society has, I think, been a proof that this is something in which all of those who call themselves Christians can unite.

"Here is the Word of God: Not a British book, and yet sent abroad, through this Society, by British people, not to their own subject races, but rather to those who need their guidance and direction. Not sent merely to the colonies, nor to people in more or less remote contact with the British nation itself, but sent far and wide, wherever there is a new language into which the Word may be translated; wherever there is somewhere beneath the shadow of darkness, which rests heavily; wherever God's message has not gone. The fact that

it is not a British book—the fact that it is not sent abroad to carry British ideals, and advices, is a proof that the Society is most disinterested. We think of the English people. We know that the translation was made, not first in 1610, but begun away back with King Alfred, and in various degrees has continued from then down to the present time, and I am sure is by no means yet finished. We know that this constantly improving translation from the beginning has deepened the character of the British people. But the Bible is not a British book. It comes to us from a far distant land, and one reason of its great success is that it cannot be bound up to-day with any one nation. It is Semitic in its origin.

“This Bible, as it is sent, through the aid of the British and Foreign Bible Society, carries with it a freedom from the encumbrance which always goes with the missionary:—the encumbrance of the personal equation. He must always dispel some prejudice on account of being a foreigner. But a book sent in to a people in their own tongue, not in a foreign language; a book, making its way silently through the crannies and corners of the villages, and the distant parts of the land, comes without the difficulty which a missionary has to face. It comes and stands by itself, and as it is read and understood, men begin to grasp that its meaning is something far beyond any national interpretation, and that its real heart is something which cannot be exhausted by any one people.

“So the founders of the British and Foreign Bible Society, by an insight which really amounted to genius, have laid the foundations for understanding the truth of religion, as we believe, in its highest quality. They have by this insight, laid the foundations for understanding the Christian religion, by simply translating the Book into the language of other people, without any note or comment, so that wherever a man may read his own tongue, he may be at liberty to open this book, and interpret it for himself. That was an insight which most of us would say was due to the influence of God’s own Spirit. That has been at the base of the success, I believe, of this great mission; for at home, whenever we begin to interpret, we disagree to a very great extent. Everyone has the right to think for himself, and we all believe, I suppose, that our thinking is more correct than that of our neighbor, we should not hold so firmly to our own opinions. There are all kinds of opinions gathered from this Bible, and I am certain that we should not all agree, if we started on the basis of interpretation. Some hold to one theory, some to another. We cannot expect, for some time to come, to agree in matters of interpretation, but we do agree in this: That the Bible is the one Book of Christendom; the one great Book in which we find the perfect message of what God’s character is, and of what man’s duty is toward God.

"The Bible stands out permanent, eternal, I believe, as long as our human race lasts. It is the one book which shows us how, through a people, and culminating in a Person, God made himself known to us, so that all that human nature can desire to know and grasp of the Divine is made plain to those who desire to learn. On the other hand, there is set before us what man is, toward himself, toward his neighbors, and toward God. These things are shown very plainly in the Scriptures, which will remain as the great source of religious illumination of the world.

"As we go on in our study of the Bible, we come to recognize that it stands beyond other books, because of its inherent worth. We do not need for a moment to worry ourselves in comparing it with books of other nations. Some people often get very much wrought up over a comparison which is made of other religions with Christianity. We are concerned that our own religion stands far and away above all others. I believe there is light in the heathen mind, and in the books of other nations. I could not believe the gospel of John, unless I believed that. It gives me very little concern to compare other religions with Christianity, from that point of view. I think we need not get into controversy. What we do need to understand more and more, is the meaning of our own religion. What we do require to know is the Bible itself, and I am afraid that in our Anglo-Saxon countries, the real meaning of the Bible is very often hidden, and its knowledge is possibly departing somewhat from the minds of our people. We should come nearer home, often, than we do; we should drop controversy a little more, and get down to solid, careful study, in order to understand what the message of this book is, in order that the message of this Book may be realized more and more by our people. For as one looks abroad, one is conscious of this: Not that other religions may come in and conquer Christianity, but that other nations which have these religions, may so muster themselves in their strength that as they advance against the nations which call themselves Christians, these nations into whose keeping this Book has been committed, may find themselves, possibly, after a length of years, in such a deadly conflict that for a time it may be doubtful on which side the success may eventually lie. One cannot but feel that there are struggles in our own home land, and struggles on the borders of our own land, and in other lands, imminent, and possibly becoming more and more imminent, which may only be averted when the true principles of our religion, as it is set forth in this Book, have so entered the minds, not of our nation, but of all nations, that they shall forget their antagonism, forget their deadly strife, forget their inhuman wars, and band together for the benefit of man, and thereby for the glory of God. It is only, I believe, in this that there is real protection

against the dangers which threaten us at home and abroad. What does that involve. That we in Canada have to understand the heart of this book. We have to forget for a while our controversies; the lesser things in which we differ, and get down to the moral, the spiritual meaning of the book; not to waste our time on the surface theories, but to get to the heart of it, where character is made, where nations are born. We shall not do that by playing at the surface; we shall only do that when we understand its purpose which is made known to the heart which desires to understand; to the spirit which seeks to know; to the sincere soul, which, when it learns, puts into action what it does learn, realizing that only as we do what we know, do we really know. As a people, we have to learn that, At home, therefore, let us, in spreading this Bible, not carry it as a fetish, but carry it as a Book which has life in it, which will make people new.

"It is not a national book, not an English book, not a British book, but greater than a book which belongs to any nation, for as it comes to the nations, and they enter into its spirit, they understand it, and get new light thrown upon it, and it becomes their Book, just as it has become our Book.

"The hope of the future is, not that we shall go to other people and impress upon them our theories of things, our interpretations, our controversies, but the hope of the future is that our people going to them with this book, telling them of what we have discovered in it, may tell them 'open for yourselves; read it for yourselves, understand it in your own tongue, and your prophets will arise; those will come up in your midst, who will understand you as we never can.' So shall the thought of St. Paul in Ephesians be realized, that as from a multitude of facets, there will gleam forth to the world hidden truth, like light shining through prisms, each nation having its own shade and colours of light, and the whole blending together to form a perfect light. This can only be when every feature and character of the humanity which God has created, comes to its purpose and understands its divine destiny. That, I think, is great future which lies before this Book. A future which lifts us away above ourselves, and a future in which all mankind shall have risen to a higher plane; when we shall have forgotten the things of strife, and the things which divide us now; when shallow trifling problems shall have been obliterated; when the things which trouble us at home shall have been eliminated; when these shall have passed away, like a dream which we desire to forget in the morning, after a dark night. That future I believe will some day come, and yet, perhaps, never on this earth. It may be in another sphere. Here perchance, there will always be struggling. Possibly that is the means of human growth. Certainly, until our nature has been in some way renovated,

we can hardly expect to escape from struggle. But can we not believe that even here the bitterness will be less bitter, that men will draw more closely together and understand one another better? The golden age of Christianity is not the past, as that of so many other nations has been, but in the future, when we are sure that the promises which have been given out in the past, will be fulfilled, with a fullness that has not entered the heart of man to conceive."

At the conclusion of Principal Falconer's address, the hymn "O Word of God Incarnate" was sung, during the singing of which a collection was taken up. Dr. Hoyles then read a letter from the Honorable Premier J. P. Whitney, in which he expressed his regret that he had overlooked his promise to be at the meeting, and had made another engagement. He took all the blame upon himself, and wished the Bible Society every success in its work.

Dr. Hoyles then called upon the Secretary, Rev. Jesse Gibson, to speak in reference to the work of the Bible Society among the foreigners in Canada.

In rising, Mr. Gibson said:

"There is a saying in the old book 'What shall he do, that comes after the King?' It is my lot to-night to try to fill in the position of one who stands as the representative of the King, in this country, the Premier of the Province.

"I have only a few moments, but I want to tell you a few things which I think will interest you, in connection with our own country. I am not an alarmist; I am not a pessimist. I believe the future for Canada is as bright as the promises of God. I believe that we are building up on Canada's shores a great nation; but I believe that we are in serious danger at this time, if the Christians in this country and the lovers of their country, do not realize the crucial position in which we are placed. We are suffering from a peaceful invasion of foreigners. In 1905 about 192,000 immigrants entered Canada, and we were asked to provide the Bible in some forty-five different languages. In 1906 about 216,000 came in, and we were asked to provide the Bible in some sixty different languages. During the last year there have come to our shores about three hundred thousand; nearly a thousand a day, for every working day in the year, and to-day we are asked to provide the Bible in seventy different languages. When 1907 closed, about one person in every twenty had come to to the Dominion of Canada from a foreign shore. It may surprise you to find that we have here in the city of Toronto over thirty-five thousand foreigners. There are about twelve or fifteen thousand Jews, about six to seven thousand Italians, besides various other nationalities, making the total about thirty-five thousand foreigners speaking forty different languages, right here in the city of Toronto.

"As you have heard from Dr. Chambers to-night, we are

asked to supply the Bible to-day in Canada in seventy different languages. In the beginning of the year, when we got out our literature, we were asked to supply it in sixty languages; to-day we are asked for seventy. All over Canada to-day these immigrants are settling. In many places they are settling in colonies, so that we have little 'Polands,' little 'Italies,' little 'Finlands,' little 'Denmarks,' little 'Norways,' etc., scattered all over our Western plains; sometimes in ten thousand lots, sometimes in thirty thousand and yet these people are there, *en masse*; in one great lump; and these people come, with their foreign ideas, their different conceptions of life to what we have, different conceptions of the family life, different conceptions of the religious life, different conceptions of the sacredness of the Sabbath, and they have a tendency to drag us down, and foreignize us, if we do not Canadianize, Christianize, assimilate and lift them up. If they continue to come at the rate of three hundred thousand per year, in a very short time the foreign speaking population of Canada will greatly outnumber the Anglo-Saxon portion of our community. Now is our opportunity. If we wish to reach these people, we should reach them when they are in a plastic mouldable, condition, in their new surroundings. Then they are willing to receive the Bible, from those who come to them with the glad hand of welcome.

"It has been my privilege to speak to the business men and ministers, and the Premier of the Province of Alberta, and they all say this:

"This polyglot population are not anxious, a great number of them, for religion. The men say that they are sick of the way the priests have been ruling them in the past. They have come to this country to get a living. I suppose out of the three hundred thousand who came last year, over seventy-five thousand of them have never had the privilege of reading a copy of the Word of God, and we are being asked to supply these people with editions with the English in one column, and the foreign in another. These people are anxious to learn English, and while they are acquiring a knowledge of the English language, they are at the same time reading the story of the birth, life and death of Jesus Christ; and you know that the entrance of God's Word bringeth light. We see this in the story of the Fiji Islanders. When the Wesleyan missionaries went there, cannibalism abounded on right and left. The first missionaries went down under the knives of cannibals whom they came to save. At the end of fifty years of missionary labor idolatry was abolished, and cannibalism was done away with. Instead of the beating of the tom-toms, you could hear the church bell ringing; instead of gathering around the cannibal feast, they gathered in family worship and around the Lord's table.

"Some years ago I had an interview with Dr. Paton, who has gone home. I heard him tell of the conditions of the New Hebrides when he went there. Idolatry and cannibalism prevailed in many parts of these islands, but he lived to see it abolished, through the enlightening influence of the Word of God, and the Christ therein revealed.

"Now, we just want to carry to these foreigners who are coming here, who are not anxious for religion, but are anxious to acquire a knowledge of the English language, this message; and we see that while they are acquiring the English language, they are also acquiring a knowledge of the life and teaching and death of Jesus Christ. In this way we fit them to become good citizens.

"We have already sixteen of these Diglots. Six others are in course of preparation, and we hope next year to have from twenty-two to twenty-four of these, for circulation among the foreigners who are coming to our shore.

"Last year was the banner year in connection with colportage work. God has sent us some grand men, speaking several languages, who are going out among these foreigners, in this city, Hamilton, Brantford, and in the North West, carrying the Word of God in seventy different languages, and we come to you, and we ask you, as we give an account of our stewardship for the millions for whom there is not a copy of the Word of God, to help us in this work. We appeal to you, as fellow Christians and Canadians wanting to build a great and good nation here on Canada's shore, to help us in doing this work, by putting into the hands of every man woman and child in this country, a copy of the Word of God, that he may read it in his own tongue."

The following resolution was moved by His Honor, Sir William Mortimer Clark:

"Be it resolved, that we gratefully acknowledge the good hand of our God in bringing into existence the British and Foreign Bible Society, and the wonderful work that it has accomplished since its inception in publishing 204,000,000 copies of the Bible, in whole or in part, in 409 different languages, also that we devoutly recognize His hand in the work of the Upper Canada Bible Society during the sixty-eight years of its existence, and especially the strenuous efforts which it is making to put the Bible in the hands of the 300,000 immigrants that came to our shores last year; and we pledge ourselves to do all in our power to make the world-wide work of the Bible Society a success."

In rising to move the resolution, His Honor said:

"My friend, Mr. Hoyles, called upon me some time ago, and asked me to be present at this meeting. I very gladly consented to come here, as he told me that I would only be asked to say a few words at the close of the meeting. When I came here, I found a resolution put into my hands which I had never seen before. I did

not know what I was called upon to speak about; I might venture to suggest to my friend Mr. Hoyles, that it might be desirable to put into the hands of the speaker, a copy of the resolution he is asked to move. It is hardly fair to myself, or to the audience that a man should be asked to speak upon a subject, without knowing beforehand what it is going to be.

"I may venture to say, ladies and gentlemen, that I think it is only right and proper that all who are connected with the Government should associate themselves with this Society, because, as a matter of fact, the whole of this great Empire rests upon the principles contained in the Holy Scriptures. No Government could exist for one day which did not recognize the Scriptures as the foundation stone upon which this structure of the Empire rests. It is a remarkable fact, which I would like you to think of; that no Government could dare introduce into the Legislation of any Province, or of any part of this Empire, any statute which is contrary to the Word of God. No Government could remain in power, if it did so. It is a fact which we ought all to be thankful for, and I hope that every Government which we may have in this country, for all time to come, will recognize that great fact more and more. I have no doubt that my friend, Mr. Whitney, who was to have spoken here to-night, would fully recognize this. Therefore, I think it is only right and becoming that everyone connected with the administration of Government throughout this Empire, should associate himself, in sympathy at least, with the Bible Society, and in its beneficent efforts for the welfare of mankind, for it deserves well of the state. We may enact good laws, but we need behind the Statute Book a religiously instructed people to see that these laws are enforced.

"The Word of God seems to me to stand out from the literature of this world in a way which is perfectly astounding. It stands as a great rock; as a very mountain, in the passing literature of the day in which we live, and of all time. When you look back, those who were at all familiar with the literature of past ages, you cannot fail to see how great is the difference between the literature contained in the Old and New Testaments, and the literature of this world. Most of that literature has passed away into oblivion. A few great outstanding literary works remain, and even they are but little read. Take the literature of the past and of to-day; where is it in comparison with the permanence of the Word of God? It stands forth continuously. It is indeed the immovable rock of Holy Scriptures, standing in the sea of changing human literature. The Bible is entirely different from any other book in its effect on the human heart, and I think that a man's love for the Scriptures measures his love for God himself. It is a pretty sure test of a man's Christianity to know in what light he regards the Scriptures. This volume of

sacred literature consists of a number of writings, dating from periods far apart from each other, but I do not like to look upon them only as consisting of a number of books. I regard these books as forming one united book. It is impossible to separate them one from the other; they are so co-related together; they are so intermingled; they so throw light one upon the other, that it is impossible to make any division in these records of the revelation of the plans or redemption. The Book is an entity; an unity; something standing by itself, as it certainly does in the world.

"We hear a great deal to-day about the Word of God being a literary production. Certainly it is, and I think that any man or woman who has any culture, will recognize the great beauty of the style and language of the Scriptures. We all know what effect, even from that point of view, the Scriptures have upon common people; and upon those homes and houses where the Scriptures are read. There is a refinement of manner, and a certain culture which does not seem to be given by any other book. But I do not like to regard, or even speak of this Book in that light. I would rather speak of the Bible as containing the oracles of God, and call all Christian people to regard the Scriptures of the Old and New Testament as being the only infallible rule of faith and practice.

"When we look at what this Bible has done for mankind, we see that its influence continues absolutely permanent; and that there is no comparison between it and any other book.

"I heartily agree with what my friend Falconer says about studies regarding comparative religions. I have always thought that men wasted a great deal of time upon these, and quite agree with what he says on the unprofitable nature of such investigations. It is a matter of very little concern to us how much of truth, or how little of truth is contained in the writings of heathen people. We have one book, and need not trouble our heads about such writings. It has always seemed to me that it was derogatory to Christianity to bring it into comparison with other systems.

"As men get older, I think that they more and more turn aside from other books. Their hearts turn more fondly, more lovingly, towards the Word of God than to any other writings. We all become conscious that it has more and more powerful effect upon our minds, the more we read it, and the more we study it. Its transforming power upon the homes where it is read is marvellous. We hear a great deal about the miracles. Some people believe that there is no such thing as a miracle. There is one standing miracle in the world to-day; it is the Word of God. It transforms homes, hearts and minds, wherever it goes. When men are washed in the pure water of God's Word, they become very different than they were before; in fact, new creatures.

"It is a matter of great consequence to us, as a people, that the various nationalities coming into this country should be brought into contact with the living Word. It is the only thing which will make them fall into line with us, and become true citizens of this great Empire. We may attempt all the humanitarian schemes we like; they do not amount to anything, in comparison with the preaching of the Gospel of Christ. That, ladies and gentlemen, is the only remedy for all our evils. We have all sorts of loose ideas springing up in this country. There seems to be a disjoining of the members of society to a large extent among us, through Socialism, and through many other fads springing up amongst us, and I do not know that there is any safety for us other than enduing the people of this country with the principles of religion. It is the only safeguard against all possible difficulties which may surround us. As at this time we, as a people, are entering into the enjoyment of a heritage which we have always had, and of the existence of which we only are now becoming conscious, we should be an educated people, not only secularly, but spiritually, in order that we may enjoy to its fullest extent the vast opportunities which God has given to us in this Province of Ontario. I would have you remember that you are living in the Province of Ontario, which is the greatest Province in the Dominion of Canada. There is nothing in the compass of the whole Empire which can at all compare with the Province of Ontario, in its resources, and also with the comfort in which the people live. It is a vast trust, which has been committed to us by Almighty God, and it is our bounden duty, as men and women, to see that, to the very utmost limit of our power, our people should be brought up to be a God fearing people; that the basis of our Government should ever rest upon the principles contained in the Word of God, and that in everything we should have a supreme regard for the Divine Will, as contained in the Holy Scriptures."

Sir John Boyd, rising to second the above resolution, said:

"My friend, Mr. Hoyles has not ceased to be a lawyer. He gets into a scrape, and then cleverly gets out of it, casting the burden upon the shoulders of the other side.

"We were complaining to him in a general way about knowing nothing about the resolution which was to be moved, and Mr. Hoyles suggested that we could just pick up scraps from the other speeches; so I will try to do that.

"All I knew in coming here was that I was to second a resolution moved by the Lieutenant-Governor, and I can in perfect faith follow such a leader, as I know he is a good one. I can feel safe in keeping in the path he is following.

"Mr. Gibson said, 'What shall a man do that comes after the king?' I am the man coming after the king. Mr. Gibson had only

to follow the absent premier, but here is the king. Sir Mortimer is the representative of Royalty in this country, and admirably fills the position. I only hope his first term may not be his last one.

"Dr. Carman's prayer reminded me of words that seem very appropriate to this resolution. This work of the Bible Society; this line of operations which it is doing; can we not say of it that 'its line has gone out through all the earth, and its words to the end of the world. There is no speech nor language where its voice is not heard.' Nearly all languages possess copies of the Scriptures now. All the leading nations, all the most important, have the Scriptures. All except a few comparatively insignificant tribes have the copies in their own language. Surely that is a great thing to be done in so short a time.

"The President referred to another matter: the fundamental rule of the Bible Society. It was an inspired judgment which led them at the very outset, after a great deal of argument and many stormy scenes, to decide that they would publish the Scriptures without note or comment. That has had a great deal to do with abolishing sectarianism, in bringing all denominations so near, that even though there are a few differences remaining, they are able to shake hands over the fence.

"The revisors have worked mightily though it may be unconsciously in this direction, because in their New Testaments, although there are thirty-six thousand alterations made in the text, there is not a single one which affects any doctrinal point, and this goes to show that there is one common foundation, on which all the denominations can stand together in this great work. This very thing, I think, has also been the means of bringing good people closer and closer.

"The day when the different sects of the Church spent their energies in fighting each other has passed, and they are combined against the common foe, outside.

"I agree with the Lieutenant-Governor, the Bible is the most ancient and most modern book. It has gone ahead of the ages. It is the universal Book which will always be read. The Society's work will never be done, until the crack of doom. The last copy of the Scriptures shall disappear when the final flame shall consume this old earth; when we will no longer need the printed page.

"I have much pleasure in seconding this motion."

The meeting was then closed by the singing of the hymn, "From Greenland's Icy Mountains," and prayer and the Benediction by the Rev. Dr. Harris.

REPORTS OF AGENTS.

REV. CHARLES R. ASHDOWN.

MOUNT FOREST, Nov. 17th.—Preached in Westminster Presbyterian Church at 11 a.m., and gave the leading facts in connection with this year's work of the Society. The branch here continues well officered, and with the aid of local ministers, holds three branch meetings in the country, and carefully canvasses a large territory, as their receipts show.

CEDARVILLE, Nov. 17th.—In the afternoon drove eleven miles here, and found Rev. J. P. MacInnes already conducting service in the Presbyterian Church, and gave our address on "The Facts and Flights of the Bible for another year." Faithful officers and collectors had the work nearly finished, and a larger offering than last year was received. Their receipts also will show an increase, and about \$35 worth of Bibles were ordered by the Depository, through your agent.

DROMORE, Nov. 18th.—A representative meeting was held in the Presbyterian Church here, opened by the minister, Rev. George Kendall. The night was beautiful and moonlight, and the choir assisted admirably. Some new officers were elected, and a larger subscription than usual will be forwarded this year.

NEWBRIDGE, Nov. 19th.—A most inspiring meeting was held in the Methodist Church, whose pastor, Rev. George Hussar, was ably supported by the Revs. Wm. Penhall, and Wallace Johnston. The work of collectors and depository all show activity in this branch, whose able President and Secretary have labored together for over 25 years. They are aiming for more dollar subscriptions.

HOLSTEIN, Nov. 20th.—Though the night was stormy, a goodly number of this faithful Branch met, and were inspiringly led in opening exercises by the local ministers, Revs. John Little and Charles King. The agent's address met with a hearty response, and "The Brown Bible Society," as it is called from the fact that the officers for years have been Browns, will do its duty faithfully this year.

CLIFFORD, Nov. 21st.—This branch had declined somewhat for a few years, but there was a sympathetic gathering in the Methodist Church, led by the pastors, Revs. Stephen Young and A. C. Eddy. A spirit of reorganization seemed to pervade the meeting, which promised well for this year. The Depository might be made somewhat more prominent, and this was suggested.

HARRISTON, Nov. 22nd.—A representative meeting was held in Guthrie Presbyterian Church, presided over by the Rev. C. Scudamore, ably supported by the Revs. M. C. Cameron and T. D. McCullough, who spoke most cordially of the agent's address, at the close, and organized collectors in such a way as to leave no doubt as to this branch giving a large subscription this year.

DURHAM, Dec. 16th.—What was described as the best meeting in years, was held in the Baptist Church, with the able support of the local ministers, Revs. Newton (Baptist), Byce (Episcopal) and Farquharson (Presbyterian). It was young people's night, but from three of the churches the young people loyally adjourned to our meeting. All officers are doing well, and the depositary being moved from uppertown to the main street, reports a fine increase in sales.

HOPEVILLE, Dec. 17th.—On the last night of our tour, we had the pleasure of organizing what promises to be a fine branch, under the patronage of four good country churches, within a radius of three miles from this village. Your agent was led to this place through the advice of Rev. J. P. MacInnes, of Cedarville, who gave valuable aid in the foundation work, as did also Rev. Alex. Gibson, in whose Independent Church the meeting was held. After our address, these brethren and others spoke to the motion of organizing, especially striking being the testimony of one, who said that the first Bible he ever bought years ago, was from the Upper Canada Bible Society, and that Book had been a lamp unto his feet, and a light upon his path unto this day. A strong list of officers, depositary and collectors were appointed, and under the wise fostering care of the brethren named above, a strong branch is looked for in this prosperous and liberal community.

REV. R. ATKINSON.

WALTER'S FALLS, Dec. 9th.—The meeting was held in the Methodist Church, on the 9th of December. An unlooked for thaw had put the roads in a very poor condition. The village was well represented, but the country districts not so. The pastors took part, and highly commended the work of the Society. The collections had not been completed.

HOLLAND CENTRE, Dec. 10th.—The meeting was held in the Methodist Church, on the 10th of December. A sudden frost had made the muddy roads very rough, and prevented the attendance of many from a distance. Here also the work of collecting had not been completed.

OWEN SOUND,—The meeting was very well attended, and was held in the Disciples Church. Nearly all the pastors were present. The account of the Society's work was greatly appreciated. Interest has for some time been a little in abeyance, but there seems to be a promise of better things. Here also the collecting was incomplete.

REV. BERNARD BRYAN.

ALMA, Sept. 9th.—Meeting was held in the Church of England. There was a good attendance and a strong choir. Rev. Messrs. Naftel and Colwell were present and assisted in the meeting. The energetic secretary, Mr. Geo. Wright, of Elora, also commended the good work. Encouraging meeting.

ELORA, Sept. 10th.—Meeting held in Methodist church. Rain interfered with attendance. A good choir assisted. Rev. Messrs. William Robb and McIntosh were present and took a helpful part in the proceedings. The report of the work of the year had been printed and placed in the seats by Mr. George Wright.

FERGUS, Sept. 11th.—Meeting was held in the Church of England, which was fairly well filled with interested people from all the churches. The late Rev. Thos. Smith conducted the devotional exercises, and in a

few strong words commended the work. A satisfactory meeting. Rev. J. B. Mullen said a few earnest words at the close.

MARSVILLE, Sept. 12th.—Meeting in Presbyterian Church. Rev. T. F. Kaye, of Orton, took the place of the pastor, who was unavoidably absent. A good choir helped on the good work. There were about 80 present, and all were evidently truly sympathetic and interested in the work of the Society.

GARAFRAXA, Sept. 13th.—Here the Methodist Church was the one chosen for the meeting. Rev. D. Ecker, the President, presided and in a few words commended the good work of the Society. Rev. E. H. Peatfield also assisted. The business of this Branch is well looked after by the executive officers and energetic Secretary, Mr. R. Y. Blyth. Good meeting.

GUELPH, Sept. 20th.—This was a special meeting, to do a little educational work before the collectors went out into the city. It was held in St. Andrew's Presbyterian School Room. The late Rev. Dr. Torrance presided, and in his usual quiet, earnest and most effective way, pressed home the claims of the great Society. The place was well filled with earnest friends of the cause. Rev. Messrs. Davidson, Wardrobe, Glasford and Wilson were present. An excellent spirit was manifest and the meeting altogether was a most encouraging one.

PRESTON, Oct. 6th.—At the request of the branch, a Sunday was given to the work here. The agent spoke in the Church of England, addressed in the afternoon the Methodist and Baptist Sunday Schools, and then gave the main address in the Opera House in the evening. A day of continuous rain interfered much with the effectiveness of the work. Officers were appointed and the work for the new year arranged. Mr. Pattinson, M.P., presided, and many of the ministers of Preston were present.

ERAMOSA, Oct. 7th.—Meeting held in Congregational Church. Darkness and rain affected the attendance. Special singing. Rev. Messrs. T. A. Moir and C. H. Schmidt spoke encouragingly of the work. Officers are evidently interested and aggressive and will do good work.

HESPELER, Oct. 8th.—The Church of England was chosen for the meeting. Rev. W. N. Duthie, conducted the devotional exercises and Rev. C. W. Cook and Rev. A. H. Plyly each in a few well chosen words pressed home the claims of the Bible Society for sympathy and support. The branch has a good secretary, Mr. A. C. Ross, and will do good work.

MIMOSA, Oct. 9th.—Meeting held in Methodist Church. Jas. Leslie, the president, presided. The pastor was unavoidably absent. Report of the work of the past year was encouraging. The attendance was small.

HILLSBURG, Oct. 10th.—Meeting held in the Presbyterian Church. Rain, wind and darkness hindered a larger attendance. Good speeches were made commending the work of the society by Rev. Mr. Scott and others. The agent visited the local school during the day and spoke in two rooms.

ERIN, Oct. 11th.—The friends of the Bible Society here met in the Methodist Church. Mr. Long, the president, occupied the chair, and the Rev. Mr. Watt, the pastor, conducted the devotional exercises. Though

the attendance was small, a good spirit prevailed. In addition to the address of the agent, there were words of commendation from the ministers of the place.

ROCKWOOD, Nov. 21st.—This has always been a live branch, during the life of the former secretary, the late Wm. Harris, sr., and now guided by his interested and energetic son, Wm. Harris. Meeting was held in the Presbyterian Church. Mr. H. Black, president, and a good friend of the Bible Society, presided. There was a good attendance and the spirit of the meeting was excellent. A united choir helped in the work. Revs. Y. T. Hall, D. H. Taylor, and J. R. Webb added forceful words to the address of the agent.

EVERTON, Nov. 22nd.—This is under the same management as Rockwood. Meeting was held in the Methodist Church. A goodly number were present. The pastor, Rev. O. W. Hearn, presided, and in an interesting way spoke of the work of the Bible Society. All present seemed to be greatly interested in the cause.

BLOOMINGDALE, Nov. 28th.—Meeting was held in United Brethren church. There were about forty present. Rev. M. T. Walker, the pastor, opened the meeting. J. A. McAllister occupied the chair. Business was conducted in a good way and the promise for aggressive work in the branch was encouraging.

ST. JACOBS, Nov. 29th.—Meeting was held in the German Methodist Church. J. L. Wideman, president, occupied the chair and Rev. J. H. Grenzsbach conducted the devotional exercises. There was a good choir present. The meeting was an excellent one. It was characterized by deep interest and spiritual enthusiasm. Good promise for future work.

BRESLAU, Dec. 2nd.—Meeting was held in Mennonite church. Rev. Peter Cober, the pastor, manifested in everything he did and said his deep interest in the work of the Bible Society. There was no organ but the singing was hearty and earnest. These "Brethren in Christ" feel their indebtedness to the Bible Society and will shew it in their support of its work in prayer and offering.

REV. VERNON H. COWSERT. M.A., Th.M.

KILLBRIDE, Oct. 1st.—A small attendance, but enthusiastic interest. Pastor Morris, of the Methodist Church, in which the meeting was held, presided, and both he and Pastor Robertson, of the Presbyterian Church, made addresses appreciative of the work of the Society, and expressing regret that no meeting was held last year. Collectors were appointed, and a liberal support of the work pledged.

DUNDAS, Oct. 2nd.—Another small, but enthusiastic meeting held in the Baptist Church, and attended by the Baptist, Methodist and Presbyterian pastors, and presided over by the Mayor of the town. Plans were made for subsequent meeting, in which all the Churches will unite, at the Presbyterian Church on the evening of the Lord's Day, November 17th, when your agent will return to address the meeting, and a liberal envelope offering is promised.

LOWVILLE, Oct. 3rd.—An unusual downpour of rain prevented any general meeting, but the agent met with some of the Executive, and

arranged to have the collectors start work at once, and agreed to return on November 21st, and address a larger gathering.

PALERMO AND SIXTEEN, Oct. 4th.—The meeting was held in the Presbyterian Church at Sixteen. Attendance small, but interest keen. In addition to the agent's address, Pastor Ellis, of the Methodist Church made a rousing appeal for increased interest in the work, and this branch promises rich returns.

WATERDOWN, Oct. 8th.—The meeting was presided over by Pastor Anthony, of the Presbyterian Church, who made a helpful address and expressed the regret of Pastor Foote, of the Methodist Church, who was unavoidably absent. The lack of a meeting last year had caused the interest to lag, but the small audience present expressed a determination to enthuse the whole community in the interests of the work.

CARLUKE, Oct. 14th.—The meeting was held in the Presbyterian Church, and presided over by the talented pastor, Mr. Ellison, who urged a cordial support of the cause, and who contributed much to the success of the meeting. Though not large, the agent felt he was privileged to address an intelligent and keenly appreciative audience.

ALBERTON, Oct. 15th.—The meeting was to have been held in the Trinity Church, but upon learning on arrival that a local option meeting had been subsequently planned for the School House near by, at the same hour, we suggested a Union Meeting, at the school House. This was done, and a large audience assembled and was addressed by your agent and President Hedley in the local option interest. The Bible Society interest was then briefly presented, collectors appointed, and other business transacted. President Hedley agreed at a later date to present the work in Trinity Church, and the results promise to justify the wisdom of the course pursued.

JERSEYVILLE, Oct. 16th.—A fair sized audience greeted the agent, who was supported by the presence and co-operation of the Methodist and Baptist pastors. The plans projected promise rich returns on behalf of the work.

WEST FLAMBORO, Oct. 17th.—The meeting was held in the Presbyterian Church at Christie, whose Pastor is the President of the branch, and who presided at the meeting. The attendance was above the average, but not as large as the workers had desired. The work here is in the best of hands, and will doubtless make continued progress.

STRABANE and FREELTON.—The meeting was held in the Presbyterian Church at Strabane, was well attended, and addressed helpfully by Pastor Robertson, who is an enthusiast in the work.

In addition to the work assigned and thus reported, your agent has accepted an invitation to address the Belleville Branch on Nov. 6th, and to organize a branch at Carlisle on Nov. 22nd. }

W. S. DANIELS, B.A.

ORANGEVILLE, Oct. 19th.—Your agent found the Orangeville Branch in a flourishing condition financially. For this, a few devoted and tireless workers who collected funds, deserve credit. We addressed a public meeting in the school room of the Anglican Church building, where a small number were in attendance. All business of the Society was duly

transacted, and a resolution was unanimously passed by which it was decided to make local arrangements for the Annual Meeting next year. We urged that the Annual Meeting be held on a Sunday evening in order to reach a larger constituency of hearers.

SHELBURNE, Nov. 7th.—The Shelburne gathering was held in the Presbyterian Church, and was indeed an interesting meeting. The President of the branch being absent, the Secretary, Mr. D. McMichael, occupied the chair. He was duly elected as president for the ensuing year, an honor well deserved. The depositary, Mr. Bretz, reported a considerable amount of business. We found the Society's stock in good condition under his management.

ARTHUR, Nov. 12th.—A most enthusiastic meeting was held in the Presbyterian Church, Rev. Wray R. Smith acting as chairman. Considerable preparation for the gathering had been made, for a Union Choir rendered good music, and over 100 people were in attendance. Mr. C. Long, Secretary, produced a good report, and the treasurer reported an increase in givings towards the Society's funds. Although 33 per cent. of the inhabitants of the village are Roman Catholics the Protestant element seems fully alive to the great need of placing the Bible in the hands of every citizen in the land.

BOWLING GREEN, Nov. 3rd.—Your agent took the responsibility of organizing a branch Society at this place. Having received consent and hearty co-operation of both resident pastors, a meeting was held on Sunday evening. By resolution, those present decided to appoint officers collectors, etc., and will no doubt report at least a limited amount for the year. President—William Potter, Bowling Green; secretary—Alfred Menary, Bowling Green, and treasurer, Jesse Lamb.

DUNDALK, Nov. 15th.—The Annual Meeting was convened in the Presbyterian Church; a number of interested workers and two of the pastors of the village were in attendance. Rev. Mr. Ferguson presided, and the address was given by the agent. Rev. Mr. Ryan, Anglican, was elected President for the coming year. He mentioned the great advantage that would accrue in every way to the branch, if all of the churches would unite on a given Sunday next year, their respective pastors presenting the claims of the Society to the people. In this way, all the church-going people would learn of the splendid work being done for the spread of the Word.

MONO CENTRE, Nov. 22nd.—We found here an active and sympathetic people, who had gathered in the Methodist Church to listen to the annual address. Rev. C. A. Belfrey occupied the chair, and Mr. G. F. Stewart, Secretary, read the report. Progress was the keynote of the report, and no doubt the branch will continue to maintain its splendid record. Intelligent interest seemed to be the characteristic note in the gathering.

ALTON, Nov. 26th.—This branch has in it a few very able workers, but the village as a whole was poorly represented at the Annual Meeting this year, partly owing no doubt to the coincidence that two of the churches were temporarily without pastors. Rev. Mr. Nurse occupied the chair creditably, and the business of the Society was duly transacted. We mention especially the zeal and faithfulness evident on the part of the Secretary, Mrs. L. L. McLellan.

GRAND VALLEY, Dec. 1st.—Your agent takes great pleasure in reporting the meeting held in his home church. By resolution of the Annual Meeting held one year previously, it was decided to make local arrangements, and, if possible, have a Sunday evening rally of all denominations. Owing to the splendid spirit of unity abroad in the village, the Executive Committee were able to bring this about. An audience of over 500 people assembled in the Methodist Church, at the regular church hour, on Sunday evening. All four pastors of the town were on the platform. Mr. George Tough, president of the Branch, occupied the chair, and the agent addressed the meeting. A cash offering of \$35 was laid upon the plates, and all seemed delighted with the meeting. The committee will likely distribute envelopes next year among the various churches, thus giving the people time to arrange for their gifts, and, if a similar meeting is held, we feel sure that a large increase in givings will be the result. In connection with the branch, your agent also addressed two other meetings; one at South Luther Presbyterian Church, in the afternoon of Sunday, December 15th, and the other at Tabert Presbyterian Church in the evening of the same day. Good cash offerings were received.

WALDEMAR, Dec. 3rd.—No meeting had been held at this point for two years, but the local committee were able to complete arrangements this year, and we addressed a meeting in the Presbyterian church. The Rev. L. W. Thom presided, and Mr. Oliver Lomas, secretary, presented the report. Mr. W. P. Tolton, a tried and faithful supporter of the cause for many years, was elected president for next year. Under his guidance we feel sure that the work will prosper.

LAUREL, Nov. 18th.—This young and flourishing branch convened in the Methodist Church, and a meeting was duly carried through, with Mr. J. A. Hughes in the chair. Here is a good field of operation, as both resident pastors are thoroughly in sympathy with Bible Society work.

MONTICELLO, Dec. 12th.—We organized a branch society at this point on the above date, on the suggestion of the Grand Valley Branch Committee. A good audience greeted the speaker, and a collection was taken. In years to come this branch will no doubt render a good account. President, W. B. Bourn, Grand Valley; secretary, William McKinley, Monticello; and treasurer, Mr. Hays, Monticello.

REV. R. J. FALLIS.

HILLSDALE, Oct. 29th.—The meeting was held in the Presbyterian Church. Rev. Mr. Currie, pastor of the church, was in the chair, and Mr. Spencer opened with devotional exercises. This branch was organized two years ago. As the agent was prevented from visiting there last year, no meeting of the Society was held, and no collecting was done through the year. A new interest, however, has been awakened, and it is expected that Hillsdale will give a good report this year. It was thought advisable to have a Depository in the village, as Bibles were frequently asked for in that locality. A recommendation was therefore passed, asking for a depository, Mr. William Kilbank being recommended as a suitable person to have charge of the same.

MINESING, Oct. 31st.—The meeting was held in the Baptist Church on Thanksgiving evening, with a very good attendance. Representatives from all the churches were present, and a very earnest interest is mani-

fested here on behalf of Bible Society work. This is one of the most active branches your agent visited. Mr. Orchard, the venerable President, was congratulated on the completion of his twenty-fifth year as President of the Society, and was re-elected. Rev. Mr. Petch, of the Methodist Church, and Rev. Mr. Shephard, of the Presbyterian Church, spoke appreciatively of the good work, before your agent spoke on the subject of Thanksgiving, especially of the influence of the Bible in national life, and of the great debt we owe to the Bible Society.

ELMVALE, Nov. 1st.—The meeting was held in the Methodist Church, but the audience was small, owing to conflicting causes. Your agent addressed the meeting on the work and claims of the Society. Rev. Mr. McKay, of the Presbyterian Church, also spoke, and arrangements were made for a thorough canvass by the collectors. There is much room for improvement in this branch.

CRAIGHURST, Nov. 11th.—The meeting was not largely attended, but a good interest was shown by those present. The new President, Rev. Mr. Weaver, rector of the Anglican Church, is an ardent supporter and friend of the good cause, and the prospects of this branch seem brighter for this year. They have a painstaking and efficient Secretary, in Mr. George Fraser. We look for a good advance.

DALSTON, Nov. 12th.—We had a splendid meeting with a good attendance, in the Methodist Church. Rev. R. S. Fralick, the pastor, presided, and a good choir led the singing. The agent spoke especially of the great crisis in Canada with the large influx of foreign population, and the forward Missionary Movement of the churches placing heavier demands upon the Bible Society. Rev. Mr. Fralick also made some very encouraging remarks. He is a good advocate of this work, and has given much help. It is expected that Dalston will increase their givings this year.

CROWN HILL, Nov. 13th.—Another good meeting. Notwithstanding a heavy snow storm which fell all afternoon and evening, there was a good attendance. This branch has not a very large territory to work upon, but will make a faithful canvass of the community. We spoke to an appreciative audience on "Our Unique Book and our Unique Opportunity." Rev. Mr. Fralick occupied the chair. New officers were appointed. The people here seem very ready and willing to help on the work of the Bible Society.

REDGAR, Nov. 14th.—The meeting was held in the Congregational Church. The President, the pastor of the church, was in the chair. There was a fair attendance. This is one of the oldest branches in the district, and although many of the old supporters of the cause have passed away, we are glad to report that the rising generation seem willing and ready to lend a helping hand. We spoke especially to the young of their opportunities and responsibilities, and we trust that a deep love for the Bible, and desire to propagate its truths, may inspire them.

ORO STATION, Nov. 25th.—The meeting was held this year in the Presbyterian Church. Rev. Mr. Campbell, pastor, led the devotional exercises, and spoke well of the work of the Bible Society; after which, your agent addressed the meeting. A good interest was shown throughout and we hope for advance in the givings of this branch.

GUTHRIE, Nov. 26th.—A very good attendance at Guthrie Presbyterian Church, notwithstanding the disagreeable weather. We had a fine meeting. A good class of young people here thoroughly in touch with Missionary and Bible Society work. Your agent had a very attentive hearing. The territory was mapped out for collectors, who seem determined on a thorough canvass.

HAWKESTONE, Nov. 27th.—Our last meeting was at Hawkestone, and was quite enthusiastic. Rev. Mr. Williamson, pastor of the Methodist Church, took an active part, and will prove a good friend to the cause of the Bible Society here. Mr. W. R. Medcalf, the energetic President, had the collectors appointed, nearly all of whom were present to receive instructions in canvassing. This is commendable; too often collectors are appointed who are not present, and are not able or willing to act, and the work is neglected. Hawkestone will do well.

REV. W. H. A. FRENCH.

WARSAW, Oct. 14th.—The Annual Meeting took place in the Baptist Church, a representative audience of the churches being present. The President, Rev. Mr. Steedman, took the devotional exercises and presided. Mr. E. Hawthorne, Secretary, presented a good report. Mr. S. R. Payne presented the financial report, showing that \$74.00 had been sent in during the past year. The agent addressed the meeting along the lines of the Society's work at home, and the Parent Society's work, with special reference to the work in Canada, its difficulties, and its extensive character. The officers of the past year were re-elected and collectors appointed. The Rev. Mr. Currie (Presbyterian) was present and assisted to make the meeting interesting. The Secretary, Mr. Hawthorne, and the Treasurer, Mr. Payne, are efficient and zealous for the cause. The meeting closed with a vote of thanks to the agent, and the benediction. Warsaw will do well this year.

LAKEFIELD, Oct. 15th.—The Annual Meeting of the branch was held in the Baptist Church. The pastor being away, the Rev. Mr. Burns, the President, took charge of the religious exercises. The Methodist minister rendered assistance, as did also Rev. Mr. Creighton (Anglican). A good audience was present. Dr. Burgess, the Secretary, read the report for the year. The old officers were re-elected, and a new set of collectors were appointed to look after the town, which was neglected during the past year, only the country making a financial report. The agent's address was well received. He traced the steps of the Society from its beginning to its present world-wide position, speaking of the difficulties of translating the Bible into foreign languages and the great need that existed for such a Society as a help to the missionary. Our Canadian operations and labors were then discussed. The agent was cordially invited to return next year to this important branch.

SPRINGVILLE, Oct. 16th.—The Annual Meeting was held in the Presbyterian Church. Rev. Mr. Wetherall (Methodist) President of the Society for the past year, drove the agent from Fraserville, and presided at the meeting. The Rev. Dr. Marsh (Presbyterian) took charge of the devotional exercises, but had to leave the meeting before it closed. The reports of both the Secretary, Mr. R. Robertson, and the Treasurer, Mr. John Smyth, were well prepared, and of a business-like character. The meeting was quite small, although considerable interest was manifested. Dr. Marsh was elected President, according to the established precedent of

alternating in the honor with Fraserville Methodist Church, the other local centre of this branch. The agent's address was well received, and the meeting closed with a vote of thanks and benediction.

MOUNT PLEASANT, Oct. 17th.—The 51st Annual Meeting of this branch was held in the Presbyterian Church, Mr. W. S. Graham in the chair. Rev. Mr. Peckover (Presbyterian) and Rev. Mr. Sexsmith (Methodist) were present. The meeting was very largely attended, and the united choirs of the Methodist and Presbyterian Churches rendered good assistance. Mr. Graham presided ably at the meeting. The 51st Annual Report of this branch was read by Mr. McLean, who has been Secretary-treasurer for that term of fifty-one years. A unique feature of the evening and one that gave much satisfaction to all present was the presentation to Mr. McLean of a certificate of life membership in the Society by the Executive of the Upper Canada Bible Society, as an acknowledgement of long continued and faithful services. The agent's address was along the lines of the Society's work, dwelling upon the necessity of the Society to missionaries, and the work that looms up largely before thinking men, namely, how to meet the needs of the great population seeking our shores from foreign countries. A hearty vote of thanks was tendered the choir and the agent, and the meeting closed with the benediction.

CAVANVILLE, Oct. 18th.—The meeting was held in the basement of the Methodist Church. Rev. Mr. Sexsmith presided in the absence of the President. The attendance was not large, but the people seemed interested in the work. The agent addressed them on the necessity of all Christian people joining heartily in spreading the knowledge of God's Word in foreign countries. A sacred song was well rendered by two young ladies. After organization, the meeting came to an end. We hope for good things to come from Cavanville.

SPRINGVILLE and BETHANY, Oct. 20th.—South Monaghan and Cavan having replied after the agent had left on his tour, that the Sunday meeting must be abandoned because of special services, and the letter only reaching the agent before the meeting at Cavanville, he took advantage of the offer of Rev. Dr. Marsh, Presbyterian minister at Springville and Bethany, to preach in the interests of the Bible Society. So on Sunday the agent preached to between two and three hundred in the morning, and between one and two hundred in the evening. At Springville there had only been twenty-one at the meeting, and the meeting at Bethany was yet to take place; but seeing the opportunity of preaching the claims of the Bible Society to large numbers, who perhaps had never heard them publicly presented, and who might be called upon to give to something they knew nothing about, the agent thought it might not be passed by. The results are yet to be seen, in a financial way, but the apparent interest that was manifested at the conclusion of the services seemed to fully justify the agent's course. Your agent spoke of the wonderful progress of Japan since 1860, when Christianity began its work in that Empire. He pressed home to the people the tremendous calamity and disaster which would befall foreign missionary work, should, for any reason, the British and Foreign Bible Society suspend their operations; and he spoke of the manner in which the missionary societies of all churches leaned upon the Bible Society for translation of the Scriptures in foreign languages. Our own work in Canada was fully discussed. The day's labors were heavy, but the time was well spent, and we may believe that these two places will do well.

BETHEL GROVE, Oct. 21st.—A fowl supper was in full operation here, and the Secretary, Mr. Lander, thought he would not change the date given him by the agent, but that they would give the agent a prominent place in the programme. The Methodist Church was crowded to the doors, and near the end of the programme the agent was introduced. He was given a peculiarly attentive hearing by the large gathering, while he pointed out the salient points and features of the Bible Society, and its claims upon the sympathy and financial support of the churches. After the meeting was over, another meeting was held in the hall close by for organization, when the same officers and collectors were re-appointed.

REV. H. HARPER, M.A.

CRAIGVALE and STROUD, Sept. 18th.—The meeting of the Stroud branch was held in the Methodist Church, September 18th. In the absence of the President, who was detained by illness, the Rev. R. P. Beynon, Methodist minister, occupied the chair. The Secretary, R. G. McCraw, Esq., submitted the yearly report, showing that the branch is fully alive to the work of the Bible Society. The contributions from the subscribers are liberal. A large audience listened to the agent's address, and the choir rendered several very suitable selections. Dr. G. McPhedran was elected President for the current year, and the veteran Secretary, who has so efficiently filled the position, was again appointed.

LEFROY and BELL EWART, Sept. 19th.—Rain interfered with the attendance, but a good meeting was held at the Methodist Church. Death, during the year, removed the President. A resolution of appreciation of his many years of service and of sympathy with the family, was moved by Squire Grose and carried.

CHURCHILL, Sept. 20th.—The meeting was held in the Presbyterian Church. This branch has suffered from lack of visitation by an agent. Last year no Annual Meeting was held, and the officers found it difficult to secure collectors to do the work. Considerable interest was manifested by those present, in the work of the Society as described by your agent, and collectors secured who volunteered their services for the work. We anticipate considerable increase in the financial returns.

BRADFORD, Oct. 2nd.—The meeting was held in the Presbyterian Church. In the absence of the President, Rev. Dr. Long occupied the chair. The Secretary submitted the annual report, officers for the year elected, and an address given by your agent, which was received with great interest by the audience. The year promises to be one of increase in gifts to the Society from this branch.

BOND HEAD, Oct. 3rd.—Despite an exceedingly wet night, a good-sized audience greeted your agent. William Hill, Esq., occupied the chair, and Revs. W. M. Morris and J. J. Sparling assisted in the services, and spoke of the great need of liberally supporting the Bible Society work. Gerrard G. Rennick, Esq., entertained the agent.

NEWTON ROBINSON, Oct. 4th.—The Annual Meeting of this branch was held in the Methodist Church. The President, Mr. James Lennox, presided, and Rev. J. J. Sparling gave an address. The meeting was well attended, and much interest taken in the annual report read by Mr. Robert Lesson, the Secretary, the election of officers and collectors, and the address of the agent.

TOTTENHAM, Oct. 6th.—A delightful union service was held in the Methodist Church, Sabbath morning, the Presbyterians, with their pastor, Rev. P. Nichol, withdrawing their service on behalf of the Bible Society meeting. Revs. P. Nichol and S. L. Wallis Harton assisted the agent in the service. A good congregation was present, and a deepened interest manifested in Bible Society work.

BEETON, Oct. 6th.—At 2.30 p.m. a service was conducted in the Presbyterian Church, in which the pastor, Rev. P. Nichol, assisted and at 7 p.m. your agent preached in the Methodist church on behalf of the Bible Society. A much larger number of people was reached by this means than by the ordinary week night service. Rev. E. T. Douglas presided over the evening meeting. The business meeting for the election of officers was held during the week.

EVERETT, Oct. 8th.—A small audience was present at this Branch meeting. Those present, however, were enthusiastic in the interests of the Society. The Presbyterian minister occupied the chair. The meeting was held in the Methodist Church, and a union choir rendered selections suitable for the occasion.

THORNTON, Oct. 9th.—The yearly meeting of this branch was held in the English Church. Rev. Mr. Craw (Presbyterian) took charge of the meeting, and gave an address. Mr. Henry, the Secretary, read the report, the officers for the year were elected, collectors appointed and an address given by the agent.

IVY, Oct. 10th.—This young branch has much promise. A dark, wet night, but a good sized audience in the Presbyterian Church, most of whom drove a considerable distance to attend the meeting. In the absence of the President, who was detained by parochial duties, Rev. Mr. Craw occupied the chair, and gave an address. The election of officers, and an address by the agent, concluded the service.

COOKSTOWN, Oct. 11th.—The Annual Meeting was held in the Methodist Church. After the election of officers and appointment of the collectors for the various wards, the agent gave an address on the rise and development of the Bible Society, which was listened to with great interest by those present. In the absence of the President, the Methodist minister presided, and the agent's address was supplemented by remarks from the chairman and the Presbyterian minister.

ALLISTON, Oct. 24th.—This branch meeting was held in the Presbyterian Church, the Rev. Mr. Sharpe, pastor of the church, presiding. In the address by the agent, three reasons were advanced showing why liberal support should be given the Society: Because of what the Bible is doing in building up our national life; ecclesiastically all the churches are dependent on the Society for the development of their missionary work; and because of what the Bible has done for us individually.

WEST ESSA, Oct. 25th.—An unfavorable night and a small attendance. Meeting was held in the English Church, West Essa, the rector presiding. The yearly report, by the Secretary, H. Hussey, Esq., showed that the work was loyally supported by the friends in the surrounding country. The same officers were re-elected for the current year.

REV. D. SCOTT HONCK.

MILFORD, Sept. 30th.—The meeting was held in the Methodist Church. Revs. Messrs. Seaborne (Anglican) and A. L. Brown (Methodist) were present, and took part in the meeting. The attendance was only fair, but the interest manifested was very encouraging. The territory was divided, and collectors appointed. A good start was made in collection and subscriptions at the meeting.

CHERRY VALLEY, Oct. 1st.—The attendance was small, but composed of very good friends of the Society. The choir of the church was present, and added to the interest of the meeting, by leading in the service of song. A fair start was made in collection and subscriptions, which will encourage the collectors to start on their work. Mr. W. S. Blakely, after several years of service as Secretary-treasurer, retired, and Mr. W. J. Embury was elected to that position.

WELLINGTON, Oct. 9th.—The meeting was held in the Methodist Church, Rev. G. W. McColl, president, in the chair. The agent found that the collectors had done their work, and had a nice sum in the treasury. The business was transacted, and Rev. Rufus Garratt, formerly secretary treasurer, was promoted to the presidency. This is a live branch, though the attendance, owing to the busy time in which the meeting was held, was not large.

SOPHIASBURG, Oct. 14th.—The meeting was held in the Methodist Church, in the village of Demorestville. Rev. Gordon Smith, president, being absent owing to illness, Rev. W. Sexsmith conducted the meeting. After the agent's address, the officers were elected, and there is a good prospect that more aggressive work will be done by this branch. Rev. Rogers, of Wooler, was present, and with the chairman, said kind words of our Society and work.

CONSECON, Oct. 17th.—The meeting here was held in the Methodist Church, Rev. J. M. Whyte presiding in the chair. All present were very much interested, and willing officers were found to take upon them the responsibility of the work. In view of the President's expected removal, next June, Mr. A. Burr, a prominent layman, was elected President. This was the third meeting of this youthful branch, from which good things will continue to come.

BLOOMFIELD, Nov. 3rd.—The Annual Meeting was held on Sunday evening, in the Methodist Church. Considering rather unfavorable weather, there was a splendid audience. Rev. H. Sutton, president of the Friends' Church, presided, and with the agent, addressed the meeting. The executive here have plans for reaching farther into the surrounding country. The old officers will continue for another year, and the prospect for good work remains bright.

SHANNONVILLE, Nov. 7th.—The meeting was held in the Methodist Church. The attendance was good considering the unfavorable weather. Revs. Wagner (Anglican) and Clarry (Methodist) were present, each taking part in the devotional exercises, and speaking kind words of our work. Dr. Moore, the President, occupied the chair. The choir of the church rendered good service. The meeting was very encouraging.

MELROSE, Nov. 8th.—There was a good attendance in the Methodist Church. In the absence of the President, Revs. Cameron (Presbyterian)

and Woodyer (Methodist) conducted the meeting. After the agent's address, the collection was taken, the old officers re-elected, and all seemed very much interested in the work of the Bible Society.

FRANKFORD, Nov. 10th.—After three years without a meeting, your agent addressed this branch, on Sunday morning at 10.30. There was a fair attendance, and good financial results. All seemed deeply interested, and it is hoped that more regular work will be done here in the future. The choir of the church added very much interest by their service of song.

TRENTON, Nov. 10th.—We had a splendid meeting here on Sunday evening. The Presbyterian minister (Rev. Wilkins) and Grace Methodist minister (Rev. Down) withdrew the evening service, and met in a union service in King St. Methodist Church. The three choirs also united for the meeting. It was estimated that over 600 people were present. The clergymen named, with Rev. E. Cragg, conducted the devotional service. The agent addressed the large audience, and Mr. G. W. Ostrom, President, conducted the business meeting, and, after re-election, delivered an address.

STIRLING, Nov. 11th.—The Annual Meeting here was held in the Presbyterian Church, and a good representative audience was present. Revs. Byers (Anglican), Robinson (Presbyterian) W. G. and W. H. Clarke (Methodist) were present, and took part in the meeting. Dr. Bissonette, President, conducted the meeting. After the agent's address, a discussion re methods was held, with the result that more systematic and successful work may be expected from this branch. The choir of the church rendered very efficient help.

FOXBORO, Nov. 12th.—The meeting was held in the Methodist Church. In the absence of the President, Mr. Stillman C. Gay, the efficient Secretary, occupied the chair, conducting the meeting throughout. The attendance was fair, and the singing, led by the choir, hearty. The collectors, had already done some of the work, and an increase from this branch is hoped for.

REV. A. J. IRWIN, B.A., B.D.

CRAWFORD, Nov. 1st.—The Crawford branch is situated entirely in a rural community, but this does not prevent its work being prosecuted with vigor. Much of its success, past and present, is due to the untiring interest of Rev. Mr. Leslie, pastor of the Presbyterian Church. The evening of your agent's visit was somewhat threatening, but a goodly number assembled in the Methodist Church. The pastor, Rev. Mr. Jewett, presided, and addresses were given by your agent and Mr. Leslie. The collection was in advance of last year, and when the returns of the collectors came in, the branch will no doubt be well up in its contributions.

ARKWRIGHT and MOUNT HOPE, Nov. 11th.—This branch is a union of two separate communities, and meetings are held in each alternately. By some mischance, the collectors at one point were not notified of their appointment last year, and no work was done. The meeting was held in the Mount Hope Methodist Church, Rev. J. Poole presiding. A large number of young people attended, and evinced considerable interest. An address was given by your agent, and preparations were made for a thorough-going canvass. The depository was visited, and its accounts duly audited.

ALLENFORD, Nov. 13th.—The meeting was held in the Methodist Church, and the Rev. Mr. Hall presided. The weather was stormy, and the attendance limited. An address was given by your agent, and efforts were made to perfect the organization, and ensure a larger contribution. The depository was inspected, and by the direction of the meeting, was placed in a new and more public location.

DOBBINTON, Nov. 18th.—Your agent opened a new branch at Dobbinton. This is the centre of a large territory hitherto untouched. There are Methodist and Presbyterian congregations in the village, and two outlying Methodist Churches that will be asked to contribute. Rev. W. J. Waddell, pastor of the Methodist Church, gave hearty assistance, and a well attended meeting was held. The agent presented the claims of the Society, an organization was effected with Mr. George Cross as President, and the outlook is favorable for successful work.

TARA and INVERMAY, Nov. 19th.—The meeting in the Anglican Church, Invermay, was presided over in a dignified manner by Captain Brunton. The attendance was fair. The agent gave an address, and was followed briefly by Revs. McLean (Presbyterian) and Deihl (Anglican). A good collection was received. During the year the branch has suffered loss by the death of its respected Treasurer, Mr. J. H. VanDusen, a firm friend of the Society. The depository was visited, and found to be in a good condition.

ELMWOOD, Nov. 20th.—A stormy evening prevented the usual attendance at the meeting, which was held in the Methodist Church. Rev. Mr. Fiddler, President elect and formerly a missionary in Turkey, presided. The address was given by the agent, collectors and officers were appointed, and the depository examined, and its accounts audited.

HANOVER, Nov. 21st.—The meeting was held in the Methodist Church, and was presided over by the staunch friend of every good cause, Mr. Knechtel. Was unfortunate in colliding with some local attraction in one of the churches. A representative gathering, however, assembled. The address given by the agent was followed by a brief but interesting discussion upon the work of the local branch. Collectors were appointed, the depository visited, and the prospects are that Hanover will give a good account of itself in next year's report.

CHESLEY, Nov. 22nd.—For some years past the annual meeting has been held in January, during the week of prayer, so that the visit of the agent is supplementary in its nature. The meeting was held in the Presbyterian Church, with the pastor, Rev. Mr. Atkinson, in the chair. The address was given by the agent, and a good interest manifested. Chesley is one of the most successful branches visited. Its collections last year amounted to \$79.00. No small degree of its success is due to the careful and intelligent efforts of the officers of the branch. The depository was visited, and found to be satisfactory.

SHALLOW LAKE, Nov. 27th.—A good attendance greeted your agent in the Methodist Church, on the occasion of the Annual Meeting of this branch. Rev. Mr. Elson conducted the meeting. The work of the Bible Society was presented by your agent. The branch regrets to lose the official service of Mr. Laplante, who finds it necessary to vacate the Secretaryship, and to whose efforts in the past much of the success realized has been due. New officers were selected, and all arrangements made for a good year's work.

HEPWORTH, Nov. 28th.—The meeting was held in the Methodist Church, and was presided over by Rev. J. W. Wilkin. The attendance was fair, and the interest good. The depository was visited, and the accounts audited.

WIARTON, Dec. 2nd.—It was found necessary, owing to an entertainment in the High School, to postpone our date, and thus throw our meeting into December. The gathering in the Baptist Church was a representative one. Mr. Nichol, of the Presbyterian Church, presided. Remarks were made by Rev. W. Smythe (Methodist) and Rev. Mr. McKenzie (Anglican). The agent presented at length the claims of the Bible Society, and the responsive tone of the meeting was cheering. A new location was secured for the depository, and every effort will be made to advance the contributions.

REV. F. J. LYNCH.

Substitute for REV. T. BEVERLEY SMITH, M.A.

DUNSFORD.—A fairly well attended meeting was held in the Methodist Church. In the absence of the President, Mr. C. Hore, the chair was taken by the Rev. M. E. Wilson, one of the most efficient agents of the Society. The report of the painstaking Secretary, Miss Brien, showed that the faithful collectors had covered the whole territory, with encouraging results.

LINDSAY.—The small attendance of forty in St. Paul's Schoolhouse was disappointing, but partly compensated for by the hearty interest of the audience, and especially of the local clergy, most of whom were present. Judge Harding, the President, was unable to be present, so the Rev. Dr. Bishop was elected to the chair. The devotional exercises were conducted by the Revs. Messrs. Marsh and Welsh. The Secretary, Mr. F. W. Sutcliffe, being called away by a bereavement, Mr. J. H. Knight, for many years efficient Treasurer of the branch, presented the reports, which revealed that if the town and surrounding country were thoroughly canvassed, the generous contribution of those solicited might be largely added to. All present were sorry to hear the chairman read a letter of resignation from the Secretary. This important office will be filled for the ensuing year by Mr. L. A. Murphy.

VALENTIA.—The Rev. J. E. Moore, of Little Britain, kindly met the agent at Maripose Station, entertained him hospitably, and drove him to the meeting in the schoolroom of the Methodist Church. The attendance was quite up to the average, and the reports presented indicated continued zeal on the part of the collectors and all the officers, the reelection of whom was a decided mark of approval.

LITTLE BRITAIN.—The Rev. J. E. Moore presided at the well attended and enthusiastic meeting held in the schoolroom of the Methodist Church. The agent's address was followed by a short but inspiring one from the Rev. C. H. Hainer, who for many years has rendered valuable service on behalf of the Society. He was chosen President for the ensuing year. The office of Secretary will be filled by Mr. David Yerex, and that of Treasurer by Mr. J. F. Dix. The expectation is that this year will see all previous records surpassed.

OAKWOOD.—This meeting, held in the Presbyterian Church, was a most satisfactory one. Mr. Walton, as President, and Mr. Rennie, as

Secretary, have for many years done yeoman service in the interests of the Society. Revs. Messrs. Brown and Munro were present, and took a hearty interest in the proceedings. At the suggestion of the president, it was decided to aim at \$50 in free contributions for the current year. \$10 was quickly subscribed at the close of the meeting.

REV. P. J. McLAREN, B.A.

WHITECHURCH.—The Annual Meeting of this branch was held November 11th in the Methodist Church. Rev. Mr. Finlay, pastor of the church, presided, and was assisted by Rev. George Duncan. The report of the Secretary-treasurer, Mr. Henderson, showed that this branch is doing good work. Your agent spoke on the work of the Bible Society, and was ably assisted by Revs. Mr. Finlay and Mr. Duncan.

RIPLEY.—The Annual Meeting was held in Knox Church, and Rev. W. A. Bremner, pastor, presided. The report of the Secretary-treasurer was very encouraging. Your agent presented the claims of the Bible Society, and Rev. Mr. Bremner and Mr. McLeod gave most hearty assistance.

KINLOUGH.—The night was very stormy, and on that account the audience was not as large as expected. After devotional exercises, led by Rev. Mr. Hamilton, rector of the English Church, where the meeting was held, Mr. Robert Malcolm, the Secretary, gave an encouraging report of this branch. After the agent's address on the work of the Bible Society, and reasons for sympathy and support, Revs. Messrs. Hamilton and Smith spoke kindly of the great work and needs.

RIVERSDALE.—This branch is in good condition and manned by efficient workers. The Annual Meeting was held November 14th, and was fairly well attended, and much interest was manifested in the work of the Bible Society.

ASHFIELD.—The officers of this branch arranged to have the Annual Meeting on the Sabbath evening, November 17th, in the Presbyterian Church, and the agent had a fine opportunity to present the work of the Bible Society. Rev. A. Miller, pastor of the church, also spoke encouraging words. This branch is in a very flourishing condition.

PINE RIVER and AMBERLEY.—The Annual Meeting of this branch was held on November 18th in the Bethel Methodist Church. In the absence of the President, Rev. Mr. McFarlane presided, and conducted the devotional exercises. The report of the Secretary-treasurer was encouraging. After the election of officers, the agent presented the needs and claims of the Bible Society, and was supported by Revs. McFarlane and Fidell.

BERVIE.—The Annual Meeting was held in the Presbyterian Church on November 19th, and was well attended, especially by young people. Rev. W. Patterson presided. After devotional exercises, the Secretary-treasurer, Mr. Henderson, gave a report showing that much interest is taken in the work of the Bible Society. Rev. Mr. Bremner, pastor of the church, gave a short address, which was followed by one from the agent.

LANGSIDE.—The night arranged for the Annual Meeting of this branch, in the Methodist church, turned out to be a very wet one, and owing to the small number present, it was decided to have another meeting in two weeks, in the Presbyterian Church, and Rev. George Duncan and Rev. W. A. Finlay would give addresses.

REV. F. G. NEWTON.

LAMBETH, Nov. 7th.—I found a lively branch of the Society here. Rev. J. Fisher, a retired Methodist minister, is doing yeoman service to support the zealous President, Rev. G. Jowett and his committee of workers. The meeting was held in North Street Church, and there was a fair attendance. The choir service was especially excellent. Your agent addressed the meeting at length, on the Society, its past, its present and its future work. He alluded especially to the growing claims of the West, and the energetic work of the Society seeking to meet the demand. He spoke also of the translational, colporteur and Biblewoman work. A hearty vote of thanks to your agent was moved by Rev. Mr. Tiffin, seconded and carried, and a good meeting was brought to a close.

LOBO, Nov. 11th.—I visited this branch, and found a nice gathering of people warmly interested in Bible Society work. The meeting was held in the Presbyterian Church, Ivan, with the Rev. Mr. Argo in the chair. After the devotional exercises, the reports were read, the officers elected, a vote of thanks tendered the retiring Secretary, Mr. McLachlan, and a discussion relative to division of this large district followed. It was thought in the end that the district could be best worked as it is, but a recommendation was made that some effort be made to awaken interest in the Society in Komoka, and parts adjacent, where there had once been a branch. Your agent then spoke on the work of the Society, especially alluding to the change of name, incorporation and other new features, and also its significance, its work among the immigrants East and West, and its value to the Church as a Society which translates, prints and circulates the Scriptures in connection with the spread of the Gospel all over the world. His talk was illustrated by incidents from the lives of the Society's colporteurs and Biblewomen. His address was listened to with rapt attention from beginning to end. The returns were incomplete, but will be finished shortly, and sent in to headquarters.

REV. F. O. NICHOL.

ARMOW, Sept. 9th.—The meeting was held in the Presbyterian Church. It was in charge of Forbes Robertson, for forty years its President, and still as deeply interested as ever; a good attendance and fine interest shown. The old collectors and officers were re-elected, and think we may count on liberal contributions.

MILDMAY, Sept. 16th.—The German Methodist Church invited the Society to hold its annual meeting there. Had fine audience and capital attention. All the resident ministers were present, and spoke in sympathetic terms. The board of officers was re-elected.

BURGOYNE, Sept. 18th.—This is one of our best branches; always well attended and generously supported. Owing to the removal of President Evans, Alex. McLaughlin, an old friend of the Society, becomes successor, and good results will be forthcoming. This branch always furnishes an excellent musical programme.

GLAMIS, Sept. 27th.—Held meeting in the Baptist Church, and spoke on the cosmopolitan character of the Society's work. Owing to small sales, and little interest shown in the work of depository, it was decided to close it.

SOUTHAMPTON, Oct. 3.—This has, during the last year, become the banner branch of the district, owing largely to the energy of the officers, the hearty co-operation of the ministers, and the enthusiasm of the collectors. Last year this branch gave its largest contribution on record.

NORTH BRUCE, Oct. 11th.—This branch has previously conducted its own meetings, but this year invited an agent. The meeting was not very well attended, owing to bad weather. A new President was elected, owing to the removal of the Rev. Hector McQuarrie, to Toronto.

PINKERTON and EDEN GROVE, Oct. 15th.—This meeting, owing to the various causes, was very thinly attended. All the officers were present, and can be counted upon for seeing that the contributions are up to previous years.

PORT ELGIN, Oct. 24th.—The meeting was held in the Baptist Church, and presided over by Rev. Colling, of the Methodist Church, the new President. This branch abounds in enthusiasm, and its depository has the largest sales of any in the district.

CARGILL, Nov. 24th.—The territory of this branch is limited, but it can always be counted on for results that are gratifying.

REV. C. H. P. OWEN.

AUBURN, Sept. 11th.—Your agent commences his work this year on the above date in Auburn, which as the rain fell all the afternoon and continued intermittently through the evening, was by no means the "loveliest village of the plain." In spite of the rain, about 65 in all turned out to hear what your agent had to say. The faithful secretary of this branch was unable to present, owing to illness, which we trust God will relieve him from. The lantern worked well, and the slides proved, as usual, quite an attraction. The local pastor of the Methodist church, Mr. Jones, presided, and the meeting, in spite of all, must be considered successful. The offertory was a good one.

LONDESBORO and HULLETT, Sept. 12th.—The meeting, in connection with the Londesboro-Hullett branch was held in Knox Church, about two miles from the village. Rev. Mr. Leckie drove your agent in heavy rain, which fell all the evening. Again quite a few faced the elements, and though the lantern failed me, yet all went away interested, and the offering was very good for such a gathering. Had there been no hope of a lantern, I fear the gathering would have been a blank.

KIPPIN, Sept. 13th.—The Annual Meeting here was held in the Methodist Church, whose good pastor drove out from Hensall and presided, assisted by Mr. Urquhart, of the Presbyterian Church. Many said that the meeting was one of the best ever held in Kippin. The lantern did its duty, and the Bible and the reformation proved to many of living interest.

GODERICH, Sept. 14th.—Goderich is not yet enthusiastic over the Bible Society. The meeting was held in the Temperance Hall. Your agent, in his endeavors to get a meeting, visited the school, but the two counter attractions of the night were too much; about seventy-five people was the sum total. The lantern failing, your agent turned to Indian work and the work of the Bible Society in our own country, and after a meeting of appreciative warmth, and a few words from some of the local pastors, several of whom were present, the meeting was closed. The hope of the

Bible Society in Goderich would lie in personally seeking some half a dozen to take a lively and responsible interest in the work.

NILE, Sept. 15th.—On Saturday night, your agent enjoyed a very nice little meeting at Nile. A more attentive audience could not have been, although small, and it was a very encouraging one. I trust that Nile will yet prove its vigour in the cause of the Society.

PORT ALBERT, Sept. 17th.—A very good meeting assembled in the Presbyterian Church at Port Albert to meet your agent, Rev. Mr. Smith, the Dungannon minister, very kindly accompanied your agent on this jaunt. The weather was very threatening, and thunder and lightning was the accompaniment of the meeting, from which I feel sure all got home dry. I am sure the work of Port Albert is encouraging, and your agent felt that the meeting was a very good one.

BRUCEFIELD, Sept. 19th.—The meeting at Brucefield was attended by considerably over one hundred people. The lantern again proved a help to your agent, and I am sure that much interest was aroused. Brucefield has a great friend of the Society in the worthy pastor of the Presbyterian Church, where the meeting was held, Rev. Dr. Sawers presided, and by his words proved his interest. The death of the President, Mr. William Fotheringham, occurred during the year. Mr. George Forrest was elected President. It was unanimously agreed that this meeting desires to express its sense of the loss the Brucefield branch of the Upper Canada Bible Society has sustained in the death of the President, Mr. William Fotheringham, who for ten years managed the business of the branch with judgment and ability, and to extend its sympathy and condolence to the widow and family of the deceased in the great loss they have sustained in losing a husband, counsellor and friend. Brucefield has always done well, and I feel sure will still do better.

VARNA, Sept. 20th.—Varna is but a small village, but we had quite a good turnout to the Bible Society meeting. Revs. Brown and Robertson both gave your agent a willing hand. The meeting was quite enthusiastic; collectors were appointed, and it is to be hoped that the work will be done well and early this year.

CLINTON, Oct. 8th.—Your agent visited Clinton to meet with the chief disappointment in his whole work. The church (Methodist) in which the meeting was arranged for originally, permitted a Young People's meeting to eject the Bible Society, and the ladies of the other Methodist church, in which the meeting was held, raised another counter attraction. It is in the towns and cities that *work* for the Society needs to be done. In many of these places, not one of the local pastors will give the energy of one day to the work, much less a week of thought and interest. It is in places like this that personal work is needed. All present, less than thirty, spoke with appreciation of the meeting, and I trust that the prayer of Clinton may meet response in renewed effort.

CONSTANCE, Dec. 10th.—The Annual Meeting of this branch was held on the above date. In spite of the rain and great darkness, a goodly number assembled in the Methodist Church. Mr. John Wilson, who for so many years has been a leader of this branch, having moved to Seaforth, his brother, Mr. Wm. Wilson, Jr., was moved from Secretary to the chair, and the office of Secretary was tacked on to the Treasurer's duties, and again entrusted to Mr. Clark. The meeting was one which showed that Con-

stance was thoroughly interested in the work, both in our own land, and in the world at large. Your agent exhibited a number of Indian curios and illustrated the Society's work with stories of our Indian wards. The collection amounted to \$1.50.

REV. WILLIAM JOHN SCOTT.

ZEPHYR, Nov. 8th.—The Annual Meeting was held in the Methodist Church, Mr. James Arnold, the President, occupying the chair, and the Methodist, Presbyterian and Memmonite ministers being present. The attendance was very good, there being about 200 in the audience. The agent gave an address on "The Bible in Africa" illustrated with the magic lantern. He also dwelt upon the great work being done, and to be done in Canada. The attention was good. The officers of the previous year, having been appointed in their absence, no canvassing for subscriptions had been made, but it was determined to prosecute the work with vigor.

WILFRID, Nov. 13th.—The meeting was held in the Methodist Church, where two nights before a great Annual Festival took place. This, together with very stormy weather, resulted in a thin attendance. Rev. David Egerton Johnston, the Methodist minister, presided, and he and his wife hospitably entertained the agent.

MARA, Nov. 14th.—There were about sixty persons present at the Annual Meeting in the Methodist Church, at Brechin. The Methodist and Presbyterian ministers took part, the report for the year was presented by Mr. W. P. McPhee, the Secretary-treasurer, and the officers were unanimously re-elected. The agent gave his illustrated address on "The Bible in Africa," with much acceptance. On the afternoon of the following Lord's Day, your agent was driven by Rev. W. W. McRae from Beaverton, and preached to a full congregation in the Presbyterian Church at Gamebridge, which is within the borders of this branch, on "The Word of God, which liveth and abideth forever," 1 Peter 1 : 23, illustrating his discourse with facts from the history of the Bible, in Madagascar and elsewhere. This is a sturdy community, and the agent looks back with great pleasure to his stay while at Brechin, at the home of the President, Mr. John Turnbull.

BEAVERTON, Nov. 17th.—This was the largest meeting of the agent's tour. As is their custom, the meeting was held on Sunday evening, this time at the St. Andrew's Presbyterian Church. The chair was occupied by the Rev. S. T. Tucker, the Methodist minister. Revs. D.W. Best and W. W. McRae, Presbyterian ministers, were also present. The congregation numbered about 800, who listened with great attention, to the agent's address, illustrated with lime-light views. The Rev. D. W. Best kindly operated the lantern, with great skill. The depository was visited by the agent. The business done for the year was inconsiderable, but it is hoped it will improve. The report of the year's work, and the appointment of officers took place at a later meeting. The President, Mr. H. Logan, and his wife very hospitably entertained the Society's representative.

MOUNT ALBERT, Nov. 19th.—The meeting here was a great success. It was held in the Methodist Church, and the weather was so beautiful as to almost tempt people out. The President, Mr. Allen Theaker, occupied the chair, and was supported by the minister of the church. The Presbyterian minister, who is a firm friend of the Society, was away from home.

The audience overflowed from the floor to the gallery, and there were about 300 persons present. The report for the year was presented by the able and efficient Secretary-treasurer, Mrs. J. Moore. The valuable officers were re-appointed. The choir, under the leadership of Mr. John Rowland, greatly helped the meeting by their singing. The agent's illustrated address was listened to with the greatest attention, and at the close, on the motion of the Methodist minister, a vote of thanks was unanimously tendered him. The agent visited the depository, which is under the care of Mr. M. R. Summerfeldt, who takes a deep interest in the work. The agent also visited the hotelkeeper, who readily consented to place a copy of the New Testament in each of his eighteen bedrooms.

VROOMANTON, Nov. 21st.—There were about 70 persons present at this meeting, which was held in the Methodist Church, under the presidency of the minister, and the Rev. W. F. Roach, who was afterward chosen President of the branch for the year. Deep interest was shown in the work of the Society as presented in the speech and picture by the agent, and the officers for the year were appointed. The agent was kindly entertained at the minister's house.

SANDFORD, Nov. 22nd.—The meeting here was presided over by the Rev. A. J. G. Cascadden, the minister of the Methodist Church, in which it was held. The business for the year was attended to, and the agent's address received with great interest by the seventy-five persons present. This is a fine and prosperous section of country; but through the removal of the Secretary-treasurer, and other causes, no collectors had been at work for two years. There is great promise that this will not occur again this year.

SUTTON WEST, Nov. 26th.—Notwithstanding a heavy snowstorm all day, there was an audience of about eighty people at the meeting, which was held in the Methodist Church, with the Rev. W. H. Laidlaw, the minister, in the chair. This gentleman was afterwards appointed president for the year. Mr. Robert Donald, Vice-President, and Mr. James W. Birch Secretary-treasurer. Great attention was paid to the agent's illustrated address, and it is hoped the interest in the work of the Society deepened. The depository is Mr. Charles W. Leigh.

SUNDERLAND and CANNINGTON.—The agent corresponded with these branches, and found that it was the custom, at each place, to hold a united meeting on a Sunday evening. The local ministers were to speak at the one at Cannington, but the agent was invited to speak at the one at Sunderland, on November 10th. As, however, he had arranged to be at Beaverton on the Lord's Day, November 17th, he felt that he could not be away from his own pulpit on that day also.

REV. D. A. THOMSON.

WEST HUNTINGDON, Sept. 30th.—A good meeting was held in the Methodist Church. The President, Mr. David Fleming, a veteran in the work, occupied the chair; and Mr. James Gay, the efficient Secretary of the branch, was on hand with a good report for the year. The Rev. G. E. Ross followed your agent with a brief address of encouragement in the work. The Rev. F. Robinson, pastor of the Presbyterian Church, was unavoidably absent on account of another engagement previously arranged for at Burnbrae.

MOIRA, Oct. 1st.—The meeting here was not as large as usual for two reasons: The nights on which the announcement of the meeting was made were both very wet, and few heard of it; and also a fair in the neighborhood was in progress. Mr. Ketchison, the Secretary, presided in the absence of the President, who was called away by the death of a near relative. This branch requires attention.

ROSLIN and THOMASBURG, Oct. 2nd.—The meeting of this branch was held at Plainfield. A fair was held that day in the vicinity; nevertheless the attendance was fairly good and representative. The pastors of the Methodist and Presbyterian Churches were both present, and rendered valuable assistance to your agent. The Rev. S. Kemp was elected President, and the Rev. J. A. McConnell retained as Secretary. Both addressed the meeting, and advocated a deeper interest in the work of the Society.

FLINTON, Oct. 3rd.—This is a branch somewhat difficult to reach from such a point at Plainfield. It meant all day on the road by stage and rail. It was raining, yet the attendance was fairly good. The Rev. T. Wallace presided; he is a good friend of the Society.

TWEED, Oct. 4th.—The meeting was held in the Presbyterian Church, the Rev. James Binnie, B.A., pastor of the church, presiding. Gratifying reports were received from the Treasurer and depository. The President, Mr. Newton, sent a note of apology for his absence, and desired the meeting to fill his place with another who could attend. Mr. George Clare was, therefore, elected President, and Mr. N. J. McNair as Secretary. The President-elect then took the chair, and after speaking a word on behalf of the work, introduced your agent, who addressed the meeting. No doubt Tweed will do its duty towards the Bible Society, as it has done for years past.

MARMORA, Oct. 8th.—The meeting was held in the Methodist Church. The pastor, Rev. W. B. Secombe, was elected President, and took charge of the meeting, which was a good, representative and appreciative one. Reports showed that nothing was done by the collectors last year, and the meeting was desirous of making up for time thus lost. The officers were promptly elected and the collectors appointed. The agent's address was evidently appreciated, and the hope is that it may bear fruit.

MADOC, Oct. 9th.—This is a branch alive to its work. A joint gathering of prayer meetings in the Methodist Church, with the efficient President and officers promptly on hand, and the pastors of the Methodist and Presbyterian churches present and helpful. A new departure was considered advisable by the executive, namely, that no collection be made at this meeting; that the agent give information regarding the work of the Society, and a thank offering be made by envelopes, at a joint meeting of the churches on Thanksgiving Day. We have faith in the project, and believe a large increase in contributions will be the result.

BANCROFT, Oct. 10th.—The night was very wet and dark. The meeting small in attendance, but the right men were on hand. A branch has not been organized here, and those present were desirous of knowing about the work of the Society. Your agent addressed the meeting, giving them an outline of the great work the Bible Society is doing throughout the world, and especially in Canada, and answering questions regarding it. It was then and there unanimously agreed to open a branch in Bancroft. Mr. E. D. McConnell, teacher, was elected President, and Mr. Stewart

Brown, of the Metropolitan Bank, Secretary-treasurer of the new branch, with the resident ministers as Vice-Presidents, and a committee selected from the different parts of the district to co-operate in the work. The Rev. J. W. Mitchell and Mr. Jackson, depository, rendered valuable assistance towards forming this new Branch. The former is doing excellent work in distributing free copies of the Gospels at his own expense. in Italian, Polish and Bulgarian among the miners and railway laborers in this region, and deserves all encouragement in this good work which the Society can give.

HASTINGS, Oct. 16th.—Here a union of prayer meetings was held. Several things were against the meeting, viz., counter attractions, failure of the electric light, and a resort to coal-oil lamps; nevertheless, we had a good meeting. The efficient Secretary-treasurer, Mr. W. P. Plant, was on hand with correct minutes to be read, and a complete financial statement to submit. The minutes of the executive meeting engrossed a motion of sympathy to the bereaved family in connection with the death of our president, Mr. H. M. Fowlds. For the first time in a quarter of a century this branch was called upon to elect a President. Touching reference was made by your agent to the loss thus sustained by the death of Mr. Fowlds, who always took a deep interest in the Society's work, and gave generously towards its support. The branch has chosen a worthy successor in the person of Mr. Hugh Collins. Your agent addressed the meeting on the work, and was followed by the Rev. W. Burns, of the Anglican Church. Rev. W. Elliott, of the Methodist Church, was unavoidably absent by reason of the death of a near relative. The choir rendered valuable service, and Miss L. V. Fowlds sang a solo with much taste and feeling.

HAVELOCK, Oct. 21st.—I visited this place for the second time this year. The first time, through some misunderstanding and wet weather, and the second time on the above date. The weather was cold but clear. The meeting was a good one and representative. The League, from the Methodist Church, joined us in the Presbyterian Church, and swelled the number. The Rev. Mr. Balfour had a previous engagement elsewhere, but sent his contribution along with his apology. Messrs. Denike, Thomson and Chiles, the officers of the branch, were on hand, and attended to their duties most efficiently. Reports showed that all parts of the district were well canvassed last year, and collectors were appointed for the same this year.

SPRINGBROOK, Oct. 22nd.—This was my second visit here also. On the 7th, the night was so wet and dark there was no meeting held; but on the above date, we had a very good meeting, it being moonlight. The League joined us, and there was a good turn out of the young people. The President, Mr. Mason, the Secretary, Mr. Roblins, and the pastor, Rev. Mr. Seccombe, were present and helped in the meeting. Your agent addressed the meeting on the three uplifting forces—the Bible, the missionary and the Holy Spirit.

NORWOOD, Oct. 23rd.—Notwithstanding a convention of the Epworth League in the Methodist Church, and other attractions, a good meeting greeted your agent in the Baptist Church. The pastors of the other churches were unavoidably absent. The Rev. Mr. Desson, pastor of the Baptist Church and President of the branch, occupied the chair. The reports given by Mr. J. E. Roxburgh, Secretary, and Mr. Squires, Treasurer, were most gratifying. Over \$100 had been contributed since last meeting. This branch is well officered, and the collectors are evidently of the right kind for the work. "By their fruits ye shall know them."

CAMPBELLFORD and SEYMOUR, Oct. 27th.—At the request of the branch, your agent gave his attention to the Seymour part of the district. The meeting was held on the Sabbath with a view of giving to this part of the branch more information regarding the Society and its work. The day was very wet and somewhat cold, and the meeting small for that district, where the people are a Sabbath loving and church going class. Your agent addressed them on the origin, progress and needs of the Society, dwelling particularly on the Canadian work.

REV. MATTHEW E. WILSON, M.A.

BEWDLEY, Oct. 1st.—The first meeting of the series of branch visitation over the district was held in the Methodist church. The community being altogether rural, and the residents very busy with duties peculiar to the season, the attendance was not so large as it would have been later in the season. The meeting, however, was full of interest, and the territory of the Branch fully covered by painstaking organization. The work of the Bible Society has been long established in this old community, and the interests of the work of the Society seems to have the loyal support and deep concern of all classes. Your agent was much interested in listening to tales of the self-denying efforts put forth by collectors of the branch in early days of its history. The community is well-to-do, and the best of results should be realized in it, through the work of the branch.

HARWOOD, Oct. 2nd.—The territory embraced by this branch seems to be passing through a stage of transition, but for the better. The large lumbering industries of very recent days have passed away, and the effect is seen on the village, more particularly, but other activities are rapidly taking form, while in the meantime, the wealth producing farm and water way have been growing in importance, so preventing the religious and moral forces in the community from financial suffering, to any great extent. The branch meeting was well attended in the Presbyterian Church. The organization of the work received careful attention, and your agent's address concerning the work of the Bible Society, cordially received. Your agent was very hospitably entertained in the home of Mr. R. McCollough, an earnest friend of Bible Society work.

ROSENEATH, Oct. 3rd.—After a very pleasant sail down beautiful Rice Lake, and a drive of three or four miles inland, the neat and beautifully situated village of Roseneath was reached. All was in readiness for the branch meeting when your agent arrived in the Presbyterian Church. The Rev. Mr. Dupreau, of the Methodist Church, presided, and an interesting meeting was held. The branch is well organized, doing efficient work in Bible Society interests.

CENTRETON, October 8th.—The regular meeting of the Centreton branch was held in the commodious school-room of the Methodist Church. The Rev. Mr. Higgs presided, and after the customary opening exercises, interesting reports of the branch work were presented, which were all very satisfactory. The officers were then appointed, and the agent gave an address presenting the claims of the work. There was a manifest interest in the great work of Bible circulation throughout the world. It was inspiring to see the leading men of the community so loyal and interested in the work of the branch.

CASTLETON, Oct. 9th.—A very well attended meeting was held in the Methodist Church, Mr. Newman, President of the branch, presiding. The branch Bible Society has been long established, and has an excellent record for faithful work. The Secretary, Mr. Mullett, took occasion while making his report to make reference to the work of the Bible Society in Palestine, from which country he had only recently returned. It was especially helpful and interesting to hear of the colporteurs' labors in this distant land. After the business of the branch was carefully disposed of, your agent's address was received with attention and interest. Rev. Mr. Barrett pronounced the benediction, and a most interesting meeting was brought to a close.

PERCY, October 10th.—The Percy branch Bible Society is one of the oldest and most efficient branches in the whole district. Every department of work is well officered and well sustained. The President, Mr. Dunnigan, has done pioneer work for the cause, while the careful Secretary, Mr. W. Hamilton, and the efficient depository, Mr. Walker, have kept well to the front the cause of Bible distribution. The meeting was held in the Methodist Church, and was in every way a success. The community is keenly alive to the interests of our great and important work.

CAMBORNE and COLDSRINGS, Oct. 12th and 13th.—These branches this year reach the semi-centenary of their existence. In consequence, plans were arranged to make the event as significant as possible. By previous arrangement, the regular meeting was held in the Methodist Church on Saturday evening. The business of the branch was despatched with great care, and the various reports showed a sound healthy interest in the work of the Bible Society throughout the community. An interested and intelligent audience listened to the agent's address with manifest appreciation. The Rev. F. Johnston presided during the evening, and rendered valuable aid in a brief address commending the work of the Bible Society. On the Sabbath following the branch had arranged for the services of your agent in the Congregational and Presbyterian Churches. At half-past two o'clock your agent met a large audience in the Congregational Church, and was enabled to present the claims of the Society in his discourse. In the evening at seven o'clock, even a larger congregation assembled in the commodious Presbyterian Church. The choir rendered exceptionally fine music, and your agent was permitted to urge the claims of Bible circulation during another sermon. This branch takes much interest in its work, and is amongst the most capable in the district. Much sympathy was felt and expressed with Mr. Snelgrove, the veteran Secretary, whose serious illness was of much concern to the branch.

SMITHFIELD, Oct —Your agent reached this branch a few minutes before the hour of meeting. A very interesting audience assembled in the Methodist Church. After devotional exercises, the business of the branch was conducted thoroughly and with despatch, after which the customary address, covering as far as possible, the work of the Bible Society, was well received. This branch is amongst the more recently formed ones, being organized by your agent upon a former visit a few years ago. The work is in a very healthy condition, and your agent, whoever he may be, will always be welcomed by the Smithfield branch.

COLBORNE, Oct. 16th.—The interest in the work of the Bible Society within the bounds of the Colborne branch seems to be in the ascendant. There is no branch in the district with more efficient and willing officers than the Colborne branch. The venerable Rev. P. Duncan, who this year

completes a pastorate in the same charge of half a century, has been for many years an earnest supporter of the cause of Bible circulation, presided at the meeting and was re-elected President. Miss Annie Robertson, the capable Secretary, and indefatigable depository, has brought the sale of Bibles to the highest point reached by any branch in the district, and, with the most unselfish spirit, takes all the trouble without any remuneration whatever, remitting even her lawful claim to assist the spread of God's Word in all lands. The meeting was held in the Presbyterian Church, and was well attended by representative men in the affairs of the community. The future of the work here is very hopeful, and the outlook encouraging.

BRIGHTON, Oct. 15th.—The Annual Meeting of this interesting branch was held in the Presbyterian Church, of which the Rev. J. K. McLeod is the popular pastor. On account of a peculiar combination of local circumstances, the meeting was not so well attended as it might have been. The work of the branch was arranged for the year, Mr. Ketchum taking the position of Secretary, made vacant through the removal from town of the former efficient Secretary, Mr. Burk. There is a very loyal interest in Bible Society work in Brighton, and the branch is doing a good work.

BALTIMORE, Oct. 17th.—The meeting arranged for on the above date, in the Methodist Church, was, owing to peculiar local conditions, not the success it ought to have been. The work of the branch here needs reorganization. There is hope, however, that better work will be accomplished this year. The depository, under the management of Mr. W. Crothers, is very satisfactorily managed, and the community loyal to Bible Society claims.

COBOURG, Nov. 10.—This branch, under the able direction of Mr. Bickle, the President, is especially efficient. Your agent was requested to preach in the interests of the work on the above date, and had the privilege of addressing meetings in the Methodist and Congregational churches of the town. The services of other efficient workers were also utilized, and, in fact, no effort was spared, so that the whole town might be brought into sympathy with this great work. This branch has had a long and distinguished history, and will continue to put forth a strong effort to send God's Word throughout the world.

LAKEPORT, Dec. 27th.—On Friday evening, Dec. 27th, a union meeting of the Lakeport Presbyterian and English Churches was held in St. Peter's Church. Rev. Matthew E. Wilson addressed the meeting at some length, describing the greatness of the work undertaken by the Society, and the need of financial aid in carrying on this worthy undertaking. A local branch was organized with the following officers:—President, Rev. V. Morgan; Secretary, A. E. Southon; Treasurer, Miss Jennie Nicholl.

BRANCH REPORTS

REPORTS OF BRANCH SOCIETIES WHICH HELD THEIR MEETINGS WITHOUT AN AGENT.

ALDBORO—As secretary of the Aldboro branch Bible Society I want to say that I have been Secretary-treasurer for seventeen years, and Secretary for many years previous, and I must say that the Annual Meeting of the Aldboro branch held on the evening of November 29th last, was not the best in attendance in the history of the Society; but those of us who were present on the 29th, were more than pleased with the address which was so ably delivered by your District Secretary, Rev. R. J. Bowen. While I would not for a moment belittle the agents who have addressed the Society in the past, for we have had some very good men, the Upper Canada Bible Society is to be complimented indeed in securing such a man as Mr. Bowen as District Secretary for the Western part of Ontario. He is a spirited and interesting speaker, and although he spoke for over an hour, yet you could hear those present saying, "We could listen another hour." Seventeen years ago the Society raised \$17.78; for the year ending December 31, 1907, we raised \$28.10, this being the largest possibly since the organization of the Society forty years or more ago.

JOHN MCLEAN, Secretary-treasurer.

ALVINSTON—The Annual Meeting of the various Protestant denominations of this community in the interests of the Upper Canada Bible Society was held in the Presbyterian Church on last Sabbath evening. The large attendance manifested the growing interest of our people in the splendid work of the Society. The union choir completely filled the choir loft and greatly assisted in making the service of praise inspiring. On the platform were seated the local clergymen along with the speaker of the evening. The retiring President, Mr. A. McPhail, presided with his usual dignity.

The people joined heartily in singing the various hymns; especially in the familiar hymn, "Blest be the tie that binds our hearts in Christian love." The anthem by the choir and the solo by Miss Irving were much appreciated. Mr. H. H. Middleton read the Secretary's report of the meeting of the executive committee, recommending Mr. Chas. Brennan, President; Mr. Norsworthy, Vice-President and Mr. H. H. Middleton, Treasurer. The report was adopted. A hearty vote was tendered to the collectors whose combined efforts amounted to \$71. The main feature of the evening service was the address by Rev. R. J. Bowen, the district Secretary of the Canadian Bible Society.

BLAKE—The sixteenth Annual Meeting of Blake Branch Bible Society was held in the church, on the evening of October 23rd. Rev. Mr. Davidson, the pastor of the church, occupied the chair. After receiving the annual reports, the election of officers took place, resulting as follows:—

President, J. A. Manson; Secretary-treasurer, G. S. Howard; executive committee, G. Douglas, G. Sparks; collectors, Misses S. Allan, M. Johnston, L. Pollock, L. Snowden, G. Murray, E. Dinsmore, M. McBride, and Mr. Wm. Carnie. This Society wishes to place on record how deeply it deplores the death of its former President, Mr. William Carnie, who held with acceptance that office since the Society was organized, sixteen years ago, and who was always in sympathy with the work, and untiring in his efforts to promote its interests. Rev. Mr. Davidson then spoke briefly on the work of the Society, and urged on all to cultivate a deeper interest in the work. The reports show this branch to be in a healthy condition, and the collectors are to be commended for their canvass of the community.

J. A. MANSON, President, G. S. HOWARD, Sec.-treas.

BROOKLIN—The Brooklin Branch of the Upper Canada Bible Society celebrated its Jubilee on Monday, December 9th. The meeting was held in the Masonic Hall of the village, and, though the night was stormy, there was a very good attendance. All the resident ministers took part in the service, and a most interesting sketch of fifty years' work was given by Mr. T. Holliday, whose grandfather was the first President of the branch, fifty years ago. The Rev. Jesse Gibson, Secretary of the Upper Canada Bible Society, then gave an illustrated lecture on the work of the Bible Society. He is hoping great things from this branch.

COMBER and WEST TILBURY—The Annual Meeting of this branch Bible Society was held in the Presbyterian Church at Comber, Sabbath evening, November 24, 1907, and the other churches in the village with drawing their services, there was a large congregation. The meeting was conducted by the President, Mr. J. E. Mitchell, and was held without the assistance of an agent of the Society. Excellent music was furnished by the church choir, and the speakers were Rev. Mr. Dobson, of the Anglican Church, and Rev. Mr. Barker, of the Methodist Church. Great interest was taken in their addresses, which were inspiring and helpful. A collection of \$11.75 was received, after which, the retiring officers were re-elected for the ensuing year, and the meeting closed with the benediction.

J. E. MITCHELL, Chairman, ROY AINSLIE, Secretary.

DELHI—The Rev. Jesse Gibson, of Toronto, visited Delhi, in the interests of Bible Society work, on Sunday evening, June 16th. He preached in the Methodist Church at the regular hour of church service, conducting a mass meeting of all the churches at the close, beginning at eight o'clock. There was a large attendance, an interesting Bible Society address, and a generous collection amounting to nearly \$10. An executive meeting was held in September, at which the usual officers, collectors, etc. were appointed. Our people here are interested in Bible Society work, and this is one cause at least to which nearly everybody plans to give something.

IDA L. FOSTER, Secretary.

EAST ZORRA—The Annual Meeting was held in the 12th line Baptist Church, Friday evening, November 8th. In the absence of the President, Mr. John A. Macdonald, who has moved from the township, and of the Secretary, who was in Manitoba, for a health trip, the meeting was arranged for by the executive, and arrangements loyally carried out. The Secretary was in the chair, though the president arrived during the course of the meeting, and took some part in it. The Treasurer's report showed \$89 sent to Toronto for 1906, and a further sum to apply on this year's business of some \$28., largely from visit in early part of the year of the field-secretary. Mr Macdonald was succeeded in presidency by Mr. Robert

Lash, the rest of the officers, committees, and collectors being generally reappointed. Appropriate addresses were delivered by Rev. C. S. Pedley and Rev. C. W. King, the former detailing the organization of the British and Foreign Bible Society and its work; the latter with the mission of the Scriptures, under figure of Living Waters. Prospects for the year are good.

REV. W. JOHNSON, Sec.

FORDWICH—The Annual Meeting of this branch was held on Sunday evening, October 13th, in the Episcopal Church, without the assistance of the Society's agent. After devotional exercises, the President of the branch, Mr. William Castell, took charge of the meeting. After making a few introductory remarks, he called upon the Secretary-treasurer to read the minutes of the several meetings held during the year; and also the financial statement of the whole branch for the past year. These several reports were most satisfactory, showing the total receipts from contributions to be \$123.70, an increase over the previous year of \$8.26, and the largest in the history of the branch. The Rev. E. Farr, in moving the adoption of the several reports as read, spoke on the work the Bible Society is doing throughout the world, urging on all the necessity of not only having the Bible in our homes, but the great importance of reading a portion of it every day. The Rev. E. Hussar, in seconding the motion, spoke on that familiar passage of Scripture—"For God so loved the world that He gave His only begotten Son." The Rev. A. B. Dobson spoke in a general way on the Bible, and the Bible Society work. All the addresses were well thought out, most convincing, and listened to with deep interest by the large congregation present, the Church being filled to its utmost capacity. The President ended the addresses with a most strong appeal for more liberal support to the Society. The congregation responded well, by giving a collection of \$10. Meetings were also held in connection with this branch at Maine, Orange Hill and Redgrave. These meetings were addressed by the President, Mr. W. Walters, and Mr. S. Strome. The collections at each of these meetings were in advance of the previous year.

T. GOGGIN, Sec.-treas.

GALT—Galt has the reputation of being in the front rank in the cause of the Bible Society. The 54th Annual Meeting of the branch, held on October 23rd in the Methodist Church, gave fresh proof of widespread interest in the work of Bible circulation. Mr. D. Nairn, the President of the local branch, occupied the chair, and with him on the platform, were the Revs. J. D. McLachlan and Dr. Dickson. The Treasurer's report (which, owing to whose unavoidable absence was given by the Secretary, Mr. J. R. Cavers) was very gratifying and showed that during the year over \$500 had been collected. Not only the town but the surrounding country side is included in the Galt district, which accounts for the large sum collected. Great credit is due, however, to the canvassers for the way in which they have carried out their self-imposed duty, for it is only by hard work that such results have been obtained. The Secretary's report was also of a very encouraging nature and showed that not only had good work been done in the past but that even greater things were looked for in the future. Rev. A. Logan Geggie, of Parkdale, Toronto, was the speaker for the occasion, and his address was given with his own breezy and stirring style. He said that the reason the works of Bunyan and Shakespeare live to-day is that they are near to human nature. It is so with the great Book. It is a very human Book, at the same time very spiritual. It is a crimson book, streaked through and through with the red blood of passion, and this makes it a living book. The Hon. James Young, Rev. J. Ridley, Rev. Dr. Antliff, Mr. T. Carseadden, Mr. A. De-

Guerre, Mr. John Perry and others took part in the meeting. Thanks to Mr. Geggie, the choir, etc., were passed, after the following officers of the branch had been appointed, along with a large committee: President, Mr. D. Nairn; Vice-Presidents, Rev. J. D. McLachlan, Messrs. T. A. Rutherford and John Perry; Secretary, Mr. James R. Cavers; Treasurer, Mr. Alfred Taylor; Auditors, Messrs. W. Linton and W. E. Evans.

GEORGETOWN—The Annual Meeting of the Georgetown Branch of the Upper Canada Bible Society was held in the Presbyterian Church, Thursday evening. Mr. H. W. Kennedy, President and the following officers were elected for the ensuing year. Pres. Mr. E. Finlay; Vice-Presidents, the ministers of the town; Directors, Mr. John Allen, Dr. Reed, Mr. R. D. Coutts, Mr. L. Grant, Dr. F. R. Watson, Mr. R. D. Warren, Dr. Bennett, Mr. A. R. Mills, Mr. F. M. Scarff, Mr. W. Bradley, Mr. R. Mathews and Mr. L. Chisholm. Auditor, Mr. H. W. Kennedy. Rev. R. F. Cameron having declined the nomination for Secretary-treasurer the filling of that office was left with the directors. The chairman read a letter from Rev. Mr. Atkinson expressing his regret that he was unable to be present. The annual report was presented by Rev. H. C. Priest, was of unusual interest. We have space for only a part of it as follows:—The present minute book of the Georgetown branch carries the record of our history back only to 1891. From references found in those minutes, however, we gather that the Society has been in active operation in our town for over fifty years. During that time the branch has collected and forwarded to the main Society no less than \$4,626.35. This amount does not include the receipts for the present year as the collections have not been completed. The larger place that the Society had in the hearts of the fathers of our community is evidenced by the fact that for the forty years from 1857 to 1897 the contributions of the branch averaged \$93.70 per year. Before 1857 the contributions are entered in pounds, shillings and pence, and hence are not included in the figures given. We regret that the practical interest of the fathers has been scarcely maintained by the children, the contributions for the past eleven years averaging only \$79.35. It is encouraging to notice however, that the receipts for last year, that is for 1906, were not only largely in excess of this average but surpassed considerably the average of the golden age, the year's contributions amounting to the no mean sum of \$97.80. This increase was due to the more systematic and vigorous canvass made and shows that the old average can still be maintained, provided the same time and energy is thrown into the work. As the one who has been brought into the more general touch with the collectors, I would like, on behalf of the local directors, and in so far as they are the representatives of the British and Foreign Bible Society, on behalf of that Society to convey to those ladies who have given so generously and so self-sacrificingly of their time and service to the important work of gathering contributions the warmest appreciation and the most cordial gratitude.

The addresses of the evening were given by Rev. S. Clowes Noxon and Rev. H. A. Cook. Both speakers earnestly urged the importance of the work and hoped for continued and growing interest. Musical selections were given during the evening by the Presbyterian choir, Miss Willoughby, Miss Maw, Mr. F. J. Barber, Mr. H. Hodgson, Mr. E. Warren, Messrs. Legge, Bell, Cole and Bradley.

HARRINGTON—The Annual Meeting of the Harrington Branch of the Upper Canada Bible Society was held in Knox Church, on the evening of November 25, 1907. The President, Thomas A. McDougal, M.D., occupied the chair. The minutes of the last annual meeting, and the report

for the year were read by the Secretary, and adopted. A vote of thanks was tendered to the retiring President and others for their work and interest in connection with the Society. A very large and appreciative audience gathered to hear the address delivered by the Rev. Jesse Gibson, illustrated by lantern slides. The speaker gave a very interesting account of the work being done by the Bible Society, especially as an aid to the various missionary enterprises. He also spoke of the need of more aggressive work in our Canadian Northwest, to supply the people of different nationalities with the Word of God, so that they might become good citizens. A collection was taken up in aid of the work, and the meeting was closed by singing, and Rev. Mr. Gibson pronouncing the benediction.

JOHN McCOMB, Secretary.

NIAGARA FALLS SOUTH—The Annual Meeting of the Stamford and Niagara Falls South branch was held in Lundy's Lane Methodist Church, in the afternoon of December 13th. After Dr. John M. Dee, President, called the meeting to order, Rev. A. E. Lavelle opened the meeting by prayer. The Secretary-treasurer was called upon to read the minutes of the last annual meeting, also the financial statement. These reports were most encouraging, the total amount collected being \$142. After a few remarks from the President, Rev. A. E. Lavelle, Rev. Mr. Burrell, Rev. F. C. Harper, and others, a vote of thanks was tendered the lady collectors for their valuable services for the year. It was thought prudent at the last committee meeting to dispense with the agent and annual address, on account of our section being widely scattered over the township, and of late our annual meeting, being so often on stormy nights, had consequently been very poorly attended. We also make good use of our local paper *Record and Review*, which assists us in bringing the Society before the supporters of Bible work. Our genial President, Dr. J. M. Dee, was re-elected, and all resident ministers Vice-Presidents; our executive committee is composed of two from the different evangelical churches.

JOHN A. LAW, Secretary.

NORWICH—Rev. Jesse Gibson, the well known secretary of the Upper Canada Bible Society, addressed large congregations here on Sunday, November 24th, at the Presbyterian Church in the morning, at Bookton in the afternoon, at the Baptist Church in the evening, and at a mass meeting in the Methodist Church at the close of the regular services. His addresses, says the local press, were of a stirring and eloquent character and were keenly enjoyed. His theme, from first to last, was the work of the Bible Society, its importance, its extent, and its influence on successive generations. A special collection was taken up in aid of the work which the Society has in hand.

ORILLIA—Rev. W. E. Hassard, representing the Canadian Bible Society, preached in the Presbyterian and Baptist Churches on Sunday, December 15th, and in the afternoon addressed all the Sunday Schools, telling in an intensely interesting way of the marvellous work being done under the Society's auspices. The *Orillia Times* says: The Annual Meeting of the local branch was held in St. James' schoolhouse on Tuesday evening, a large audience being present. Rev. Mr. Hassard spoke on the large influx of foreigners into Canada, no less than sixty-one languages now being spoken here. It was the duty of the Christian people to give these strangers the Bible in their own tongue, and the Society's colporteurs found that the books and their labors were much appreciated everywhere. By a series of very fine limelight views, he gave an illustrated historical

sketch of the British and Foreign Bible Society, a decided novelty, but the more impressive because of the excellence of the illustrations.

It is regrettable that a larger building was not brought into requisition for so superior a meeting. The Treasurer and depository, Mr. H. Cooke, presented his annual statement, showing a balance of a little over \$70 on hand.

PETERBOROUGH—The Annual Meeting of the Peterborough branch of the Upper Canada Bible Society held last night in the schoolroom of St. John's was not as largely attended as usual, but the gathering was a representative one, most of the different churches of the city having some of their number present. The meeting was a most interesting and profitable one, being marked by an able and eloquent address by Rev. W. H. French, M.A., of Fenelon Falls, whose remarks were listened to with close attention by the audience. The President of the branch, Sheriff Hall, occupied the chair, and Rev. J. G. Potter, of St. Andrew's, acted as Secretary, Rev. Mr. Bright, who was elected to that position last year, having left the city in the interval. The meeting was opened with the singing of a hymn, followed by devotional exercises, conducted by Rev. Canon Davidson, of St. John's, and Rev. J. G. Potter. Sheriff Hall, in the course of a short address, remarked that it was a few months more than seventy years ago that the Peterborough Branch was organized. The first president was the Hon. Alex. Stewart, and some of the first officers were historical characters. Rev. Mr. Wade was the first Vice-President, and other Vice-Presidents were Rev. Mr. Rogers and Rev. Mr. Gilmour, father of the Baptist Church in Peterborough. Other officers were the late Sheriff Hall and Robt. Reid. In that day the original Bible Society was very largely a laymen's movement, but at the present time he thought that the laymen were not taking the same interest. It was sixty-eight years since the Society had met in the Anglican Church, and they were glad to be present at St. John's.

Rev. W. H. French, of Fenelon Falls, was then introduced and gave a splendid address, in which he brought out much interesting information concerning the work of the British and Foreign Bible Society and of the Canadian Society. The report of the treasurer, Mr. John Crane, was presented by Rev. Mr. Potter and showed that \$319.90 had been collected during the year for the work of the Society and \$300.00 had been remitted. Rev. J. R. Webb and Rev. E. A. Pearson also took part in the meeting. The following officers were elected: President, Sheriff Hall; Vice-Presidents, the city clergy; Secretary, Rev. J. R. Webb; Treasurer, Mr. John Crane; executive committee, Messrs. Benj. Shortly, D. W. Dumble, T. F. Matthews R. Lees, R. J. Devey, J. J. Turner, jr., G. M. Roger, J. W. Bennett, Wm. Madill.

RAVENSWOOD—The Rev. R. J. Bowen, District Secretary, delivered the most interesting address that the Ravenswood branch has ever heard at its Annual Meeting. Mr. John Frayn, the President, introduced Mr. Bowen, who has for years been doing mission work in Western Canada, and has visited every town and hamlet in British Columbia, Alberta and the Yukon. He gives, says the local report, a vivid description of the immigration into Canada from European countries, telling of the different nationalities, their mode of living and the danger some of these are to the welfare of Canada, and the need of the missionary and the Bible to teach them the way of right and make them fit for citizens of this country. Mr. Bowen speaks very highly of the wealth of Western Canada, the wheat fields of the prairies, and the forest and mineral wealth of British Columbia, and its great possibilities as a fruit growing region. The work of the

Society in all lands was dealt upon, and the need of more funds to carry on the work, the claims of the Society having increased 90 per cent. during the past ten years, while the contributions have increased but ten per cent. It is gratifying to be able to state that the contributions here have increased at least 80 per cent.

ST. CATHARINES—The Annual Meeting of the St. Catharines Bible Society was held in the First Presbyterian Church on Wednesday, November 20th. Rev. Dr. Ratcliffe and Rev. Dr. Smith opened the meeting. Mr. D. D. McTavish, President of the local branch, said the work of the local Society was that of gathering the contributions for the work. For the past year or so we are feeling the responsibility which rests on us in regard to the immense immigration. Our forefathers have left for us a great heritage, and when we realize that God's Word is now translated into all the languages of the polyglot population that is coming into Canada, it is our duty to try and put a copy of this Word into the hands of every immigrant. He was pleased with the condition of the Bible Society, and the collections for the year in this city were larger than usual, and Rev. W. W. Smith, who made the collections, said he had met with the most courteous treatment. Secretary Poole then presented his report for the year's work. \$201.50 had been collected for the year, which was larger than last year. He commented on the report of the Upper Canada Bible Society, and also that of the British and Foreign Bible Society, which certainly spoke of the good work which this Society is yearly doing. The officers last year were again re-elected, which were as follows: President, D. D. McTavish; vice-president, W. J. Robertson; Treasurer, J. K. Black; secretary, E. Poole; depositary, B. C. Fairfield. Rev. James Murray, of Erskine Church, Toronto, gave the address and Rev. Dr. Bates, Mr. Wismer, Mr. J. Madill and Colonel Thairs took part in the meeting.

WATFORD—The Annual Meeting of the Watford Branch of the Upper Canada Bible Society was held in the Baptist Church, the Rev. S. P. Irwin, B.A., President, presiding. The officers elect are: President, Rev. M. Kelly; Secretary, Dr. Hicks; depositary and Treasurer, W. P. McLaren; committee, Revs. Irwin, Coupland, Horne, Parsons, and Hay, and Messrs. T. Woods, W. Marwick, S. W. Louks and S. E. Thompson; collectors, Watford East, Misses B. Mitchell and M. Harrower; Watford West, Misses E. Adams and K. Louks; 4th line East, Warwick, Misses Morgan and Eastabrooke; 4th Line West, Warwick, Miss McCormick; 2nd Line East, Warwick, Misses E. Moffatt and L. Sullivan; 12th Line East, Brooke, Misses M. King and L. Holbrooke; 12th Line West, Brooke, Miss B. Holbrooke; 6th Line East, Warwick, Miss M. Hume; 6th Line West, Miss L. Leach.

The main feature of the evening service was the address by Rev. R. J. Bowen, the District Secretary of the Canadian Bible Society. In a masterly way the speaker marshalled his facts to prove that the Society was realizing its ideals, namely, to reduce every language however barbarous to writing, and all such language, however difficult to print, then to give to every man in the world a Bible in his own language, commencing as far south as man is found. Mr. Bowen gave a graphic account of the struggles and triumphs of the Society in the Southern Seas in New Zealand, Australia, Africa, South America, and the Orient. A remarkable instance was cited of a race that had three words in its vocabulary, the words to eat, to sleep, to kill. This race had been taught the English language and was evangelized by the word of God. But while the needs of many of these barbarous countries for the Bible were great in the speaker's estimation, they were no greater than the present needs of Canada to which

country this Society devotes its whole strength. The immense throng of foreigners pouring into Western Canada at the rate of nearly 1,000 souls per day, most of whom have never read the Bible and all of whom enjoy the rights of citizenship, demands tremendous evangelizing efforts if our moral and social standards are to be preserved, and if British law and Canadian institutions are to be respected. The Indian problem was also dealt with effectively. The address was most inspiring and instructive, and those who heard it must, if they are true patriots, feel that a great responsibility rests on us in sending not only the Bible, but the missionary to the stranger that is within our gates.

UNION SERVICE AT WESTON—The Annual Meeting of the Weston branch of the Upper Canada Bible Society was held in the Presbyterian Church on Sabbath morning, December 8th, 1907, at 11 o'clock, in the form of a Union Service of the Presbyterian, Methodist, St. Philip's Anglican and Baptist congregations. This innovation proved a decided success. A large audience listened to the able address of the president, Rev. W. A. Potter, B.A., on the inspiration of the Bible and its marvellous effects on mankind. Rev. R. M. Hamilton, B.A., was in the chair. Rev. S. L. Sloat read from the Scriptures and led in prayer. The singing by the combined choirs of the churches was an excellent feature of the service. Mr. W. C. Grubbe read the reports of the past year and names of the collectors appointed for the various districts. The following officers were appointed for the coming year:—President, Rev. R. Haddow, B.A., 1st Vice-President, Rev. R. M. Hamilton; 2nd Vice-President, Rev. W. A. Potter; 3rd vice-President, Rev. S. L. Sloat; Secretary-treasurer, John Nason; committee, Messrs. F. W. Moffat, J. Dickin, P. Franks, W. C. Grubbe, J. Meyer, G. W. Verral, J. K. Fairbairn, W. E. Stuart, Rev. W. Hall, Rev. W. A. Rodwell, A. L. Campbell, H. E. Irwin. The collection was a liberal one, amounting to \$28.52. A supply of literature donated by the Bible Society was placed in the pews.

WINGHAM—Rev. W. E. Hassard, B.D., District Secretary of the Canadian Bible Society, visited Wingham on Sunday, November 24th, and preached excellent sermons in St. Andrew's Presbyterian Church in the morning, and in the Baptist Church in the evening. At the close of the evening services in the churches a mass meeting was held in the Town Hall, and was very largely attended, the seating capacity of the hall being more than taken up. Mr. Robt. Lockhart, President of the local branch, presided. Treasurer's report showed that last year \$144.97 had been collected in Wingham. Officers were chosen as follows:—President, Robt. Lockhart; Secretary, Joseph Eve; Treasurer, Rev. N. S. Burwash; executive, D. M. Gordon, J. A. Taylor, Presbyterian Church; F. Buchanan, John Kerr, Methodist; H. Davis, E. Nash, Anglican; Peter Fisher, Abner Cosens, Baptist; A. E. Simmons, John McNevin, Salvation Army. At the conclusion of the business, Mr. Hassard was called on and delivered an excellent address on the work of the Society. The lecture was illustrated by views and brought out clearly the work being done. At the conclusion of the address the hearty thanks of the gathering was extended to Mr. Hassard on motion of Rev. T. S. Boyle and Rev. H. E. Allen.

EMINENT CLERGYMEN ON THE BIBLE SOCIETY.

HIS GRACE THE ARCHBISHOP OF RUPERT'S LAND, D.D.

"The work of the Bible Society has my fullest sympathy and support. Quite apart from the blessing and help it has brought to the Christian missions all the world over, I feel that it has laid our Indian missions under a special obligation by the generous assistance which it has rendered to us in publishing free of cost many translations of the Bible in the native languages. Our Church in North-West Canada in this way owes a deep debt to this Society, and should accord to it a very cheerful and liberal support."

THE BISHOP OF SASKATCHEWAN.

"If my testimony to the value of the Bible Society is of any interest to you, I can honestly and heartily give it. Among the Irish settlers of the lumber camps of the Upper Ottawa many years ago, I experienced the value of its help. Later, our work among the Indians and Eskimos of the North would have been seriously crippled had we not had the B. & F. B. S. at our back. While I was the Bishop of Moosonee we received hundreds of New Testaments in Cree, and of portions of Ojibway, which latter the Society was printing as our Missionaries translated. The Missionary could often only see the Indians for a few weeks in the year; but the Testament was with him and used by him all the year. Our demands on the Bible Society were heavy, but were never refused. I believe there is a great work to be done by the Bible Society among the various European Nationalities now settling into the North-West, some of them almost destitute of Christian Light."

THE REV. C. W. GORDON, D.D. (RALPH CONNOR).

"All enterprises that are missionary have a church or organization behind them. The Bible Society has none. This is at once its advantage and its weakness. Yet there is not a Church in Western Canada that can do business without the help of the Bible Society. When we began as a Church to ask the question, "How can we make Canadians out of Galicians?" we found this to be our initial difficulty; the difference in speech barred our entrance to their minds and hearts with our ideals of things moral and spiritual. The truths of our religion, involving all that made for worthy citizenship, we could not convey to them. What did we do? We went to the Bible Society, and they gave us thousands of copies of the Bible, making them a free gift. These we gave to missionaries and colporteurs and later to their own priests who

distributed freely among the people this wonderful Book that contains at once the foundation of all true citizenship and the hope of eternal life. But if anyone thinks little of the work of this Society, or may be tempted to make light of this Book, I would ask him to remember that it is in this Book alone that humanity have any sure word as to the great future that lies beyond the grave."

THE REV. D. B. HARKNESS, M.A., WINNIPEG.

"The Bible Society no longer needs from anyone words of general commendation. Its own reports of ceaseless and world-wide service are its best certificates of character. Yet, as one associated with the missionary efforts in behalf of the diverse nationalities of Western Canada, I wish to express a sense of great gratitude for the work of the Bible Society in this new land. We find in it a constant and unfailing ally, and one which in many respects outruns in its ministry the Denominational Missionary Organizations."

REV. J. W. SPARLING, D.D., WESLEY COLLEGE, WINNIPEG

"I regard the Bible Society work as lying at the foundation of all missionary work, and one, therefore, that is worthy of the loyal and hearty support of every well-wisher of the Kingdom of God."

REV. S. P. ROSE, D.D.

"I count it a privilege to have a share in the work of this Society. It is no exaggeration at all to say that the B. & F. B. S. is the most liberal, generous and widely honored Society in existence, and much could be said of its work and the work of the Book it publishes. In this critical condition of our country, we are facing nothing short of a national crisis, perhaps a national peril, and this peril may readily be averted, and one of the best ways is by loyalty to the Bible Society. If we put a Bible into the hands of our foreigners and follow this up with the missionary, then we may hope for them and for ourselves."

REV. CANON CODY, D.D., LL.D., TORONTO.

"The Bible Society depot is the great arsenal of the Church's weapons. Nearly all the British missionary societies and several European and American, representing all branches of the Reformed Faith, obtain the Scriptures they need for their work from the Bible Society, and the returns from the sales cover only about forty per cent. of the cost. The Society has never refused the request of any mission to print and publish a properly authenticated version of the Bible in a new dialect or tongue. The whole missionary work of the Christian Church would be impaired and hindered beyond measure if the operations of the Bible Society were curtailed."

THIRD ANNUAL REPORT.

OF

THE CANADIAN BIBLE SOCIETY

AUXILIARY TO

THE BRITISH AND FOREIGN BIBLE SOCIETY

FOR THE YEAR 1907.

THE transactions of the past year have been directed mainly to the perfecting of the new organizations and getting all its parts to work smoothly and effectively. It has been a year of consolidation. The efforts so directed have been attended by a considerable measure of success. Testimony has been borne impartially by auxiliaries to the quickened interest evinced, and to the more efficient working that has been attained.

WITHOUT HASTE AND WITHOUT REST.

In extending the organization of the work there has been no undue haste. There is a haste in extension which is spectacular and which very easily outruns the power of effective working. The wiser policy is being followed of widening our work according to power and opportunity. Much is awaiting our hand to do. For example, in Alberta, British Columbia including Vancouver Island, the opportunity is almost ripe; and steps are in contemplation for the due maturing of the activities in these provinces.

Much has been accomplished throughout the year within the fully equipped districts of the Dominion.

OBITUARY.

The obituary of the year includes the names of Rev. Dr. Potts and Mr. John Aitken.

On the Board they represented the Auxiliary of Upper Canada.

Dr. Potts was an ardent friend of the Bible Society. His advocacy of its work was highly valued. He exercised much influence in the counsels of committee. The loss of so influential a colleague is deeply felt, and the whole community in which he lived is made poorer by his decease.

Mr. John Aitken passed away in the midst of his usefulness. He has left a gracious memory of unobtrusive and genial Christian character; and those who were associated with him in manifold works of Christian service are first in their appreciation of

his sterling worth and winsome piety, and in their sorrow at his passing away.

A GOOD EXAMPLE.

"One soweth and another reapeth." So runs the ancient saying, cited by our Lord, and the truth it conveys is one of the hard facts experience knows. How great the contrast must be when it is fulfilled that "he that soweth and he that reapeth . . . rejoice together!" May we not say that this has some fulfilment when the young join with the old in the prosecution of any Christian enterprise? Certainly it is one of the joyous features of our work to find in it not alone the steadfast endurance of those ripe in years but also the fresh enthusiasm of the young.

These remarks are due to the splendid lead given by one of the schools for young ladies in Toronto. Many of the pupils in Havergal College, junior and senior, are ardent workers in the cause. Is not one of the vital ends of education to enlist and enlarge the interests in disinterested and noble causes? And the example thus given is earnestly commended to the attention of other schools.

EVENTS OUTSTANDING.

Two events stand out from what may be termed the ordinary transactions of the past twelve months. There are (1) the first appointments as district secretaries, and (2) the resignation of our first general secretary.

A district secretary receives his appointment and is paid by the General Board of the Canadian Bible Society. He does his work in immediate touch with the Committee (or board) of his own Auxiliary and as that Committee (or board) directs, so far as its own field extends. General policy and lines of work are determined by headquarters, but the actual management of the work of visitation, colportage, depositories, etc., is in the hands of the Auxiliary. The district secretary makes a report of his labors to both.

The district secretaries appointed were: The Rev. G. M. Campbell for District No. 1; Rev. Thomas Bennett for District No. 11; and the Revs. W. E. Hassard and R. J. Bowen for Districts III. and V. For other districts no appointments have as yet been made.

It was possible for two of these gentlemen to make tours of exceptional, not to say also, romantic interest. Mr. Campbell traversed a large part of Newfoundland and Mr. Bowen similarly of "The Last West." Picturesque accounts of these journeys have already appeared in the "Bible in the World," viz., for August and October respectively. It is unnecessary to recount them here.

Here, however, it is pertinent to say that these visitations were fertilizing and productive. They will make further visitations more fruitful still.

In respect to the more inland districts, viz., II. and III., Mr. Bennett and Mr. Hassard, also Mr. Bowen, have done within their areas the less romantic but none the less important work of "lengthening the cords and strengthening the stakes." Theirs has been the work of traversing ground nearer home and better known, enlivening the imagination, deepening the interest and adjusting agencies to the yet more successful undertaking of the work in hand.

The Rev. Dr. Welsh speedily won confidence and esteem in every part of the Dominion. Traveling east and west to the very limits of Canadian territory he won the respect and trust of every warm hearted friend of Bible Society work. Never sparing in energy, he really wore himself down in excessive labor; but he had the gratification of seeing substantial progress made. The academic honor conferred upon him was a tribute very pleasing to his wide circle of friends, and the call to the professoriate, while it deprived the Canadian Bible Society of a valued officer to our great regret, at the same time secured his eminent gifts to a sphere of influence not less important than our own. The Society therefore puts on record its cordial esteem and good wishes for one who served it faithfully and well.

THE OVERSHADOWING PROBLEM.

There is a problem which overshadows all other problems in our work by reason of both its magnitude and its complexity. It is that which is set for us by the motley throng of inwanderers who are hastening to settle upon Canadian soil. They represent nearly all nationalities. This inflowing tide of alien peoples is one of the great human movements within the Dominion upon which students of social life keep their eyes fixed. Fluctuating from year to year it has during the last two or three years attained unprecedented proportions. Even cursory observers have had their attention arrested and interest aroused by its magnitude. It is really a portentous movement. The economic issues it raises are of course of the uttermost importance.

The situation thus created may be depicted in several ways. Thus (1) its swelling magnitude may be seen by a single comparison from year to year. The languages called for by this human medley three years ago numbered 45; two years ago they numbered 60; last year the number ran up to 70. Every one of these strangers has equal claims upon Christian sympathy to all the offices of evangelization. It is our happy privilege to be able to furnish the various nationalities—to every man in his own tongue the wonderful words of life. "All opportunity

is responsibility." To have the privilege is to be under obligation to fulfil the duty. Nay more, it ought to be said, and said with thankfulness, that we accept the obligation; and seek only for the means of overtaking it to the full. Or, (2) the situation may be described anew. The year 1907, for which reliable statistics are now made public, goes far in advance of the number for the previous twelve months. In 1906 the total record was 215,912, say, in round numbers, 216,000; in 1907 the most recent record, the total has gone up to 277,376, far in excess of a quarter of a million. That is in itself the population of a large city: A city-full of outlanders every year! When we let the mind sink down into this aggregate number, and make some analysis of race and tongue and condition, the results that appear are fraught with consequences very grave. For instance, of that total there were a little over 132,000 people, i.e. nearly one-half of the whole, speaking the English tongue; and of these again a little over 40,000 went to Manitoba and Westward of that Province. Very nearly 57,000 came from the U. S., and although no classification is available as to their race and speech, it is not a hazardous thing to say that a considerable number of these must make familiar use of the English tongue. Adding this ratio we get the fact that by far the larger half of the vast multitude in this immigration are brothers of our own in tradition and tongue. Therefore primarily the encouragement of missionary endeavor in the far West is rendering Christian service to kith and kin.

That however is not the entire scope of fact and service. For in respect of the other half of that vast crowd, comprising as does this second half, both Easterns and Westerns in the Old World, let attention rest on two points. Of these between 63,000 and 64,000 souls came from the various countries of Europe. From what may be considered as the more enlightened countries, 15,000; and from the less and least enlightened nations nearly 48,500, the ratio of 1 to 3. Away to Manitoba and Westward of that have gone more than 7,000 and 16,000 respectively, calling for our careful tendance, while so far all the rest have settled on the east side of Manitoba.

The far advance of the more intelligent need not cause concern; but realize that two-thirds, i.e. about 30,000 souls of the unenlightened are being assimilated and absorbed in the life around, and does it not at once appear that there is a problem, social and religious, of the most urgent nature? Thus the problem of reaching the incoming stranger with the Word of God and the joy of salvation is located not in the far West alone, but in the nearer East as well, and in truth the work is essentially one at home and abroad. At home and abroad are seldom separate worlds; most frequently they overlap and

intersect. *Here* also we must bestir ourselves as much as *there*, if the glad tidings of the best things are to be published to all that will hear. For a somewhat fuller analysis of immigration statistics see below.

One special mode of work among the immigrants has been the issue of Diglot Scriptures. These are twin versions in parallel columns—one in the immigrant's native tongue, alongside of that the other in English. A wide demand has arisen for these volumes, wider than can be met all at once. But tenders have been accepted now by the Parent Society for the printing of six additional issues, and in due course they also will be available for our Depositories and Colporteurs.

FIGURES FOR THE IMAGINATION.

One and three-quarter million copies of the Scriptures issued from the Bible House in London last year.

409 was the total of the different languages into which the Scriptures have been translated.

Over one-quarter million pounds sterling really was the income during 1907, but the income of previous years had necessitated curtailment of work and reduction of stock, so that prudence dictated a policy of caution, and the whole of this revenue was not expended at the end of the year. The income needs to be increased in order that the stock may be kept full and the work uncurtailed, to say nothing of its being extended.

900 colporteurs and 640 Bible women were engaged in different parts of the world aiding missionary work at the Society's sole expense.

Suppose some of these figures clothed in flesh and blood, and the breath of life breathing there; as for instance, if we look where battles were fierce and frequent the other day. In Manchuria 20 years ago there was not a Christian known in the land. To-day you may go anywhere in the three provinces and be sure of sleeping in a Christian home. Or again: In China little more than 60 years ago, i.e. 35 years or so after the beginning of Christian missions, the number of Christians there could be counted on the fingers of both one's hands. When the Boxer outbreak took place seven or eight years ago there were 90,000 Christians, many thousands of whom perished. Last year the number of Christians in China was 190,000, together with 750,000 adherents. Is there not something to make us pause and praise?

One million copies of Scripture were sold there during the last twelve months.

So we might turn to Korea. But how describe the birth of a nation? For that is what the missionary and colporteur are beholding in that land.

The statement has been often made that since the foundation of this Society the issue of Scriptures has reached the enormous total of nearly 204 million copies. What do the figures mean? "If all the Bibles, Testaments and portions thereof that have ever been printed in any portion of the world—including the issues of the three great Anglo-Saxon Societies and other aggressive Christian agencies, as well as all that has been done by business enterprise—were still in existence, they would not number as many volumes as would give one to each inhabitant of China." (Rev. J. H. Ritson.)

THE TREASURY.

Several of the Auxiliaries emphasize by their own experience of success the importance of effective arrangements being made for the systematic collecting of subscriptions.

That the calls upon our Society are ever increasing and becoming more urgent as the months fleet by, needs no pressing after what has been said above. Happily the constituencies to which we appeal require only to learn of the necessities of the situation; and having assurances that the work is being prosecuted with ability, they are ready to fill the Treasury with adequate resources.

In conclusion the Board desire to acknowledge the loyalty and labors of the numberless workers to whom so gratifying a record is due; to pray that upon all the activity of the Society

through the year now current the blessing of Almighty God may manifestly rest; and to give thanks to the God and Father of our Lord Jesus Christ for the gift of Holy Scripture and for the unparalleled opportunities of making known the truth in many tongues to men and women and children, the larger number of whom have never before heard the glad tidings of Great Joy.

Third Annual Meeting.

The Third Annual Meeting of the General Board was held in London on the 12th March. Dr. Hoyles, the president, was in the chair. There were also present His Honor Judge Forbes, Very Rev. Dean Davis, Rev. Drs. Shaw, Armstrong, E. Hill, Ross, Gilray, A. A. Cameron; Chancellor Burwash, Revs. B. Bryan, E. Silcox, H. Pedley, W. Macintosh, J. T. Pitcher, W. C. Clark, M. A. Mackinnon, G. E. Forbes, J. Gibson, D. B. Harkness, F. C. C. Heathcote, J. Young; Dr. Johnson, Dr. Geikie, Dr. Calkin, Messrs. J. G. Scott, K.C., T. Mortimer, E. Towe, G. E. Armstrong, J. Murphy, G. E. Fairweather, J. Clawson, J. G. Eagleson.

After devotional exercises the report of the Executive Committee was submitted. The General Secretary was introduced to the Board by Dr. Hoyles, and cordially welcomed. The report was received, and after consideration of particular points, approved. Careful attention was given to the monthly magazine, and it was decided that Auxiliaries be informed how costly is its up-keep with the present inadequate circulation and urging upon them to enlarge the constituency of the Bible in the World.

When the Board had heard statements from the far West in regard to the rapidly growing needs of Alberta and the necessity of organizing Bible Society work there it was decided to create a new Auxiliary, to be coterminous with the Province of that name and be called the Auxiliary of Alberta.

The claims of Canada and the claims of the world beyond assert themselves with almost equal force upon the attention of the Board. Very nearly \$12,000 was expended on the purchase of Scriptures by the various Auxiliaries; more than \$30,000 spent in the Bible work of their own localities; and over and above that almost \$30,000 remitted to the Canadian Bible Society. This sum, though not so large as that of the previous year nor indeed nearly so large as is to be expected from the Auxiliaries when the pressing character both of the Canadian and of the world-wide work is more generally and vividly realized, has made it possible for the C. B. S. to forward to the parent society a grant for the year of \$25,000.

One very interesting event was the reception of representatives from the City Council and the Board of Trade. No one failed to feel the striking testimony offered by these prominent public men to the working of Christian principle and the Christian spirit in our social and material life. The deputation consisted of Aldermen Armstrong and Gerry, Messrs. M. Mabus, Allen and Winnett. The very cordial welcome they gave the Board to their city was responded to by the president, Chancellor Burwash, and Principal Shaw.

The public meeting in the evening was held in the Auditorium. Dr. Hoyles presided and was supported on the platform by the Right Rev. the Lord Bishop of Huron, the Rev. Principal Shaw, D.D., LL.D., Very Rev. Dean Davis, and Rev. J. Young, M.A.

Rev. W. B. Cooper, M.A., the Bishop of Huron, and the Rev. E. J. B. Salter, of Winnipeg, were the speakers. Their subjects were, "The World Wide Work of the B. F. B. S."; "The Bible in National Life," and "The Bible in the Far West."

The meeting was felt to have stimulated interest and fitly concluded the labors of the Board and the Executive.

Summary of Auxiliaries.

DISTRICT I.

Comprising the Auxiliaries of Nova Scotia (Halifax), Pictou, New Glasgow, New Brunswick (St. John), Fredericton, Miramichi, Prince Edward Island, and Newfoundland, with an aggregate of 268 Branches.

DISTRICT SECRETARY: REV. G. M. CAMPBELL, St. John, N.B.

NOVA SCOTIA.

Hon. President, His Honour Lieut.-Governor Fraser.

President, Rev. J. MacMillan, D.D.

Secretary, Rev. Canon Almon, M.A.

Travelling Secretary and Treasurer, Rev. Lewis W. Parker, Truro.

Centre at Halifax, with 137 Branches.

The Rev. L. W. Parker, the Travelling Secretary and Treasurer, has been in active co-operation with the District Secretary, the Rev. G. M. Campbell. The Auxiliary covers a populous and wealthy section of Nova Scotia, and rich harvests are to be expected in coming years from such labours. Through the Gorham Bequest the Auxiliary received 160 Bibles, 20 Testaments and 13 portions.

PICTOU, N.S.

With Six Branches.

President, Rev. A. Falconer, D.D.

Secretary, Rev. J. Astbury.

Treasurer, Mr. E. L. Armstrong.

The District Secretary made two visits to this Auxiliary in 1907. In February he met the Committee, and addressed the annual meeting in Pictou town. In July he visited all the Branches and contributing communities. He found in all places a loyal, liberal and responsive people to the claims of the C. B. S.

NEW GLASGOW, N.S.

With Two Branches.

President, Senator McGregor.

Treasurer, Mr. J. C. McGregor.

Secretary, Rev. G. Ernest Forbes, B.A.

This Auxiliary has sustained a great loss in the death of Mr. Harvey Graham, for years its energetic and consecrated Secretary. Mr. Graham was a devoted and liberal friend to the C. B. S. and his death leaves a place that will for years compel us to feel our loss. The amount remitted to the C. B. S. was \$213.53.

NEW BRUNSWICK.

President, His Honour Judge Forbes.

Treasurer, Mr. Thomas H. Sommerville.

Secretary, Mr. George A. Henderson.

Centre at St. John, with 82 Branches.

The District Secretary has given a great deal of attention to the work, visiting the Branches and communities, with the result that the subscriptions show a large increase over previous years. Out of 82 Branches, 81 have reported, and the increase over previous years is almost 50 per cent.

The remittances from Branches amounted to \$3,085.42; collections from city churches, \$1,071.91; at Depository, \$175.38; by Bible Women, \$387.32.

The Auxiliary has forwarded to the Canadian Bible Society the sum of \$2,000.

The expenses of two colporteurs and two Bible women were borne by this Auxiliary. Rev. Dr. Heine and Miss Wesley have most successfully carried on the distribution of Scriptures in their own language to the incoming immigrants. Dr. Heine was able to converse with these emigrants in ten languages, which greatly aided in the work.

Never before in the history of the Society has so much work been done in New Brunswick. The colporteurs have been well received, and their reports of visits made, conversation and addresses upon the Christian life, and Bible work, as well as sales and "free distribution," have been most satisfactory and encouraging.

A special report on the Colporteurs Work there undertaken follows:

At the request of the Executive of the Canadian Bible Society the Auxiliary of New Brunswick arranged to supply the immigrants landing at the port of St. John with Scriptures in their various tongues. The Government, through the Department of the Interior, cordially and promptly gave permission to erect a Bible depot in the great hall. The location is opposite the door through which the Canadian immigrants pass from the inspection rooms to the windows, where they exchange their money and secure their tickets. The Scriptures—in whole or in portions—in thirty-five languages, were placed on the shelves of the depot. Large cards, calling attention to "The Book" in these language were posted in conspicuous places. The agents at the depot were instructed to give the strangers information about the country, the departure of trains, and in every way make them feel the heartiness of a Canadian welcome. The Government having granted a license to sell postage stamps, a long table with writing material was supplied for those who wished to send a message to friends in their motherlands. Miss Wesley reports that the largest number of letters mailed by her, at one time, was 724. A careful oversight was taken to make certain that the free gift of the Scriptures, and the good offices of the agents were appreciated. Your Committee is pleased to record that not a single copy of "The Word" has been found in the building—left in waste baskets and dark corners—and that Miss Wesley and Dr. Heine have received oral and written expressions of gratitude from those to whom the Scriptures were given and the good offices performed.

Your Committee was fortunate in securing faithful and effective workers.

During the summer Dr. Heine gives his attention and as colporteur labours among the French and other nationalities, who now have residence in New Brunswick.

Output of Scriptures at the port of St. John in the year 1907 in 31 languages:

Miss Emma M. Wesley, Bible woman, Bible and portions..	8,256
Rev. Dr. Heine, part of the season	2,176

FREDERICTON, N.B.

With Six Branches and One Depository.

President, J. R. Inch, LL.D.,

Vice-Presidents, Mr. J. W. Spurden and Mrs. A. F. Randolph.

Secretary, Mr. Chas. A. Sampson.

Treasurer, Mr. L. W. Johnston.

This Auxiliary is bracing itself to the work agreed upon. The report issued after the close of the year says:—The Fredericton Auxiliary has no well-defined area to work in, but we hope soon to have our limits defined. When done we should endeavor to do more than collect cash, which seems to have been our full purpose heretofore. We ought to establish a number of branches, and we ought to look after Bible distribution, seeing to it that every home has the Book, and that men in lumber camps and families

in all remote settlements have their wants fully supplied through colportage or other means.

This hope has been so far materialized since.

It had been decided that the whole city should be visited on the morning and afternoon of Tuesday, the 22nd, and collectors went previously with the District Secretary to prepare the workers. The plan is most excellent, so that workers entered their districts with a clear idea of what the C. B. S. is doing. On the Sabbath every Protestant pulpit spoke in our behalf. It was my pleasure, says the District Secretary, to speak in the Kirk and George Street Baptist Church. On Monday evening a fine meeting was held in the City Hall, and on Tuesday evening the collection came to the Committee with returns far in advance of last year.

The Secretary writes of good hopes for the current year. Recently it was decided to have lady members (5) on the Executive, and one of these, Mrs. A. F. Randolph, the President of the ladies' Branch, was elected a Vice-President, along with Mr. L. W. Johnston.

Howbeit their remittance to the C. B. S. was \$400, as compared with \$550 for 1906.

MIRAMICHI, N.B.

President, Mrs. Snowball.

Secretary, Mrs. Aitken.

Centres at Newcastle and Chatham, with 1 Branch.

Much difficulty is experienced by this Auxiliary in finding collectors to undertake the work in Newcastle and in Chatham. Were it not for faithful service on the part of some who might claim relief from such labour the aid which is ready to be gathered in both localities could not be secured. It is much to be desired that younger friends of the Society may offer their services, or be constrained to take up this excellent work. Two hundred and five dollars was the amount sent to the Canadian Bible Society—\$121.75 from Newcastle and \$83.25 from Chatham.

PRINCE EDWARD ISLAND.

President, Mr. A. W. Sterns.

Secretary, Mr. J. D. Seaman.

Treasurer, Mr. H. J. Cundall.

Centre in Charlottetown, with 17 Branches.

The field of this Auxiliary was visited by the Rev. L. W. Parker, of Nova Scotia, and late in the year by the Rev. G. M. Campbell.

NEWFOUNDLAND.

Patron, His Excellency the Governor, Sir William MacGregor.

President, ———.

Secretaries, Rev. J. Thackeray and Mr. J. Leamon.

Centre at St. John's, with 20 Branches.

It was with unfeigned pleasure we extended to the Rev. G. M. Campbell, District Secretary of Maritime Provinces, a most cordial and hearty welcome to our island home, and as the speaker at our 60th annual meeting. We are sure that his visit to St. John's and the various branches and towns in this land will have proved a source of help and counsel to the workers.

For many years this Auxiliary has toiled amid a sense of isolation and loneliness, which happily is now at an end, and the visits of our brethren will, we hope, result in the formation of centres all over the land, so that bye-and-bye there will not be a single district without Bible workers.

This Auxiliary, writes the District Secretary, mourns the loss of its venerable and energetic President, Hon. J. J. Rogerson, who, full of years, honour, and good works, entered upon his reward. The memory of his splendid address at the anniversary meeting is with me as I write. The Bible Society was written upon his heart, and his one aim, to place in the hands of others the Book that had done so much for him.

DISTRICT II.

Comprising the Montreal, Quebec, Ottawa, and Perth Auxiliaries, with 384 Branches.

DISTRICT SECRETARY: REV. THOMAS BENNETT, Montreal West, Que.

MONTREAL.

President, Rev. Principal W. I. Shaw, D.D., LL.D., D.C.L.

Vice-Presidents, Dr. Alex. Johnson, Rev. Dr. Edgar Hill, Right Rev. Bishop Carmichael, D.D. D.C.L.

Secretaries, Professor H. F. Armstrong (Corresponding), Rev. F. M. Dewey, M.A. (Recording).

Treasurer, Mr. John Murphy.

District Secretary, Rev. Thos. Bennett.

Depository, Mr. J. H. Carson, Bible House, St. Catherine Street, with 185 Branches and 108 Depositories.

Some interesting and suggestive sentences taken from the report of this Auxiliary are as follow:

This field has been completely covered, as usual, during the past year by the District Secretary, Rev. Thomas Bennett, whose duty it is to hold meetings, and conferences and report monthly, to the headquarters in Montreal, on the work of the many Branches and Depositories within the area covered.

The colporteurs employed by your Society send in reports of their work regularly, to the monthly meetings at the Bible House, which are read and discussed. The staff of colporteurs has been slightly increased during the past year and their salaries in some cases raised.

These colporteurs have visited during the past twelve months 18,258 families, and have sold and distributed 2,451 copies of the Scriptures in whole or in portions. The copies so distributed have been chiefly in English, French, Italian, Hebrew, Arabic and Chinese.

The efficient re-survey of the whole field and an up-to-date account of its definite needs and increasing demands is a work which might, with great advantage, be provided for and undertaken during the coming year, by your Committee.

The operations of the recently organized Canadian Bible Society during this, its second year, are highly satisfactory and amply justify the Federation movement.

We are happy to be able again this year to transmit, from the resources of our Auxiliary, the sum of \$5,000 to the Canadian Bible Society for the extension and conduct of the work of the British and Foreign Bible Society in Canada specially, and towards the great and glorious work which the Parent Society in God's name is effecting throughout the world.

Whilst we sincerely regret also to lose our stanch friend and worthy Corresponding Secretary, the Rev. Dr. H. M. Tory, owing to his appointment to the Presidency of the University of Alberta, we regard with gratification the work he has accomplished among us since he first accepted the office in the spring of 1898. We would tender him our hearty congratulations, and we feel sure that his real interest in the work of our beloved Bible Society will always, in his new field of labours, be a boon to the Auxiliary with which he may associate himself.

Seven Bible women, under the direction of the Ladies' Bible Association, have been employed during the year.

THE MONTREAL LADIES' BIBLE ASSOCIATION.

The work of the past year has been carried on with much interest, though some changes among the active workers must be recorded.

Lady Dawson, who for forty-five years presided over the affairs of the Ladies' Bible Association with grace and ability, sent in, because of ill-health, her resignation last September to the sincere regret of the Committee. Later she consented to become the Honorary President, and still continues her deep interest in the work of the Society.

Having prayed for guidance, the Committee decided to invite Mrs. A. B. Mackay, who had lately returned to reside in the city, to become President.

After much consideration the office was accepted, and, to use the Honorary President's words, "Her experience in the work of the Montreal Ladies' Bible Association and her decided Christian character make her a most desirable acquisition."

The reports of the French Bible women show that there is an increasing desire among the Roman Catholics to read the Bible, and thus learn for themselves what is written in the Book, too often forbidden them. May this spirit of enquiry continue, till many are brought to a knowledge of the Saviour and His redeeming love.

The work among the Italians is carried on with zeal and ability by Signorina Tognotte, though necessarily along somewhat different lines from other Bible women, who have defined districts

QUEBEC.

President, Mr. Robert Stanley.

Treasurer, Mr. A. W. Colley.

Secretary, Rev. E. J. Stobo.

District Secretary, Rev. Thos. Bennett.

Supt. of Colportage, Rev. G. W. Williams.

Bible Woman, Miss H. Caron.

Dormitory, T. J. Moore.

The Treasurer's statement showed that the expenditures during the year had been \$5,080.23; income, \$6,710.52, leaving a balance of \$1,628.29.

The generous assistance, \$3,000, given by the U. C. B. S., heartens the Auxiliary for the work at its door.

The Colportage report is one of striking interest, revealing the great growth of the Society's work, because of larger opportunities, in the inflow of people from many lands and of divers tongues.

Five colporteurs have been at work in their accustomed territories all the year. Another has, during the winter, broken new ground in the Lake St. John District with gratifying success, and in summer visited the South Shore of the St. Lawrence to Gaspé with good results.

Miss Caron has had an exceptionally busy season at the immigration building. This work has assumed vast proportions. Thanks to the patronage of the U.C.B.S., who have generously donated us all the necessary portions of Scriptures.

How profoundly significant is the fact that over 33,000 copies of the Scriptures were required to meet incoming settlers, but more especially suggestive, is the fact that copies in about 30 different languages were required. We are in the formative stage of our national life, but what a complexity of elements we are endeavoring to assimilate into our national character. The only possible antidote to serious degeneracy of ethical and social ideals through the inundation of such immature elements, is the leaf from the tree of life—God's word—put into every adventurer's hand, that there it may, by God's blessing, pass into the heart."

The apparent insignificance of this distribution of portions is redeemed by the memory of the miracle of the loaves and fishes.

It will be of interest to survey the details of work, tingling with interest as this does:

The Auxiliary has on hand for immigration purposes stock to the value of \$301.44 and \$422.70, altogether \$724.04.

This Auxiliary adopts the excellent plan of publishing in the body of its Annual Report the journal of the District Secretary.

OTTAWA.

Hon. President, Mr. George Hay.

President, Rev. W. D. Armstrong, D.D.

Secretary (Corresponding), Rev. A. A. Cameron, A.A.

Field Secretary, Mr. D. McElroy.

Treasurer, Mr. J. Gibson.

Depository, Messrs. Jas. Hope & Sons.

With 166 Branches and 128 Depositories.

In March 1906 the Auxiliary entered the federated society and had added to our jurisdiction a large number of branches from Montreal Auxiliary and Upper Canada B. S., so that at present we are responsible for the work in twelve counties, with 166 branches.

In 1906 the Field Secretary visited a part of the new field and last year he covered the whole—addressed, all told, 205 meetings and travelled over 3,700 miles. Through all there has been the consciousness of the Master's presence clearly evident.

The four colporteurs engaged worked 581 days, sold 3,019 copies of scripture, value \$1,399.15; travelled 8,084 miles; visited 7,503 homes, one military camp (5,000 men), and seventy lumber camps containing 3,558 men. Only ten families are reported as being destitute of the word of God.

These faithful men report that the Roman Catholics receive them more kindly than in former years, to whom they sold a number of copies of the word.

The Auxiliary of the Capital took advantage of the Canada Central Fair held in Ottawa and had a Bible Exhibition stall. The experiment was so encouraging that in all probability when the opportunity recurs the exhibition will be repeated, and this time on a large scale.

The annual meeting in February was very successful, and the officers are hopeful of being able to render yet more generous aid to the cause of Bible distribution, both in Canada and in the world beyond.

PERTH.

President, Rev. A. H. Scott, M.A.

Secretary, Mr. G. E. Armstrong.

Treasurer, Mr. A. T. Wilson.

Depository, John Hunt.

With 4 Branches.

This Auxiliary is so far allied with the Ottawa Auxiliary that its Branches are visited by the Ottawa Field Secretary, Mr. Dr. McElroy. It remitted to the Canadian Bible Society \$400 for the past year.

DISTRICT III.

Comprising the Upper Canada Bible Society and the Western Ontario Auxiliary, with 663 branches.

DISTRICT SECRETARIES FOR DISTRICTS III. AND V.

REV. W. E. HASSARD, B.D., Toronto.

REV. R. J. BOWEN, London, Ont.

UPPER CANADA BIBLE SOCIETY.

President, N. W. Hoyles, K.C., LL.D.

The Vice-Presidents include the Lieut.-Governor of Ontario, the Archbishop of Toronto, and the General Superintendent of the Methodist Church. Hon. Secretaries, Rev. Bernard Bryan, Mayor Coatsworth, Mr. W. J. Robertson.

Permanent Secretary, Rev. Jesse Gibson.

Business Manager, Mr. George Sauer.

Centre in Toronto, with 574 Branches and 256 Depositories.

The signal success of this powerful auxiliary fully appears in the following extracts touching many points from the Annual Report.

Seventy different versions of Scripture were required during the year. There are also available twenty-three Diglots or parallel Versions (mainly portions). In sixteen of these English appears alongside of Arabic, Chinese (Canton), Chinese (Mandarin), Danish, Dutch, French, German, Greek (Ancient), Hebrew, Italian, Norwegian, Persian, Ruthenian, Spanish, Swedish, and Welsh; and in the remaining seven Diglots the following appear in parallel pages—Arabic and French, Finn and Swedish, German and Bohemian, German and Ancient Greek, Hebrew and German, Slavonic and Bulgarian, Turkish and Italian. There are also versions for the Blind in the Braille and Moon Systems.

The District Secretaries, Rev. R. J. Bowen and Rev. W. E. Hassard have been busy visiting the Branches, preaching in the churches in their district, and doing all in their power to advance the interests of the Society. They have been favourably received by the Branches and churches wherever they have gone. The demands upon our Board for the services of specialists in Bible Society work to address the Annual Meetings have rendered it neces-

sary to appoint these brethren to this work, and the increased interest in Bible Society work has amply justified the action of the Canadian Bible Society Board. We believe that the future will show a still larger increase.

Branches of the Upper Canada Bible Society in Alberta visited by the Rev. R. J. Bowen:—

Calgary, Didsbury, Olds, Innisfail, Edmonton, Stratheona, Wetaskiwin, Leduc, Ponoka, Lacombe, Red Deer, Okotoks, High River, Nanton, Claresholm, Lethbridge, McLeod.

Medicine Hat, Gleichen and Banff are the only Branches that were not visited this year, owing to his having to be in London by September 23rd, 1907, for the General Meeting of Western Ontario Board.

Mr. Hassard has filled the year with labours, visiting widely, and greatly strengthening the new branches formed during 1907, viz., Victoria Harbour, Bowling Green, Monticello, Dobbington, Hopeville, Carlisle, Gravenhurst, Windham Centre, Lakeport.

Says the report: During the year we were asked to give over our Branches in British Columbia to form a new B. C. Auxiliary. This we did, and at the same time, we made a free grant of all the Scriptures in the hands of the Depositories and colporteurs in British Columbia to the new Auxiliary, with the exception of the stock in the hands of the Victoria Branch; this stock to be included in the gift, if the Branch in Victoria unites with the British Columbia Auxiliary; if not, the stock there to be given to Victoria, when they form a new Auxiliary for Vancouver Island. The whole gift amounts to \$1,869.54.

Of the excellent work of the colporteurs employed by the Upper Canada Auxiliary, two were at work in Alberta and British Columbia, and one at Port Arthur, Fort William, along the line of the Canadian Pacific and the Canadian Northern Railways, to the western boundary of Ontario, among sailors, miners, lumbermen and cannerymen. New Ontario, the Cobalt District, were worked by two occasional helpers. A suggestive sentence follows from the report: All through the Cobalt silver camp, the Sudbury nickel camp, Atikokan iron camp, the Crow's Nest coal camp, railway construction camps, the lumber camps of Ontario and British Columbia, among the sailors, cattlemen, miners, lumbermen and farmers they have unfurled the Gospel banner; and wondrous are the tales they tell of its acceptance by those who would not have heard of it but through their means. Here is a little pen picture. "I visit them at the noon hour as they are eating their lunches by the roadside, and I sold one day three Bibles and a Testament and some Gospels. Another night I went to the station and sold Testaments to two Italians, and next morning there were three others who wanted to buy; one of them came back next day and wanted another. The next day I went to a house and sold one, and three men came running down the street and wanted to buy two more."

A very interesting development took place at Brantford. So rapid was the success of initial efforts among the foreigners there that steps were taken to give permanency to the work, and the locality relieved the Society by charging themselves with its continuance. Unfortunately the agent's breakdown in health has given momentary check to it. The revenue for the year, as free contributions and bequests, amounted to \$33,314.12; sales, \$6,101.43 in depositaries; \$2,616.91 by colporteurs. Grants were made as follow: C. B. S. grants by Board, \$16,000.00; C. B. S., for B. and F. B. S., \$3,170.98; C. B. S., \$3,000.00.

The bright prospects mentioned twelve months ago were not illusive. Good work has been done and substantial advance made. The free contributions from Branches amounted to \$2,831.63, an increase of \$474.59. In London, subscriptions and collections at annual meeting totalled \$483.03. Sales reached \$74.94. Grants have been made to the C. B. S. of \$1,346.20, and ditto for the B. & F. B. S., \$153.80. Since the close of their financial year grants have been repeated as follow: \$2,203.24 to the C. B. S., and \$796.76 to the C. B. S. for B. F. B. S.

Constitution and By-Laws.

AS AMENDED AND ADOPTED BY THE GENERAL BOARD AT TORONTO, ON OCTOBER 5TH, 1905, AND AT MONTREAL ON MARCH 22ND, 1906.

CONSTITUTION.

1. This Society shall be called "The Canadian Bible Society, Auxiliary to the British and Foreign Bible Society," and shall embrace the following Auxiliaries of the British and Foreign Bible Society, which have joined in the formation of the Society, namely:—Upper Canada, Western Ontario, Perth, Montreal, Quebec, New Brunswick, Fredericton, Nova Scotia, Prince Edward Island, New Glasgow, Pictou, Newfoundland, Ottawa and Miramichi, and shall also embrace all other Auxiliaries in the Dominion of Canada which may be hereafter formed and which the General Board shall by resolution accept as constituent Auxiliaries of this Society.

2. The sole object of the Society shall be to encourage the wider circulation throughout Canada and Newfoundland of the Bible without note or comment and to assist the British and Foreign Bible Society in its world-wide work.

3. The affairs of the Society shall be managed by a General Board, composed of members elected annually by the Auxiliaries in the following proportions: One member for each Auxiliary; one additional member for each Auxiliary having between 25 and 50 Branches; and in the case of an Auxiliary having more than 50 Branches, one additional member for each additional 50 Branches, or fraction of 50, such fraction to exceed 25. The calculation shall be based on efficient and contributing Branches. The respective members shall hold office until their successors are appointed. The Honorary General Treasurer shall be a member of the Board, and the General Secretary shall be a corresponding member.

4. The Board shall elect from among their number a President, two Vice-Presidents, and a Corresponding Secretary who shall act as Recording Secretary, and shall elect from among the members of the Board of one of the Auxiliaries an Honorary General Treasurer.

5. All persons who are members of the Board of any Auxiliary, and the President, Treasurer and Secretary, and members of the Committee

of any Branch, shall be eligible for election as members of the General Board, but no paid officer of any Auxiliary shall be eligible.

6. The headquarters of the Society shall be in Toronto.

7. Auxiliaries shall administer such portions of their revenue as they may need for colportage within their territory and for other local Bible Society work. Auxiliaries shall remit to the General Treasurer every six months or oftener, out of the funds available, such sums as the Auxiliary Boards may appropriate for that purpose, and all moneys so remitted shall, unless otherwise designated, be used by the General Board for the extension of the work in Canada and for free contributions to the Parent Society, due regard being had to the recommendations of the Auxiliary remitting. Nothing herein contained shall be held to interfere with the control by any Auxiliary over its own work and its own property.

8. The General Board shall administer such money as may come to their hand from other sources, and in like manner shall use the same for the extension of the work in Canada and for free contributions to the Parent Society. The Society shall not at any time canvas or appeal for funds except through the Auxiliaries, and any money sent direct to the Canadian Bible Society through lack of knowledge of this rule or from any cause shall be credited to the Auxiliary in the district from which it came.

9. A General Secretary, who shall reside in Canada, shall be appointed by the British and Foreign Bible Society, after consultation with and approval by the General Board. He shall have no authority over the work in the Dominion of Canada, except what may be accorded him by the General Board. His general duties shall be decided upon by the General Board in consultation with the Parent Society. He shall prepare the Annual Report of the Society, which shall contain a statement of its operations and also a resume of the work and finances of each Auxiliary and a summary of the work of the Parent Society.

10. No alteration of these Articles shall be made except at a General Meeting of the Board and after three months' notice of the proposed alteration has been given, when such alteration may be made by a three-fourths vote of the members of the Board, provided that in case any member shall require the vote to be taken by Auxiliaries, the concurrence of a majority of the Auxiliaries voting on the basis laid down in clause 3 shall be required, and in such case the majority of the members representing each Auxiliary shall cast its vote. In case a notice is given the Secretary shall forthwith send a copy of it to each of the Auxiliaries.

BY-LAWS.

1. The Board shall hold its Annual Meeting in the month of March in such place as the Executive may choose. The financial year of the Auxiliaries shall end on December 31st, and of the Canadian Bible Society on the last day of February.

2. The President may at any time call a Special Meeting of the Board at his discretion, or in case of his absence or illness such meeting may be called at the request of any three members by the Secretary of the Board.

3. The officers of the Board and the members of the Executive Committee shall be elected at the Annual Meeting, but any vacancies may be filled by the Executive Committee.

4. The Board shall appoint ten of its members, who, with the President, Vice-Presidents, Treasurer and Corresponding Secretary, shall be an Executive Committee, which, when the Board is not sitting, shall, subject to any direction of the Board, have authority to transact the business of the Board.

5. The Executive Committee shall meet semi-annually, and on emer-

gency on the call of the President, the Treasurer and the General Secretary. Five of its members shall be a quorum.

6. District Secretaries shall be appointed by the General Board, subject to the concurrence of the Auxiliaries concerned.

7. The expenses of all members attending meetings of the General Board and of the Executive Committee shall be paid by the Treasurer of the Board.

8. No alterations to these By-laws shall be made except by the unanimous vote of the members at a General Meeting, unless after three months' notice of the proposed alteration has been given.

Act of Incorporation.

6 EDWARD VII.

CHAP. 74.

An Act to incorporate the Canadian Bible Society Auxiliary to the British and Foreign Bible Society.

[Assented to 26th June, 1906.]

Whereas the voluntary society known as the Canadian Bible Society Auxiliary to the British and Foreign Bible Society has by its petition represented that it is composed of the Auxiliary Societies of Upper Canada, Western Ontario, Perth, Ottawa, Winnipeg, Montreal, Quebec, New Brunswick, Fredericton, Nova Scotia, Prince Edward Island, New Glasgow, Pictou, Miramichi and Newfoundland, and has prayed that it be enacted as hereinafter set forth; and whereas it is expedient to grant the prayer of the said petition: Therefore His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. The voluntary society mentioned in the preamble is incorporated under the name of "The Canadian Bible Society Auxiliary to the British and Foreign Bible Society," hereinafter called "the Society."

2. The affairs of the Society shall be managed and controlled by a general board composed of members elected from time to time by the Auxiliaries composing it in accordance with the constitution of the Society. The honorary general treasurer shall also be ex officio a member of the board.

3. The said board shall appoint such officers as it deems necessary, and in accordance with the constitution of the Society.

4. The sole object of the Society shall be to promote the wider circulation throughout Canada and Newfoundland of the Bible without note or comment, and to assist the British and Foreign Bible Society in its work.

5. The Society may acquire, by purchase or otherwise, take, receive and hold conveyances, devises, bequests and gifts of real and personal property, or any estate or interest therein, in Canada, and may use, sell and dispose thereof, and may apply the proceeds of such property for the purposes for which the Society has been organized: Provided, however, that the annual value of real estate which the Society may possess shall not at any one time exceed the sum of twenty-five thousand dollars, and provided that the Society shall, within ten years after the acquisition of any real property as aforesaid, sell or otherwise dispose of so much as is not required for the use, occupation, or other like purposes of the Society; and provided also that any devise of any real property as aforesaid shall be subject to the laws respecting devises of real estate to religious corporations in force at the time of such devise in the province in which such real estate is situate, so far as such laws apply to the estate.

6. The said general board may by resolution admit as constituents of the Society such other Auxiliaries of the British and Foreign Bible Society, hereafter formed in Canada or Newfoundland, as desire to join the Society and as the said board thinks fit to accept.

MODEL CONSTITUTION FOR BRANCHES OF THE BIBLE SOCIETY.

(The following is suggested by the General Board of the Canadian Bible Society as an outline Constitution for the formation of Branches. Brackets enclose portions which are varied to suit local conditions.)

I. This Society, entitled "The ——— Branch Bible Society," is formed in connection with the ——— Auxiliary of "The Canadian Bible Society Auxiliary to the British and Foreign Bible Society."

II. The sole object of the Society shall be to encourage the wider circulation of the Bible without note or comment throughout Canada and to assist the British and Foreign Bible Society in its world-wide work.

III. All subscribers shall be considered members of the Society; and those subscribing (twenty) dollars at one time shall be life-members of the Branch Society.

IV. The business of the Society shall be conducted by the President, Vice-Presidents, Treasurer, Secretary (or Secretaries) and a Committee, representative so far as possible of the different Christian Churches, consisting of not less than ——— other members, five to form a quorum.

V. Ministers of all Christian communions who shall express themselves in sympathy with the Society shall be additional members of the Committee.

VI. The Committee shall meet at the call of the officers of the Society or as the Committee shall direct.

VII. The Committee, in order to secure funds for the objects of the Society, shall invite collections from churches, appoint collectors to solicit subscriptions and donations, or otherwise organize means for procuring contributions, which, after incidental expenses have been met, shall be remitted to the ——— Auxiliary towards the translation and dissemination of the Scriptures both at home and abroad.

VIII. The Committee shall ascertain whether individuals or families in the district are in need of Bibles and shall have power to supply them at reduced rates, or gratis, as cases shall require.

IX. An Annual General Meeting of the Society shall be held in the month of ——— or at such other time as the Committee shall determine, when a report shall be presented, money voted, and a Committee appointed for the ensuing year.

X. No alteration shall be made in these rules except at a General Meeting of the Society after a month's notice by the Secretary to members of the Committee.

NOTICE RESPECTING REPORTS FROM AUXILIARIES TO THE CANADIAN BIBLE SOCIETY.

Returns of statistics for the year (on Schedules provided), and an abstract of the Annual Report (where the Report itself cannot be forwarded in time) should be sent to the General Secretary not later than the Middle of February in each year.

SUMMARY OF THE HUNDRED AND FOURTH ANNUAL REPORT.

Presented at the Anniversary in Queen's Hall, May 6, 1908.

ON each successive anniversary the Bible Society finds special mercies to acknowledge and new praise to offer up. But years have elapsed since the Report, as a whole, presented so many cheering features, which claim our humble and hearty thanksgiving to Almighty God.

We must begin with a word of commemoration. Since the Society's last annual meeting five more of its

Vice-Presidents have entered that 'life which is life indeed':—Dr. Wilkinson, the saintly Bishop of St. Andrews; Admiral Sir F. Leopold McClintock, the intrepid Arctic explorer; Mr. T. Fowell Buxton, the generous friend of good causes; the Rev. Dr. W. G. Lawes, the noble missionary pioneer; and the Rev. Dr. John Watson, the orator and author, whose stories have moved multitudes to tenderness and laughter and tears. Linked as they were with various branches of the Universal Church, these names remind us how, in a world of many divisions, the Bible Society is one great instrument of Christian unity.

The Committee have learned with keen regret from Mr. Caleb R. Kemp that the condition of his health renders it imperative

for him to retire from the Chairmanship which he has held for the last sixteen years. The Committee have no option except to yield sorrowfully to his wishes, with the earnest hope and prayer that he may still be able to assist their future counsels. It would be difficult to exaggerate the immense services which Mr. Kemp has rendered to the Society, and his retirement comes as a personal loss to every member alike of the Committee and of the Staff.

On May the 7th the Pennsylvania Bible Society celebrates at Philadelphia the Centenary of its foundation. At the request of our Committee the Right. Hon. James Bryce, British Ambassador at Washington, has willingly undertaken to attend this festival, when he will personally convey the congratulations of the British and Foreign Bible Society.

Translation and Revision.

The past year has seen three additions to the Society's long list of versions.

In South America, *Lengua* is spoken by the Indians of the Paraguayan Chaco. A version of St. Mark's Gospel has been printed in this tongue for the South American Missionary Society.

In the heart of Africa, *Lu-Nyankole* is the speech of a tribe inhabiting the region south-west of Uganda, now being evangelized by C.M.S. missionaries, for whom St. Matthew's Gospel has been printed.

In India, two Gospels are being published in *Hindu-Sindhi*, a dialect current among the Hindu inhabitants of Sindh, for the use of the C.M.S. and C.E.Z.M.S. missionaries in that frontier province.

In six other new languages versions are almost ready ; but they must stand over to be announced, we hope, next year. The number of languages on the Society's list has now risen to 412.

The publication of the Canonical Books of the Bible has been completed in two additional languages—in Giryama, for British.

East Africa ; and in Nguna-Efate, a combination of the dialects of two islands in the New Hebrides. With these, the number of Bibles on the Society's list is now 105. The New Testament has been completed in Baffin's Land Eskimo, and in the Mombasa form of Swahili ; these raise the number of New Testaments to 99. While 208 other languages, in which only some part of the Testament has been issued, make up the total to FOUR HUNDRED AND TWELVE DIFFERENT LANGUAGES in which the British and Foreign Bible Society has promoted the translation, printing or distribution of at least some part of God's Book.

An outstanding feature of the year is the steady advance towards completing versions which hitherto have been unfinished. For example, the translation of the Bible will soon be completed in at least five more Asiatic languages. Important progress has also been made in revising versions whose quality requires improvement. Many laborious revisions are still going on, and others will shortly be undertaken. Here we can mention only the two dominant languages of the Far East. In Japan, a representative body of Japanese scholars and foreign missionaries has recently agreed upon a joint plan for revising the Japanese Bible. In China, the Missionary Conference at Shanghai in 1890 arranged for 'Union' versions of the Chinese Bible in High Wênli, in Easy Wênli, and in Mandarin. The task has been successfully fulfilled in all three cases, so far as concerns the New Testament. At the Shanghai Conference last spring it was decided to amalgamate the High and Easy Wênli and thus make two standard 'Union' versions, one in Mandarin and the other in Wênli. Fresh Committees are appointed to carry this out with regard to the whole Bible.

For Foreign Missions.

The conquests of the Gospel create new demands for the Scriptures. At the present time our Society has in hand versions or revisions of the Scriptures needed for their work by forty different missionary organizations. These Missions represent nearly all the communions of Reformed Christendom—not only in Great Britain and her Colonies, but in France, Germany,

Switzerland, Holland, Denmark, Finland, Sweden, Norway, and the United States. To the services thus rendered we may quote two recent tributes. The Universities' Mission to Central Africa describes our Society as 'the synonym for kindness and promptitude.' Dr. Mackichan, of the United Free Church of Scotland Mission, Bombay, speaking of the Society's generosity towards missionaries in India, says: 'We have never been refused anything we have asked'—a testimony which certainly speaks volumes for missionary discretion!

The rapid influx into North America of immigrants from Europe has increased the demand for diglot Testaments, in which English is printed side by side with one or other of a dozen Continental versions.

Two facts may be mentioned which bear on the Society's relations with ecclesiastical authorities in Eastern Europe. At St. Petersburg the Holy Synod of the Russian Church, from which we obtain annually some 350,000 copies of the Scriptures, has this year issued for us a special edition of the Canonical Books of the Russ Bible, which we may circulate throughout Russia. At Constantinople a large edition of the amended Greek Testament in the traditional text, sanctioned by the Greek Patriarch, is being printed for our Society to circulate among members of the Orthodox Church.

The Society's noteworthy new edition of the Hebrew Old Testament, with a full apparatus of Massoretic and other variants, is making good progress, thanks to the unflagging labours of its learned editor, Dr. Ginsburg. The earlier books are in type, and Genesis is ready to appear as a specimen and instalment of the whole.

The new Welsh Brevier Reference Bible is at length completed and nearly ready for issue. Besides including all the marginal matter of the English Revised Version, it also adds the American Revisers' Preferences, in Welsh. Apart from any charges for the paper, printing, and binding of the first edition, the capital expenditure on this book will amount to about £1,700—a practical acknowledgment to the Principality of its liberal support.

A new edition of the English Bible in Braille type for the blind is in preparation. It follows the recently issued scheme for English Braille, with a few additional abbreviations. St. Matthew's Gospel is ready, and other portions will be issued successively in shilling volumes, until the whole Bible has been completed. To produce each volume will cost the Society more than double the price charged for it.

Last summer the Society issued a new shilling English Bible for schools, printed in admirably clear type specially cast for this edition. So beautiful and legible a Bible has never before been published at so low a price.

Thus 'in divers portions and in divers manners,' in the hands of English children and among far-away folk of foreign speech under alien stars, God's Book carries its own eternal message to the human heart. From Eastern China we hear that the first Chinaman to become a pastor under the C.I.M. at Taichow traces his conversion to the influence which the Gospel exerted over him while he was a heathen compositor, employed to set up the type for printing the New Testament in the Taichow form of Chinese. What results shall we not some day discover to have followed from each new version put forth by lovers of the Bible!

The Year's Issues.

The year's issues now to be reported amount altogether to 5,688,381 volumes. We rejoice that this total is 272,000 copies above the output in the previous year. It still falls 289,000 below the record total announced two years ago. Compared with 1906-7, Bibles show an increase of 21,000, while Testaments are 95,000 fewer. The chief increase appears in smaller Portions of Scripture—such as Gospels and Psalters—which circulate mainly in the Mission-field.

The issues from the Bible House in London for the past year were 1,838,281 copies—an increase of 85,000 on the previous year. The growth here, however, has been in foreign versions sent out from London. Our issues in English and Welsh amounted to 1,105,000 copies—a falling off of 112,000 from

the previous year, which again was 114,000 below the year before.

Of the Society's issues, a smaller proportion are English and Welsh Scriptures than was the case ten years ago; then it was over 30 per cent., now it is under 20 per cent., of the total. For this, however, there may be a twofold explanation. On the one hand, people to-day who can afford them prefer more expensive editions, often with notes or helps, which they procure elsewhere than from the Bible House. On the other hand, some extremely cheap English editions have been put on the market by other publishers. So long as the Scriptures are made accessible and popular, the Bible Society has no cause for regret.

Distribution.

Our Society maintains depôts and distributing machinery in nearly a hundred of the chief cities of the world. It forwards to missionaries supplies of Scriptures, in the versions and editions which they need, carriage paid, and on such terms that practically no part of the cost falls on the missionary exchequer.

The Colporteur.

The Bible Society also carries on distribution by its own favourite agent—the native Christian colporteur. It employs about 900 of these colporteurs continuously at work all the year round. They serve the missionary as his aides-de-camp and scouts and pioneers; and they enter many a field which no missionary visits, and surmount many a barrier which no foreigner could pass. And wherever they wander—by road or river or railway, in the rice-fields or the backwoods or the bazaars—they scatter abroad their cheap little Gospels and Testaments, from whose pages they have learnt for themselves the message of Redeeming Love. Last year our colporteurs sold 140,000 copies in Japan, and over a million copies in China.

In the Corners of the Earth.

It is a prerogative of the Bible Society to go where few other Christian agencies penetrate. It sends camel-loads of Scriptures to the capital of Abyssinia: it places Arabic Bibles

in the mosques of Western China : it sells Chinese Gospels in the compounds at Johannesburg, and in the opium-dens at Singapore. Last year in Kurdistan, a chief told the colporteur that it was now time to buy guns and cartridges, not Bibles : but in Venezuela the revolutionary soldiers begged our representative to give them Bibles in exchange for cartridges—for which, however, he had no use. The Society has begun successful work in Venezuela. A colporteur is now busy in the Basin of the Orinoco, where he visits the gold-miners ; and an English Sub-agent has just been appointed to circulate the Scriptures systematically in this republic, which has such vast developments before it in the near future.

The Unrest of Humanity.

To thoughtful observers the outstanding characteristic of the world to-day is its profound unrest. It is as though some mighty ground-swell had begun to move in the deep sea of human affairs. Even in the immemorial East strange ideas and hopes and discontents are fermenting in the minds of dim multitudes. The new spirit of nationality means that a nation is becoming self-conscious and awake to its traditions and its possibilities. Who can gauge the results of such an awakening among races which have been dormant for centuries ? At least we know that as one primary result there arise unparalleled opportunities for the Gospel.

A Society which ramifies across the world must naturally be sensitive to all manner of events and changes. Year by year its work runs the gauntlet of drought and flood and plague and famine. It is nothing new for our agents to suffer hindrance from revolution in Central America, or from bigotry in Austria and in Greece, or from clericalism in Portugal and Poland and Peru. Last year we heard of anarchy in many parts of Persia, where the Persian Bible is still forbidden to enter the Shah's dominions. In Madagascar, the authorities are persecuting Christian converts. In many parts of Russia and of India, the perturbed state of the people has seriously lessened our circulation across both those great empires. On the other

hand, China and Korea and Japan lie open to Christian teaching as never before. Those who know best speak most emphatically as to the amazing opportunities for the Gospel in the Far East. In Korea last year we could not provide Testaments fast enough to meet the demand. In what way is it possible speedily to evangelize China except through Chinese colporteurs, carrying the printed Gospel to their own countrymen?

The Power of the Book.

It is not the business of the Bible Society to formulate any theory of inspiration ; but year by year it piles up overwhelming proofs of the Divine power with which God's Spirit speaks through Holy Scripture. We have space to quote only a very few examples of the way in which the Eternal Voice still comes home to men's hearts and consciences through the words of the Bible.

From the Panjab a missionary at Kasauli describes how, while he was itinerating among the hills, he came upon an old man who declared that he had renounced idolatry and was worshipping according to the teaching of a little book which he had bought. That little book was one of our Society's farthing Gospels. Some months later the missionary's duty led him back to the same village, when he found that the aged inquirer had left the land of twilight for everlasting day.

In China, early last year, a missionary was staying at Chingchow, in the Province of Hunan, when a Chinaman came into the city to see him one Sunday morning. The man said that he knew it was Sunday ; he had been keeping Sunday for some time. A year and a half before, the missionary had sold him a Chinese New Testament, and that Testament had led him to God. He had read it already seven or eight times. 'Did he understand it?' 'No, not all ; there were some hard passages, especially in the Revelation.' But he had broken off his opium simply through faith in Jesus Christ and prayer, and he had just helped a friend of his to do the same. He was a disciple of the New Testament.

At Manila, only a few weeks ago, the Filipino who assisted

in translating the Tagalog Bible gave this testimony: 'I became a Christian through reading the Bible. When I saw in St. John iv. 24 that "God is a Spirit: and they that worship Him must worship in spirit and truth," I began to think that worshipping God through idols must be wrong, and from this I was gradually led on to the truth. At first my father and brothers were very bitter against me; I said but little to them, but gave each of them a Bible and asked them to read for themselves; in time they too became convinced, and are now Christians.'

A single Burmese Gospel had been given or sold to a Buddhist nun at Rangoon. She read it and treasured it, and died rejoicing in its message. On her death-bed she handed the precious little book to a friend, who in his turn read and believed. To him the Gospel message seemed so new and wonderful that he spoke about it continually to his fellow-villagers—until early last year they set on him with sticks and broke his arm. Our colporteur discovered this Burman laid up in hospital—already a sufferer for the faith that was in him. As soon as he recovered, he was directed to a Mission-station, instructed, and received into the Christian fold.

Before the bombardment of Casablanca—which destroyed all the Society's stock of Scriptures—we had a depôt in that town. Several well-to-do Moors often visited the depôt, and would listen carefully while the Gospel was read aloud. They confessed that though there was much good advice in the Koran, it could not be compared to the New Testament. For as one of the Moors said: 'When you read the *Injil*, you feel that there is a living Person drawing you to Him.'

Finance.

The Centenary Fund.

Previous Reports have explained that the bulk of this Fund is allocated to definite objects involving capital expenditure, but also relieving the Society's annual charges. In pursuance of this policy, about £100,000 of the Fund will be spent

in securing sites, depôts, or other premises for the Society at important centres, mainly in the East. These centres include Shanghai, Hankow, Tientsin, Canton, Newchwang, Kobe, Seoul, Singapore, Rangoon, Colombo, Madras, Lahore, Simla, Cape Town, and Johannesburg.

Considerable sums have also been voted for new versions and editions of the Scriptures, and for extended colportage in South America and in the Far East.

The Year's Expenditure.

The total payments from the General Fund for the past year have been £226,493. This is an increase of £4,884 over the total of the previous year; but it still falls nearly £12,000 below the expenditure in 1905-6, and nearly £27,000 below that of 1904-5.

With regard to the items of this increase, we note that, as compared with the previous year, the cost of foreign depôts has risen by £5,466. This, however, is due to the fact that the whole expenditure on our Auxiliaries in India has now for the first time been included under this heading in the Home Report.

The amount expended on colportage from the General Fund—apart from the Centenary Fund—has increased by only £300. Other items of expenditure show economies amounting altogether to £3,644.

The Committee have spent £100,187 in producing editions of the Scriptures. This item is £2,762 more than in 1906-7, but it still stands £15,000 below the corresponding figure for 1904-5.

The Year's Receipts.

On the other hand, the General Fund receipts last year rose to £239,550—a growth of £6,642 over the figures for 1906-7.

Analyzing the several items of this total we find that Donations paid into the Bible House increased by £1,407. Collections and Subscriptions paid in at the Bible House also increased by £1,467. It must be said, however, that the last-named increase is due to the fact that this year's account has included for the first time the sums raised in India for the Society, which in

former years have been entered to the accounts of our Indian Auxiliaries and expended locally on their operations.

To Equalize Legacies.

The legacies received during the year amounted to £54,727—which shows an increase on the previous year of nearly £10,000, and a total very considerably above the average. It is inevitable that the Society's receipts from legacies should vary considerably from year to year; for instance, in the year 1887-8 legacies rose to £60,852, while in the year 1878-9 they sank to £10,304. As such disturbing variations cannot be foreseen, the Committee have decided to form a "Legacy Equalization Fund," by means of which they will only use as income from this source in any year the average annual amount of the legacies received during the previous seven years. Acting on this rule, the amount of legacies to be carried into income for this year is £39,146.

It is satisfactory to report that the Society's total receipts from sales, which had fallen to £88,522, have this year increased to £93,727. The sales from London (including, however, many books sent to foreign countries) show a growth of over £5,000.

Free Contributions.

The Free Contributions from Auxiliaries at home and abroad have risen to £73,110—an increase of £2,577. More than £2,000 of this growth must be credited to Auxiliaries in England and Wales. The Auxiliaries abroad have sent altogether about £12,000; this includes £1,270 from Africa, the splendid sum of £1,800 from New Zealand, a greatly increased contribution of £3,633 from Australia, and no less than £5,140 from Canada. The Hibernian Bible Society's contribution rose to £1,000.

We note with keen satisfaction that the total Free Contributions are £5,778 above what they were two years ago. Indeed, they have only once stood higher—in 1891, when they were swollen by some extraordinary legacies paid in through Auxiliaries.

Such a result calls for warm gratitude. Nevertheless, when we consider the growth of national wealth and the growth also of luxurious habits of living among Christian people, we dare not say that the Society's income shows any corresponding elasticity.

A Balance for New Work.

Payments and receipts, under sundry Special Funds, raised the Society's TOTAL EXPENDITURE last year to £227,457, and the TOTAL RECEIPTS to £240,106, leaving a net excess on the year's working of £12,649.

With heartfelt thankfulness to God we record this result—which, however, could not have been predicted before the Society's accounts closed on March 31st.

The Committee have already had under review the wonderful opportunities which exist for extending colportage in all quarters of the world—particularly in non-Christian lands. The increase in income will enable them to respond at once to some of the most imperious of these claims for expansion. The demands on the Society, however, still far exceed its present resources, and the Committee repeat their earnest appeal to all lovers of the Bible for fresh support in speeding God's Book on its mission among men. William Tindale's Prologue to his first edition of the New Testament in English contains this golden sentence of admonition :—

'For we have not receyved the gyfts of God for oure selues only, or for to hyde them: but for to bestowe them unto the honouringe of God and Christ, and edyfynge of the congregacion, which is the body of Christ.'

The Staff.

The Committee desire to record their deep indebtedness to the Staff, at home and abroad, for fidelity in the Society's service and devotion to its cause.

After an extended tour among the Society's Agencies in China, Korea, and Japan, the Rev. J. H. Ritson travelled home *via* Siberia, and reached London safely last July.

No appointment has yet been made to the post of Editorial Superintendent, from which the Rev. John Sharp expressed his wish to retire last Michaelmas. Mr. Sharp has added to his long and most valuable services to the Society by consenting to carry on his duties for the present, pending the choice of a successor.

The Rev. P. G. Graham has resigned his post as Agent for North and South Malaysia. This vacancy at Singapore has been filled by the appointment of Mr. C. E. G. Tisdall, hitherto the Society's Agent for Persia. Mr. Theodore Irrsich, of the Society's staff at Alexandria, has been appointed to replace Mr. Tisdall as Agent at Ispahan.

Mr. T. Gracie, the Secretary of the Ceylon Auxiliary, will in future devote his whole time to the Society's work in that island.

The Rev. Dr. R. E. Welsh has resigned the Secretaryship of the Canadian Bible Society, in which office he has been succeeded by the Rev. W. B. Cooper.

The Rev. F. G. Vesey has been appointed Sub-agent in Korea; and Mr. Herbert G. A. Lange has accepted a similar post in Venezuela.

At the Bible House, Miss Flora Klickmann has resigned her post as Assistant in the Literary Department.

After fifteen years' service as District Secretary, the Rev. W. H. Norman has become vicar of St. Barnabas, Cambridge. The Rev. W. G. Jones has succeeded Mr. Norman in the charge of the North Metropolitan (West) District. The Rev. Alfred J. Marrs has been appointed to follow Mr. Jones in the charge of the Northern District.

The Auxiliaries.

At the close of 1907 the Society had about 5,800 Auxiliaries, Branches, and Associations in England and Wales. The District Secretaries' returns show that during 1907 as many as 4,726 meetings were held, and 3,225 sermons preached, on behalf of the Society.

Outside the United Kingdom the Society has over 2,430 Auxiliaries and Branches, mainly in the British Colonies. Many of these vigorously carry on Bible distribution in their own localities, besides sending generous annual contributions to the Bible House in London.

SINCE ITS FOUNDATION IN 1804 THE BIBLE SOCIETY HAS ISSUED OVER 209,600,000 COPIES OF SCRIPTURE.

¶ **The pioneer work of the Bible Society** is done where the pioneers of commerce are busiest, and the immigrants to Canada are most numerous.

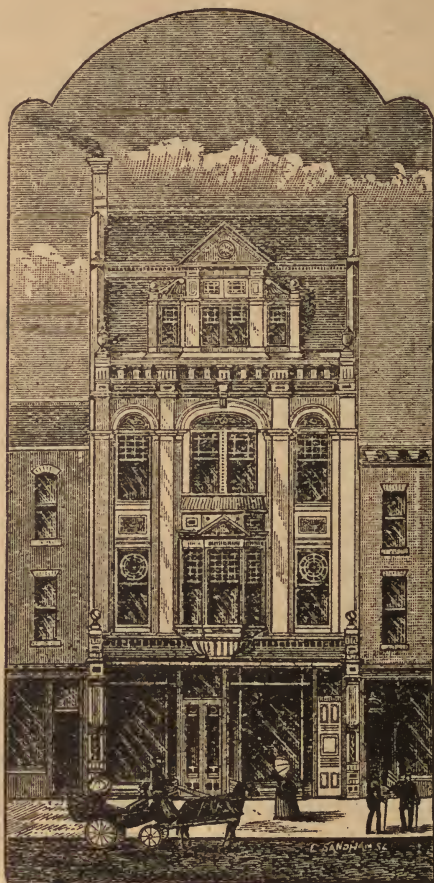

¶ **The Canadian Northern Railway system** is, perhaps, the most outstanding example of the development of modern Canada. It has grown from nothing in 1896, to nearly 5,000 miles in 1908, of which 3,300 are through the sections of Western Canada in which population is increasing rapidly.

¶ **The Six Railways** of the Canadian Northern System traverse the best country in the six provinces of Nova Scotia, Quebec, Ontario, Manitoba, Saskatchewan and Alberta, and will eventually connect the Atlantic and Pacific coasts.

¶ **For the holiday-maker and business man**, looking for recreation or commercial expansion, there are abundant opportunities in every province.

¶ **The Information Bureau** at the Head Office, Toronto, will, on request, furnish literature, describing the country traversed by the railways. Some of the booklets:—"A Mile a Day for Eleven Years," "An Introduction to the Best Country in Six Provinces," "The Lake Shore Line of the Muskokas," "The Ocean Shore of Nova Scotia," "The Bread Basket of the World," "When you think of Canada."
